A Message from District Governor Joan Rohrbach

Lions, Lionesses, and Leos,

Again I must start this letter with sad news. We have lost another great Lion, and that is Past International Director Dr. Harold Ott. He will be greatly missed.

I have started my Club visits, and I am finding that the Clubs are working hard at getting new members. I will install two new members for Willow Street Lions Club, and the Greater Lebanon Valley Lions Club has two potential members ready to join. Let's keep the momentum going so that our new members will outnumber our lost members!

We had our first Cabinet meeting, and I was glad to see some new faces there. As I said in the last newsletter, all Lions, Lionesses, and Leos are welcome to attend, and we encourage you to do so. You will see firsthand what is happening in our District and perhaps be interested in getting involved. Don't forget to attend the Zone meetings for your Region and also your Region Rally during the month of October and early November. I am looking forward to seeing a lot of new Lion faces there.

We also have Council meeting October 26th-28th and our District is the host for this meeting. The meeting will be held in Grantville this time. It is not that far away, and we hope to see as many Lions from 14 D as possible. Come to hospitably night on Friday night and enjoy snacks and entertainment at no cost. On Saturday, there will be many informative seminars to attend, so put that on your schedule too. It is still not too late to donate a basket to be chanced off at the Council meeting to help offset the District expenses for hosting this meeting.

Just a reminder, I will be giving a patch for all Clubs giving 100% contribution to the governor's goals. Your donations need to be in by April 15, 2013, to qualify. Congratulations to the Quarryville Lions Club for giving 100% to the Governor's goals!

In a World of Service

Greetings from 1st Vice District Governor

Greetings to all Lions, Lionesses, and Leos!

It was a good month for me as my wife, Lioness Patti, and I took a trip to Leader Dog to see how a client is teamed up with a guide dog. It was a great time as I got to meet lots of 1st Vice District Governors from across the United States. It is well worth the trip. If you are ever in that area, stop in and they will give you a tour.

We, the members of District 14D, need to start looking for future leaders to continue our service to our communities. As time moves on, we get older and need new Lions to take the reins and take us into the future. As in our clubs, the positions are there, but we all are busy and feel we don't have the time. It really does make the time fly when you are doing Lions work. Just ask any Past District Governor and they will tell you that the time flies right by you!

The GLT and GMT are working hard in seeking ways to seek new members and leaders for our district. Give them a call for a great program for your club meeting.

Yours in Lionism,

Lion Jack Sauders

October: Sharing the Vision

October is the month to plan vision health projects and work with the visually impaired. Many Lions already celebrate world Sight Day in October. This is a great month to organize a vision screening, volunteer at a nearby Lions Eyeglass Recycling Center, and organize an eyeglass collection or an activity to benefit the visually impaired in your community.

Thoughts from the 2nd Vice District Governor

Lions, Lionesses, and Leos,

Fall marks the beginning of a very busy time for our District. Many of our Clubs have food or game stands at our local fairs and spend long hours raising money for their various charitable projects. I hope all Clubs have a very successful fair season in 2012.

This is also the time of year for our annual rallies. A rally is a good time to get together with other Clubs in your region and socialize and find out what everyone is doing. Every Lion should try to attend their own region rally to learn new things and also to just have some fun and fellowship with Lions from other Clubs. If you want to learn even more, come to a rally outside of your own region and see how they differ from your own group. You might be surprised at what you can learn. Reservation forms for the rallies are found elsewhere in this newsletter.

Our District is also hosting the State Council meeting the weekend of October 26-27. There is still time for your Club or any individual to sponsor a theme basket to help offset the costs to our District to host this meeting. For more information on sponsoring a basket, contact Lion Jamie Carpenter at 717-336-5311 or Lion Sharon Leshner at 717-336-2408. Let's show the state what a great District we have by sponsoring some outstanding baskets!

I will close this month with a quote that I think defines Lions perfectly:

"The best way to find yourself is to lose yourself in the service of others."

We encourage all Lions, Lionesses, and Leos to purchase one of these pins to help us raise the funds needed to host your convention. Each pin sells for \$3.00 and may be purchased from any Zone Chairperson or by contacting Lion Bruce Carpenter at pa14dwiz@ptd.net.

The Lioness Corner

The “Fab 4” are on the move!! They are planning their year of serving those less fortunate and having fun doing it.

Blue Ball Lionesses are having a “White Cane Day” on Sept. 29 at Weaver’s Store. They are also investigating ways to contribute to RAP (Reading Action Program). And they are getting ready for their annual “Vera Bradley/Brighton Jewelry Bingo” to be held on Sunday, Nov. 25. For more information, get in touch with Secretary Lioness Sandi Styer at (717) 445-9446 or e-mail sstyer@ptd.net.

Heidelberg Lionesses are already planning their annual “Xmas Bazaar” to be held on Saturday, Dec. 1st. For more information, call Lioness Secretary Susan Kerschner at 866-1838. They will also sell refreshments at a public sale on Oct. 20, and through their ongoing project of “Adopt a Chaplain” program they have a new chaplain who is stationed in Kuwait.

The Millersville Lioness Club started their year with their annual covered dish dinner and Chinese Auction. They are looking toward Christmas and a “Santa Pancake Breakfast,” gifts for Meals on Wheels, and planning their programs for the year.

Lititz Lionesses’ September meeting was all about business; fundraising was the name of the game. Tickets for a Hoss’s fundraiser were handed out, along with car wash tickets; the Atlantic City trip on Oct. 3rd was discussed, as was their first ever “Rock-A-Thon,” to be held on Main Street in Lititz on Friday, Oct. 12, from 1 to 9 p.m. Come and take a turn on the wild rockers! This club has an ongoing project of contributing items to the “Shelter for Abused Women” in Lancaster. The club also held a necrology service for Lioness Sharon Sexton, who passed in July; she is missed. On the bright side, Lioness Jaris Woller was honored for her years of service as the Club Secretary.

Rally time is fast approaching, and I’m excited about seeing a good representation of the “Fab 4.” You’ll love the entertainment and of course the food from the ladies of the West Earl Fire Hall!

The District Governor will make her official visits to your sponsoring Lions Club, and I know you will have representation of your support at those visits. I wish all of you well in this 2012-13 Lioness year, and I am looking forward to coming to see you.

Lioness Coordinator Kathy

District Implements Reading Action Program

As part of this year's "In A World of Service" theme, International President Wayne Madden has challenged Lions to participate in the Reading Action Program to focus on increasing literacy and access to learning resources through their service. Literacy -- the ability to read and write-- is the foundation for education and social development. Yet, hundreds of millions of adults lack minimum literacy skills and millions of school-aged children are not attending school to obtain them.

The Reading Action Program is a call to action for every Lions club around the world to organize service projects and activities that underscore the importance of reading and address specific needs related to illiteracy within their own community.

PDG Jim Bolin has been appointed chairperson of the Literacy Committee for our District. The letter below, which explains the Lions program, has been sent to all libraries in the District, along with a list of all Lions Club presidents and secretaries. PDG Jim asks that when clubs receive responses from libraries in their area the clubs consider how they can assist the libraries with programs designed to promote literacy. Possible requests may include magazine subscriptions, readers, large print reading material for senior citizens, books for preschoolers, and Braille books. Be ready when your local library contacts your club!

Libraries of Lancaster and Lebanon Counties,

This year our Lions' Clubs are embracing the need to promote literacy in our local communities. We realize that many people around the world and in our own backyard cannot read.

Our hope in contacting you is that you would be able to provide guidance as to where the need is greatest and ways that we may help you decrease this need and improve literacy in our communities.

I have enclosed a list of local Lions Clubs in your area with contact information for the President of each Club. Please feel free to contact them or myself to discuss possible projects you feel would benefit your local community. Together we can hopefully start to eliminate the illiteracy that surrounds us.

We look forward to hearing from you.

Yours in Lionism,

Manheim Lions Will Host B.R.A.K.E.S. in November

Manheim Lions Club will host another B.R.A.K.E.S. Teen Pro-Active Driving School on Nov. 3 and 4. This free, defensive driving program is designed for teenagers (age 15-19) who already have a learner's permit or driver's license and at least 30 hours of driving experience.

The Manheim Lions Club invites all other 14-D clubs to come and observe one of the four 4-hour sessions. Besides saving lives, this program is a great way to get community involvement, promote Lions, and drive membership in your club.

There are a handful of spots open for the Nov. 4th 8 a.m. - noon session. For more information or to schedule a presentation for your club, contact Lion Aaron Henderson @ 717-278-0450 or hendopwd@gmail.com. You can also visit the official B.R.A.K.E.S. website at www.putonthebrakes.com

23rd Ride for Sight A Grand Success!

The 23rd Annual Ride for Sight was a success! There were 89 riders preregistered for the June event, and 46 more registered the morning of the ride. The weather was perfect!

This year the ride started at the Lititz Family Cupboard, Newport Road, Lititz. Eighty-one people had registered for breakfast, but we served 133 that morning. There were 51 people preregistered for dinner, and we served 100. Everyone seemed to enjoy the breakfast, and we expect to see more people for breakfast and registering next year. \$13,100 was raised. \$6,900 was given to SABVI and \$6,200 to Lebanon County Sight, totaling over \$226,000 in the last 23 years.

This year riders did not get a T-shirt unless they preregistered. Instead riders who registered on the day of the ride received a dorag; we were surprised that we even sold some.

The committee thanks all the clubs for supporting the Ride for Sight. Without the help of the clubs we could not do what we do; your support is fantastic. The committee will soon begin to work on something special for our 25th Anniversary. Thank you again to everyone for supporting the Ride for Sight.

Special thanks to PDG Bob and Bonnie Eberly for creating the video for us this year. They followed us on the route and took a lot of photos as we traveled.

At the last minute this year we found out that, due to budget cuts, we did not have the police escort as we had the last few years. The East Cocalico police, the Lititz police, the Wernersville police, and the Reamstown Fire Company came to our rescue. Thank you to all the bikers who helped get us through the intersections where we did not have any help.

Clubs are encouraged to call PDG Walter Leshner to schedule a program that will include showing your club members the video that was created on this year's ride.
