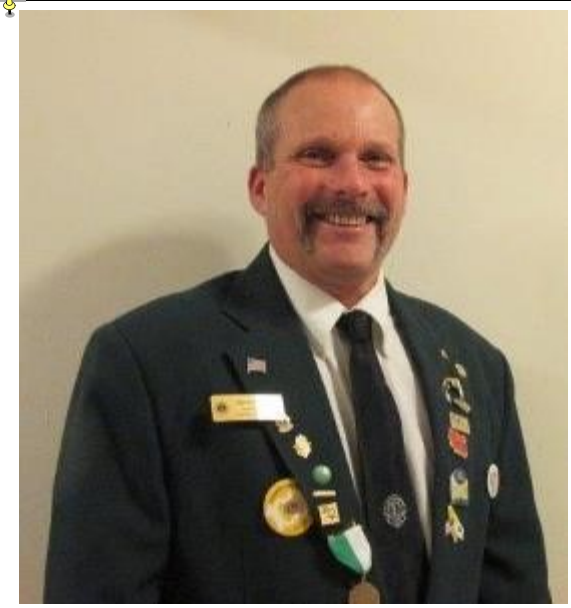
A Message from District Governor Gene Hilton



Howdy Lions! If you missed the Key Member Picnic, you missed out on a good steak dinner. Thanks PDG Abe and the West Earl Lions Club for hosting this District event. Our District is the only District in the state that doesn't charge District dues. Their dues range from $10-$35 per member. Every current District Governor asks how we do this. As long as the membership supports the Key Member picnic, Region Rally, Bowling Tourney, Presidents Honor Night, and the District Convention we can continue without paying District dues. It does require the participation of all of us. Start by attending your Rally. You could have a little fun, maybe make a new friend. Another way to help, look to your club leaders. Be a willing participant. A good leader puts people in positions that they, not she or he, can succeed. Your success is the key to the club. Assess the community needs. Base your service projects on that. Record your service hours. Promote your club. Think outside of the box when doing this. Try something new. Remember that energy you got when serving others? Use that energy when recruiting new members. Need some help with this? Check out the District website and the District directory. There are loads of experienced Lions waiting to help Just ask. Remember, we are Lions-we serve!

Message from the 1st Vice District Governor, William Grager

As I pen this address, my heart is full of joy, gratitude, and humility as I proudly proclaim that I AM A LION! Having had the opportunity to work side by side with some of our Clubs in serving their communities, the intrinsic rewards in doing so are invigorating. We should be shouting the attributes of Lionism to the entire world, yes, even Beyond the Horizon. Attending the first State Council meeting for the year and the VDG Visitation Day at Leader Dog in Michigan, I am energized by the importance of the work we do and the humanitarian causes we support. In so many cases, we are a facilitating catalyst to the “miracles” that are provided every day to so many individuals in need. It is because of Lions like us that these “miracles” can happen, and I wish all our Clubs continued success as they grow in numbers and extended service.

While continuing to maintain and grow our humanitarian service, may we be vigilant in identifying those individuals who would capably serve as Lions. Please don’t be afraid to ask for their help in joining us. We also need to be aware of those Lions who would serve as leaders, not only in their communities, but also throughout the District. As we continue to do what we do best, may we work together to afford our District the opportunity to make an even greater impact in the world.

As we look forward on our calendars and plan Club activities, please be aware that October is Vision Awareness Month, Lions Membership Growth Month, and Leo Membership Growth Month. Some specific dates to keep in mind are: September 20-22, USA/Canada Forum, Columbus, Ohio; October 1, Deadline to purchase Peace Poster Kits; October 4, Region II Rally; October 6, Fall GAT Leadership Symposium; October 7-13, Worldwide Week of Service in Sight; October 10, Lioness Rally; October 11, Region III Rally; October 11, World Sight Day; October 18, Region IV Rally; October 25, Region V Rally; November 1, Region I Rally. . Please refer to the District Newsletter and District, State, and LCI web sites for details and updates on these and all important events. May we come together and support the great initiatives we represent.

In closing, as we continue to serve and grow, I reiterate my request for your help in continuing to provide leadership and guidance for our District. LCI currently lists 47 Clubs in 14-D with 1379 active members. May we continue to grow and thrive in service. With the synergy represented by these numbers, we can do amazing things, together. I wish you all the best!

Message from the 2nd Vice District Governor, Roy Estes

Well Fellow Lions fall is soon here. This last week's temperatures should remind us of that, what a relief. PDG Kathy in her last article had (Shut The Front Door) to keep the heat out. Well the heat is on Us, we need to, Shut the back door also to keep some of our lions from leaving Lion-ism. Retention is part of our Presidents goals this year. Now is a good time to get them and any new members involved in our fall projects. People join lions to make a difference.

Then bring them to our region rally's that's where we have fun and fellowship. It may take some patience on our part , but what did we see in them that made us ask them in the first place. Please don't tell me numbers, we need leaders, workers, people for the heavy work, people to do the light work, thinkers, idea people, people with soft hands like mom's and people to tackle the bear or build that new building . People that know the history behind lions and people to move us into the future. What we don't need is negativity.

I attended the PDG Abe's key member picnic this past Thursday. What a great night for it. Great steaks. Listening to him talk about what it takes to be a key member, we should all have been there, all it takes is to just ask someone to join the (best service organization) in the world.

I had a chance to meet some of the people from our new clubs. Wow what an energetic bunch. They are ready to reach out into their community's and provide services that will make them and us all truly proud lions. They will have some new ideas. They will have friends to tell about Lions and what we do. A potential for even more new members.

Heads up, Shoulders back, Chest out, a Smile on your face, We are Lions, We are proud!!!

TO: 2018-2019 PA State Council of Lions Clubs Council of Governors Members, MD-14 House of Delegates
FR: Lion Bob McCombs, Multiple District 14 State Administrator
RE: Convening of Multiple District 14 House of Delegates

Lions All,

In accordance with Multiple District 14 House of Delegates Procedures, Past International President Joseph L. Wroblewski and members of the MD-14 International Family announced Saturday, August 4, 2018 as part of the first 2018-2019 PA State Council of Lions Clubs' Council of Governors meeting the Multiple District is eligible to endorse a candidate for the office of International Director at the 102nd Annual Lions Clubs International Convention in Milan, Italy.

PIP Wroblewski and the PA International Family subsequently requested, and members of the Council of Governors approved, the convening of a House of Delegates session for the purpose of selecting an endorsed candidate for this high office. PIP Wroblewski and the PA International Family also requested and were granted approval by the Council of Governors to hold a special election to determine the Multiple District's officially endorsed candidate for the office of International Director.

Each member of the 2018-2019 PA State Council of Lions Clubs' Council of Governors is respectfully requested to include notice of the MD's intent to run a candidate for the office of International Director in their district newsletter, on the district website and through other correspondence with clubs and Past District Governors within their district.

The House of Delegates session will convene at 1:30 p.m. on Saturday, November 3, 2018, as part of the second 2018-2019 State Council meetings at the Hilton Garden Inn Indiana at IUP, 714 Pratt Drive, Indiana, PA.

The special election will be held Saturday, February 2, 2019, as part of the third 2018-2019 State Council meetings at the Altoona Grand Hotel, 1 Sheraton Drive, Altoona, PA.

Any MD-14 14 Lion in good standing in a club in good standing with Lions Clubs International, Multiple District 14 and their sub-district is eligible to be a candidate for the office of International Director.

In accordance with Lions Clubs International by-laws Article II Section 3, paragraphs a, b, c, d. and the MD-14 House of Delegates Procedure:

Lions interested in being considered as a candidate for the office of International Director must prepare a Letter of Intent and Lions resume in printed form and present those documents to his/her club's board of directors for the purpose of receiving the club's official endorsement. Likewise, all interested candidates are asked to submit a Letter of Intent and Lions' resume to the PA State Council of Lions Clubs Office, 949 East Park Drive, Harrisburg, PA 17111 prior to September 30, 2018.

After receiving the club's endorsement, those documents must be forwarded to the candidate's District Governor for approval by the sub-district's delegates at a special convention called for the purpose of providing the sub-district's endorsement of the candidate.

The letters of endorsement from both the club and sub-district must be dated and signed by the appropriate club and sub-district officers and presented in written form to the State Office by October 19, 2018.

Upon receipt of the official endorsement letters from the appropriate club and sub-district, the candidate for the office of International Director will be invited to the State Office to meet with the International Family and may officially announce his/her intentions.

A complete version of the MD-14 House of Delegates Procedure, updated November 28, 2017, is attached to this email correspondence. Please encourage your appointees to participate in this important matter.

Please direct any questions about the House of Delegates to me, State Council Chairperson PDG Eric Dolfi or a member of the PA International Family.

Thank you for your time and attention to this request.

Yours in Service,

Bob

HOUSE OF DELEGATES PROCEDURE

In order to reduce the tremendous expense incurred in securing the endorsement from Pennsylvania for an International office, the Liaison Committee presents the following guidelines:

The guidelines shall be e-mailed or mailed by USPS to each delegate 30 days prior to the convening of the House of Delegates for their review. The delegates shall approve the rules for the House of Delegates when the meeting is convened.

A. The House of Delegates was created by previous District Governors appointment of three (3) Lions with terms expiring after one, two and three years, from each District. All members of the House of Delegates must be in good standing in their Lions Club, and from Pennsylvania Lions Clubs in good standing. Prior to December 31st of each year, the District Governor shall appoint a delegate for a three (3) year term to fill the vacancy of the delegate whose term is expiring that year. The name and address of the appointee shall be sent to the State Administrator by December 31st of each year. The appointee cannot be a member of the International family or the Liaison Coordinator. If no delegate has been appointed to fill the vacancy by December 31st, the District shall not be able to appoint a Lion as a delegate until the next time the House of Delegates is convened. The said appointment shall be made no later than December 31st prior to the meeting of the House of Delegates.

   1. Any Lion that is a seated member of the House of Delegates, who becomes ill or asks to be replaced for a justifiable reason, shall submit a letter of resignation to the District Governor and the state office. The District Governor automatically replaces a member of the House of Delegates who passes away. The District Governor shall replace the delegate by December 31st prior to the meeting of the House of Delegates. The new delegate's name shall be forwarded to the State Office

B. The Past International President and International Family will notify the State Office the year that the Multiple District is eligible to endorse an International Director or International Vice President Candidate.

C. When the State Office is notified by the International Family that we are eligible to endorse a candidate for the office of International Director or International Vice President, the State Council Chairperson shall request approval from the State Council of Governors to convene the House of Delegates and state the purpose of the meeting.

   1. Each District Governor shall publish in the District newsletter that the Multiple District will be endorsing a candidate for International Director.

      1. 1

   2. Any eligible Lion interested in seeking the office of International Director or International Vice President from an eligible district shall contact the State Office for the procedure of the House of Delegates.

D. Any Lion who meets the qualifications for International Director shall be endorsed by the Sub District in accordance with the International by-laws Article II Section 3, paragraphs a, b, c, d.

a. When the Lion receives his/her Club and Sub District endorsement at the Sub District Convention, the District Governor notifies the State Administrator, in writing (the month and year), that the Lion is endorsed.

b. The Multiple District will only recognize the two-year endorsement of the candidate from the Sub District.

E. The State Council Chairperson shall be the Chairperson of the House of Delegates. The Multiple District Parliamentarian shall interpret the rules the House of Delegates of the meeting. The House of Delegates shall meet during a Pennsylvania Council of District Governors meeting or a Multiple District 14 Convention. Each District Governor shall be notified of the meeting 90 days prior to the meeting. The District Governor shall notify all Lions eligible to be candidates and those appointed to the House of Delegates, no less than 30 days prior to the meeting.

The meeting of the House of Delegates is an open meeting to all Lions. There shall be separate sections provided for the delegates, candidates and the audience.

F. After notification by the District Governor, eligible candidates for the office of International Director or International Vice President shall then provide proper written Club and District endorsements to the State Office no less than 14 days prior to the meeting of the House of Delegates, at which time those candidates may announce their intentions.

G. At the meeting of the House of Delegates, the Chairperson shall appoint a secretary to take minutes of the meeting and conduct a roll call by District and by name. The minutes and the roll call of the meeting shall be kept on file at the state office. The majority of the House of Delegates in attendance shall constitute a quorum. No delegate will be seated after the completion of the roll call.

H. At the meeting of the House of Delegates, the Chairperson will announce each candidate in alphabetical order by District. Each candidate shall be called into the room individually. The candidate will be granted five (5) minutes to present his/her Lions Club and District endorsements and personal qualifications for the office of International Director or International Vice President. There may be two (2)-seconding speeches of two (2) minutes each on behalf of each candidate. The candidate shall submit the names of the Lions making the seconding speeches to the Liaison Coordinator prior to meeting of the delegates. It is recommended that the Lions making the seconding not be delegates.

1. Campaign signs, literature or demonstrations are not permitted in the meeting at the House of Delegates.

I. After the candidate has presented himself or herself, a question and answer period by the delegates will follow, not to exceed five (5) minutes.

J. Following the completion of all candidates' presentations, each candidate will be given the opportunity to withdraw if he or she so chooses.

K. A secret written election ballot (provided by the State Office) will be held by the House of Delegates certified delegates and the winner determined by a majority

of those casting votes. Where there are more than two (2) candidates receiving votes and no candidate has received a majority of the votes cast, the candidate receiving the least votes shall be excluded and another election vote shall be taken of the remaining candidates. This voting procedure shall be followed until one candidate receives a majority vote. The candidate receiving the second highest number of votes will be named as the alternate candidate. In the event there is a third candidate in the contest there shall be an election to determine the alternate candidate. The candidate receiving the majority of votes shall be declared the alternate candidate. When there is more than one candidate for the International Office, each candidate is entitled to have an observer present at the counting of the ballots. A delegate may be an observer at the vote counting.

L. The House of Delegates meeting will not be adjourned until one candidate has received a majority of the votes cast.

M. In the event that only one qualified candidate is presented for an International office, that candidate automatically is the choice of the House of Delegates by a vote cast by the Secretary.

N. The successful candidate shall be presented for endorsement to the delegates at the next Multiple District 14 State Convention.

O. The successful candidate is responsible for filing for certification as required by Lions Club International.

P. All proceedings of the House of Delegates shall follow Robert's Rules of Order.

2. Brochures may be distributed to all the Lions attending the meetings. EXCEPTION: No brochures may be distributed in the State Council meeting room or at the Friday and Saturday night banquet. (Distribution of materials is permitted at the Friday night hospitality room).

The hope for change in the weather will bring renewed energy for the challenges of the 201819 Lioness year. New ideas, new members, perhaps a change in the direction you want the future of your club to go. For now, for the "Special 3", I feel that changes are on the horizon. GO FOR IT!

Next stop on the ride is the annual District 14D Lioness Rally. A flyer will be in the District Newsletter. I look forward to seeing you all. Just to reinforce the details: the Rally will be held on Wednesday, October 10 at the West Earl Fire Hall beginning at 6:30. Bring your banner, 2 door prizes & a donation to the food bank. Short letter this month, not much else to cover until the year gets going. Have a great Lioness year, pump it up! I leave you with, "All it takes is one good person, or a Lioness Club, to restore hope."

Keep up the good work,
