A Message from District Governor Bob Eberly

Leos, Lionesses and Lions,

I want to thank District Governor Jim Bolin for his service this year. He encouraged clubs to use district programs and made it easy for them by going through 1st VDG Joan Rohrbach to book the programs. Lion Jim also made it easier for individuals to get medical equipment assistance with a phone call to Lion Linda Mc Intyre. I often heard Lion Jim say that he really enjoyed his visits to clubs, and I'm sure the clubs enjoyed his visits too. Lion Jim and Lion Gloria, take a breath and relax, but remember you are still needed for your expertise and advice.

Thanks to PDG Bosh Lesher and his partner in service, Lion Sharon, for their efforts in making the 22nd Ride for Sight another success. Without their leadership and hard work, the \$200,000 for SABVI and Lebanon County Sight would not have been realized in all those 22 years.

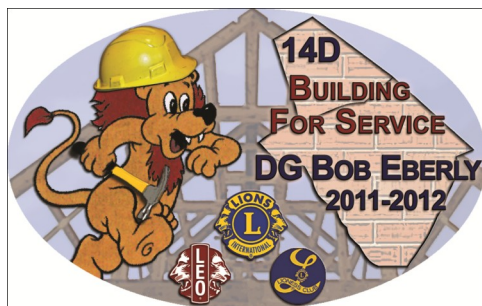

My theme for this year is "Building for Service." Yes, Bob the builder is back. I believe the club is the integral part of Lion Clubs International. Without strong clubs, there would not be a strong District 14D, a strong Multiple District 14, or a strong LCI. The district must support and strengthen our clubs. I am not saying we do not have strong clubs, but I know all clubs can be even stronger. Through our new Global Membership Team (GMT) and Global Leadership Team (GLT), expect much more help for all the clubs in the district, no matter if your club is a Leo, Lioness, or Lions. Let me know how the district can help your club. I believe as we strengthen our clubs, our two biggest problems of membership and leadership will improve. I ask you to work with me to make your club the best it can be.

I wish I had more to tell you about GMT and GLT, but my training is only coming up in Seattle at the Lions Clubs International Convention. Lion Bonnie and I are looking forward to this adventure but know much of the time will be spent learning. Somehow we are going to do some sightseeing. We have a dinner cruise reserved, and we want to see the fish market and space needle and travel on the monorail. Expect a report from us when we get back.

Building for Service,

District Governor

First Lady

Musings of 1st Vice District Governor

Lions, Lionesses, and Leos,

Here we are in the start of a new Lions year! Although a lot of clubs do not meet in the summer, I think summer offers a great chance to go out and get some new members for your clubs. Ask your family, your friends, and your co-workers. You have to ask and let them know what a great organization they would become a member of.

I believe you will support our new District Governor, Lion Bob Eberly, as you did all the other governors before him. We do need your help. Remember, we are a team, and there is no "I" in team! So we all need to pull together and I know this will be a good year for 14D!

Have a great summer!

Lion Joan

Lions Clubs International

Dear Lion Leader:

As we approach the 100th anniversary of our organization in 2017, Lions are looking to highlight this milestone. The Sandy Spring Lions Club in Maryland proposed a commemorative U.S. Mint silver dollar as a way to celebrate our centennial. With the sponsorship of Representative Peter Roskam of Illinois, we are one step closer to making the coin a reality after the introduction of the "Lions Clubs International Century of Service Commemorative Coin Act" or [HR 2139](#).

Passage of the legislation depends on accruing 290 House sponsors and 67 Senate sponsors in order to send HR 2139 to the President for his signature into law. **We need your help** to achieve President Scruggs' goal to confirm 150 co-sponsors by international convention this July!

Take action today!

1. Call/write your U.S. Senators and Representative and ask him/her to co-sponsor HR 2139.
2. Urge Lions in your districts and clubs to call/write their U.S. Senators and Representatives to co-sponsor 2139.
3. Post www.lionsclubs.org/coin on your website and Facebook page to inform followers about this important endeavor ask them to take action.

With 375,000 Lions nationwide, we can send a message to Congress that Lions have a mighty roar and will be heard! For more information regarding this effort and to view sample phone scripts/letters, visit www.lionsclubs.org/coin today and take action!

Sincerely,
LCI Staff

- Pictures of the 2011 District Convention have been added.
- Pictures of the 88th State Convention have been added. Please note: Click on the All State Band picture for a short concert.

Please remember that an online calendar is part of the District web site. You can display this calendar by clicking on the Calendar tab on most of the web site pages. This calendar lists the entire District 14-D and the events and fundraisers of local clubs if I know about them. By clicking on an underlined description, more information about the event will be displayed. Please inform Newsletter Editor Joanna Smith or me of any events, activities, or fundraisers that your club is having so I can include them in the calendar.

I encourage all Lions to utilize not only the District web site but also the Lions International site to learn about and discover the world of Lionism.

If you have any questions or comments about the District web site, or if there is anything that you would like to see as part of the District web site, please contact Lion Bruce Carpenter at pal4dwiz@ptd.net.

Beacon Lodge Appreciation Day

There's still time to make your plans to attend Beacon Lodge Appreciation Day on Sunday, July 17. Pre-paid reservations (\$8.00 per person) for the barbecue chicken dinner must be made by July 7 by mailing your reservation and check to PA Lions Beacon Lodge Camp, 114 SR 103 South, Mount Union, PA 17066. Make checks payable to PA Lions Beacon Lodge Camp and include your name and address, along with the number of dinners and total of check you're sending. Dinner tickets can then be picked up when you arrive at the camp.

Dinner of a half chicken, salad, baked beans, roll, coffee and iced tea, and dessert will be served from 11 a.m. to 2 p.m. The highlight of the day is a program of musical entertainment presented by the campers. You will be amazed at their talent! Bring a lawn chair.

This year's Beacon Lodge Appreciation Day will celebrate 63 continuous years of camping made possible by the Lions of Pennsylvania. Every Pennsylvania Lion should visit Beacon Lodge at least once to see what your contributions have made possible. Your visit will make you even prouder than you already are to be a Lion in Pennsylvania!

Scenes from Ride for Sight

Ride for Sight organizer PDG Walter "Bosh" Lesher is interviewed by reporter Ashley Palutis of Fox 43 TV as Ron Diem and the camera operator look on. Go to the District website to view the video of this interview!

With the help of Lions Sharon Lesher, Jamie Carpenter, and VDG Joan Rohrbach, riders register prior to the 2011 Ride. This was the 22nd year for the Ride, which has raised over \$200,000 for sight-related projects in our District.

PDG Walter "Bosh" Lesher and Lion Sharon lead the way for the riders on their scenic trip through Lebanon County during this year's Ride on Sunday, June 19.

Participating riders take pride in their bikes and their purpose as they line up to take off at the start of a day of fun, fellowship, and fundraising.

PR Pointers

Two Public Relations ideas for July:

Summertime is the perfect time for every Lions and Lioness club to take care of your roadside signs. Get out there and clear away weeds and debris that may have accumulated. (Any clubs need to actually locate their signs first?) Check the condition of your signs. If any are faded, dinged, dented, or otherwise do not present a good impression of your club, consider ordering and installing new signs. They can be ordered from Lions International via the new LCI Web site store www2.lionsclubs.org.

By the time you read this, your club will have installed new officers for the 2011-2012 Lions year. Take a photo of your new officers and prepare a caption and/or story about the officers and plans for the year. Submit that to your local papers. And, after you see it in your paper, follow up with a call or message of thanks to the editor for helping your club to keep your presence in front of your community.

Updates to Newsletter Mailing List

With the election and installation of new club officers, many new names have been added to the newsletter distribution list. New club presidents and secretaries will receive the newsletter link via email if we have your email address. Club presidents and secretaries who do not have an email address will receive by USPS. If you have not completed the PU-101 for 2011-2012, prior year officers will continue to receive the newsletter link until you do so. Outgoing officers and directors will continue to receive the newsletter by email unless we are requested to discontinue sending it. Outgoing presidents and secretaries who had received by USPS will be dropped.

We would like to send the newsletter link via email to as many recipients as possible to save printing and postage costs. If you have been receiving by USPS and have an email address, send your address to newsletter editor Joanna Smith at jorings@yahoo.com and you will be added to the email distribution.

Beginning with this issue, we are using a new system of sending the newsletter link to you. Thanks to Lion Dominick Raimato of Mount Joy Lions club for setting up the new system!

Clubs are encouraged to forward the newsletter to their members.

Reminder from the Cabinet Secretary

As of June 30, there were still four clubs which have not reported their 2011-2012 officers to LCI or to the Cabinet secretary.

The district directory for the coming year is nearing completion. Clubs which have not reported their new officers will be listed with a blank box noting that no officers were reported unless they report their officers ASAP.

The directory publishing date is July 15th.

“A word to the wise is sufficient.”
