A Message from District Governor Bob Eberly

Leos, Lionesses, and Lions,

It has been a hoot visiting the clubs of 14D. The nine clubs that I have visited all are unique, hard working, and fit International President Dr. Tam's "My Club, My Family" image. They all have been very friendly to "Bob the Builder." I look forward to more of the same with the rest of the clubs.

Our Global Membership and Leadership Teams have been busy planning and organizing how they can help our clubs be the best they can be. Two clubs have asked about the Club Excellence Process (CEP), and GMT & GLT are looking for more clubs to join to form a session. All our clubs are great, but they all can be better. CEP has clubs look at what it means to be an excellent club, look at the club meetings, and look at the needs of the community they serve. After that information is collected, CEP has the clubs develop goals and action plans. If your club could benefit from such a program, contact any GMT or GLT members, the VDGs, or me. All clubs could use a little fine tuning.

The State Council meets the last weekend of October at the Holiday Inn in Grantville. Drop in during the day Friday and Saturday to see the State Council and Committees in action. Friday night is hospitality night, with a Halloween theme. Come in your favorite costume. Lion Bonnie and I will be in our togas.

Our District Cabinet Meeting is November 13th at 2 p.m. at Four Seasons. Come at 1:15 p.m. to hear the preliminary meeting. We will discuss the GMT & GLT with the Zone Chairs.

With Thanksgiving at the end of the month, remember to be grateful for all your blessings. I suggest that you tell someone three different things for which you are grateful each day. It will get you above the negative.

I believe! Do You?

Musings of 1st Vice District Governor

Lions, Lionesses, and Leos,

By the time you get this, we will be through the Rallies. I think that a good time was had by all. I hope you were at one of the Rallies to see the 3 Bs. If not, ask about them!.

At the Lioness Rally, Lion Kathy Ritter made the statement that awards are nice, but a pat on the back is a whole lot better. If you see someone doing a great job, give them a pat on the back and say, "Job well done!"

A growing concern is that we are losing members. We need to go out there and talk to some people and get them to join. Then give them a job to do, because that is why they joined.

Don't forget the GMT. The team will want to talk to your Board members or your Membership Team and help you with your MEMBERSHIP.

Congratulations to Lion Lori Austin of the Millersville Club and Lion Gerard Husser. Lion Lori brought in 4 new members, and Lion Gerard brought in 3 new members!

Melvin Jones Breakfast Nov. 5. Hope to see you there! Cabinet Meeting Nov. 13. All Lions are welcome to attend. (See page 5 for more information.)

IPDG James Bolin Honored

At the October 2 Cabinet meeting, Immediate Past District Governor Jim Bolin (right) received the International President's Certificate of Appreciation from District Governor Bob Eberly. IPDG Bolin was recognized for his service during the 2009 - 2010 Lions year.

A Word from Our 2nd Vice District Governor

Lions, Lionesses, and Leos,

I feel sometimes as if I am in the land of OZ, as I keep on hearing Lions, Lionesses, and Leos in my mind, in all of the articles that I read, and with many conversations that I have with other Lions, Lionesses, and Leos in Lions District 14-D. I see a Yellow Brick Road that is painted in Lions colors. We are on a Lions Brick Road that is leading us into a path of Lionism service to our communities. What I see as a problem with this is that there are not that many Lions, Lionesses, and Leos on this path of the Lions Brick Road. We need these Lions, Lionesses, and Leos to step forward as leaders instead of following the Lion, Tin Man, or Scarecrow down this path.

D.G. Bob is a builder and wants to build new clubs, build the membership up in existing clubs, and build new leaders to direct us down the Yellow Brick Road into our communities to provide much-needed services. There are fifty Lions clubs in Lions District 14-D, and that means we have a lot of Lions, Lionesses, and Leos ... but we don't see new faces at our Rallies, Cabinet Meetings, and service projects that all of these clubs offer.

We as a district will provide whatever training any club might be in need of. Give us a call and we will provide a cabinet member, committee member, or whoever knows the subject that you wish to learn more about. We need to train new leaders and build memberships, as well as trying to create new clubs when possible.

As this is my first year as a Vice District Governor, I am learning much new information about Lions. I have learned much just going to the Region Rallies and talking to members who come to support their clubs. What is scary is that there are many clubs that did not send anyone to represent their club at their rallies. We need to find out why that happens, so we can fix that problem. This is the time that clubs and their members get recognized by the outgoing District Governor for the work that that club or member did in that past Lions year.

I **BELIEVE** that Lions District 14-D will become a much better district with training and education that we will provide to the clubs during this great Lions Year.

I also **BELIEVE** that there aren't any Green Monkeys waiting to fly away with me!!! But there are people in our communities who need our service, be it glasses, food, or whatever we can provide, so let's all work on this for the upcoming Holidays.

Happy Thanksgiving!

I BELIEVE that there is nothing better than being a LION!

Yours in Lionism,
Lion Jack

National History Day

PA Governor Tom Corbett has cut spending wherever possible. Unfortunately, education took a HUGE hit. In the coming year, schools will be making more drastic cuts. Things that are not required by the state can be cut. Those things might be Athletics, Arts, Humanities, Counseling, Advanced Placement Services, Transportation, and more.

As District 14-D, we have already begun to help with one of these areas – History. District Governor Bob Eberly added support of National History Day to our initiatives this year. We, as a district, can reach thousands of students and support their education.

To schedule a program for your club, please **contact Lion Wendy Toole** at wpearson4045@comcast.net or 684-5675. See some students' work, and see what else your club can do to help the kids in your School District. National History Day ... it's not just a day, but a year-long educational experience!

Lions Club Service Activity Report

Presidents and Secretaries Please Read

As of the end of September, 15 clubs had not completed a monthly Activity report for the Lionistic year 2011-2012. The Lions Club Service Activity Report, which replaces the Old "A1" report and is part of the Web Monthly Membership Reporting (WMMR), is an important means to measure the global impact Lions are making through service to their communities. The report was recently redesigned to be a better tool for the clubs to plan service activities and share information with others. The report application allows clubs to:

- Provide a narrative description for each activity and upload photos
- Share service activity information with other clubs
- Set service objectives and track progress toward achieving them
- Generate custom reports

Most clubs will not use all or even many of the above functions, but it is very important and it's required that an activity report be completed each month. **The completion of this report is also a requirement for International's 2011-2012 CLUB EXCELLENCE AWARD.** Training on how to do the activity report was provided at the Online Training sessions that were held last summer, and training will be offered again in the near future. If there is a need for immediate training, please contact GLT coordinator Lion Bruce Carpenter (pa14dwiz@ptd.net), and training will be arranged. The WMMR Reference Guide, located on the District's Web Site on the Club/District Resources Page, is a good instructional guide to understanding the Activity Report.

Frequently Asked Questions

How do I Report 'no activity?'

If clubs do not have any activities to report for a given month, there is nothing to do. It is preferred that only actual service or administrative activities (such as meetings, clubs visitations and training) are added to the report.

How do I calculate Lion Hours?

The report is designed to measure direct service hours. Clubs should only include hours that were devoted to the actual activity. For example, if there were 3 Lions involved in the activity and they each dedicated 2 hours to it, the Lions hours would be calculated as follows: 3 Lions x 2 Hours = 6 Lion Hours.

Should clubs report meetings (Board/Regular/Zone), club visitations and other attended events?

Yes. To report these, club secretaries should select the appropriate activity type under the administrative category.

Is there a feature we can use to copy the same activity month to month?

Yes. There is a signature activity feature that allows clubs to designate certain activities as ones that clubs engage in on a regular basis.

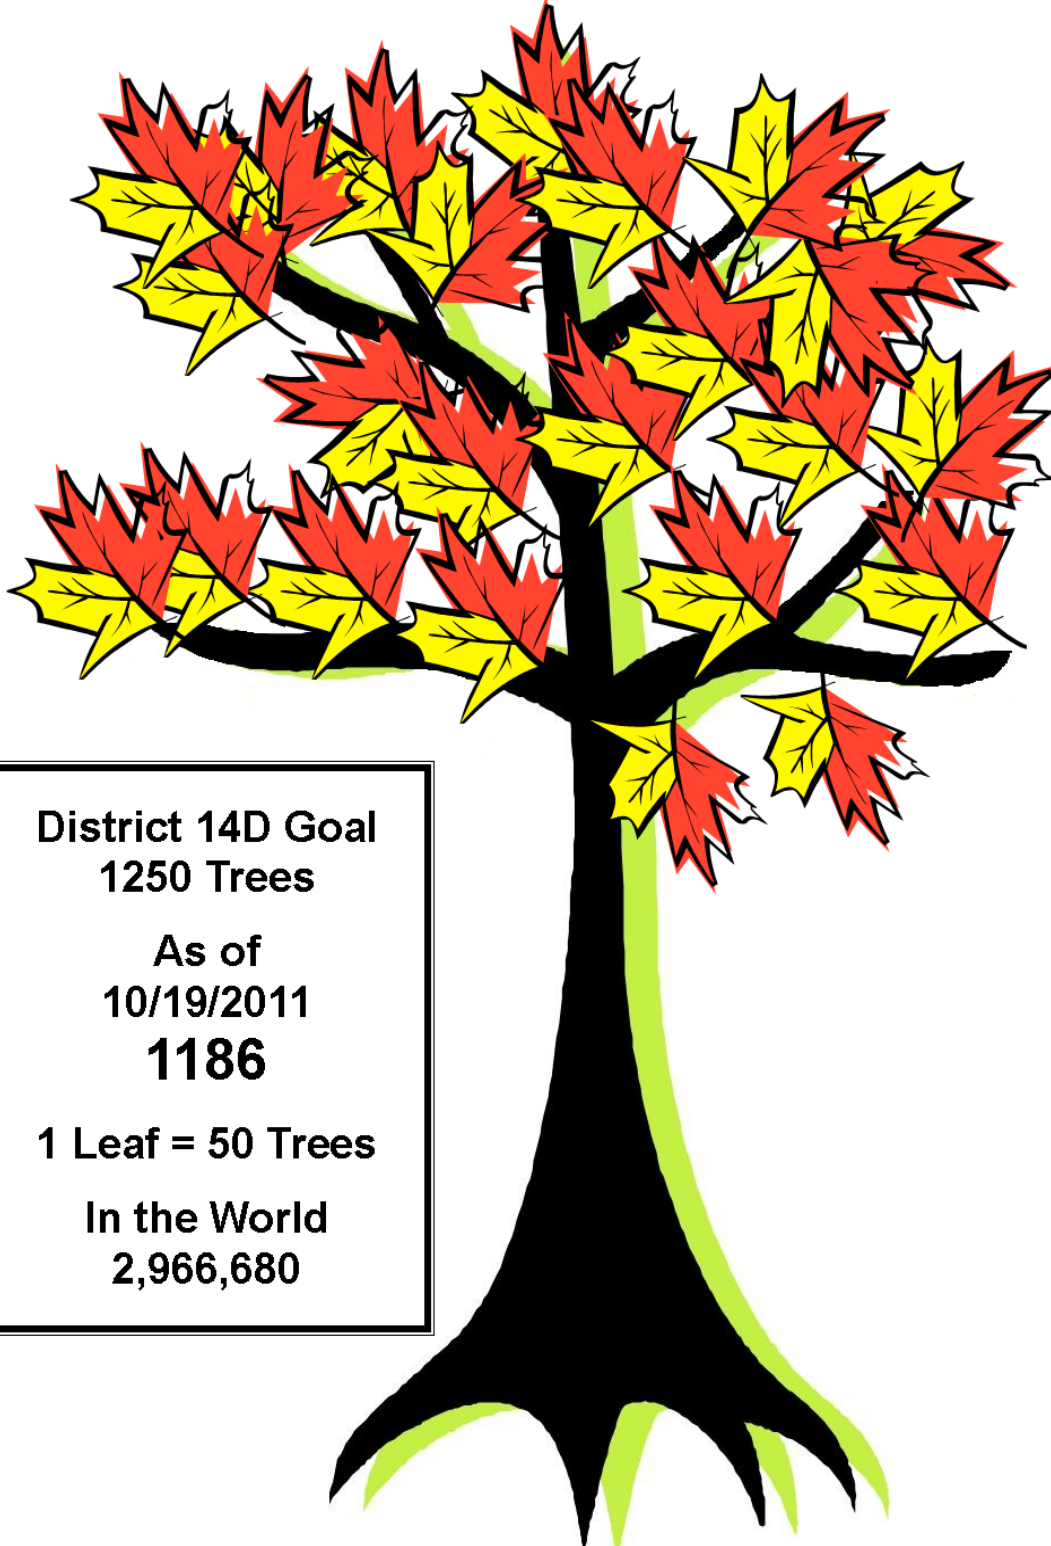

Please report only those activities that are "Lions" related and are an activity of your club. Again, if you have questions on what or how to report, please contact Lion Bruce.

In keeping with IP Wing-Kun Tam's presidential theme, "I Believe in Projecting Our Image," and our District quest to expand our public image, we need to remember that, while traditional media such as television and newspapers are still important, social media is having an increasing impact on the way we need to do business and the way we reach both our internal and external audiences. We must communicate with people on multiple fronts and reach people on their own digital turf, so to speak. This is particularly true when trying to reach a younger audience. Evaluate your club's communications effectiveness by answering these questions:

Does your club have a Web site? If not, create one by using LCI's E-Clubhouse tool.

Does your club have a Facebook page?

Does your club upload videos on YouTube and photos on flicker?

Does your club have a public relations chairperson who has a good working knowledge of the internet and social networking?

We must explore every available medium to reach our audience. Social media offer more opportunities to enable us to get our story out directly to people in our communities and around the world. Go to the LCI Web site for an easy step-by-step tutorial on how to set up a Facebook page or contact the District IT team, IPDG Bruce Carpenter or Lion Dominick Raimato for assistance.
