## THOUGHTS FROM DISTRICT GOVERNOR DEB

I returned from the International Convention in Canada on July 9<sup>th</sup> and have much to tell you about our new President and his theme. International President, Joe Preston and his wife, Lion Joni, are from Dewey, Arizona. He has been a Lion since he was 21 years old. His theme this year is "Strengthen the Pride". He believes so strongly in his goals that he has even written a song that outlines his hopes for this Lions year. He is truly an inspiration to all that meet him.

We must "Strengthen the Pride" in many ways. I will feature two of these ways this month with more to follow in upcoming newsletters. The first of these is service with a special focus on children in need. Needs such as hunger, literacy, abuse or poverty are areas where we are able to make a child's life better by the service we provide. Develop a project this year that meets one of these needs and give a child a better life.

Another way to "Strengthen the Pride" is to gain strength through membership development. President Preston has developed the "Ask 1" initiative which challenges each Lion to invite at least one new member during the 2014-2015 Lion's year. Once a prospective member is introduced clubs should be prepare to welcome the new members with a timely club approval, meaningful induction ceremony and a thorough new member orientation.

As our District begins this new Lion's year I hope that we can come together as Lions and provide the service to our communities that is so needed. We all have different opinions and ideas on how to get things done but ultimately we all joined for one reason- --Because we want to SERVE.

## CONGRATULATIONS DG DEB & GREETINGS LIONS!

**Pa. Lions Appreciation Day” was held at Beacon Lodge on July 20. It was a great day of fellowship with Lions of Pennsylvania. Good to see good friends & make new ones. Our International Director Cindy Gregg was with us, having just returned from the International Convention in Toronto. We were entertained by the campers, both children & adults. I spoke to some adults who have been coming to Beacon Lodge since they were children. It is a wonderful experience for young & older campers & more should be sought out to attend. Give some serious thought to finding a child or adult who would benefit from being a camper at Beacon Lodge for the 2014-15 camping season.**

**International President Joe’s theme this year is “Strengthen the Pride”. Acquiring members by “Just Asking” & retaining those new Lions through mentoring, it all helps to “Strengthen the Pride”. If we as Lions would think about the oath we took when we joined: “I take this solemn obligation to attend meetings regularly, to support my club, to contribute my fair share toward the financial support, assist in maintaining, building & STRENGTHENING the membership of my club!!” As our motto is “We Serve”, we look to a proud past & into the future toward the great things we can accomplish in the years to come. Let’s work to make this Lionistic year a growth & a strengthening year!**

**Yours in Lionism,**

**Leadership/Membership seminars/workshops**, in conjunction with the District Global Membership Team, will continue this year prior to each of the Cabinet Meetings. Mark your calendar with the dates in the District Directory and plan to attend. No cost to attend. **Plan your year, set your goals and reach for success as there are so many people less fortunate than we are depending on Lions to make their lives better.**

# ROAR LIONS ROAR!!!!

# FROM THE DISTRICT GLOBAL MEMBERSHIP TEAM

(some material below can be found in the most recent issue of Membership Pulse published by LCI)

## Ask One!

Imagine if every one of our 1.35 million Lions asked one person to join their club. Imagine the huge impact that would have on membership growth and the amount of service we can perform. It starts by inviting your friend, neighbor or co-worker to your club. Get them involved and let them see the benefits of being a Lion first-hand. What we accomplish today and what we accomplish in the future depends on building and strengthening our membership. Start the year right!

## Introduce Family and Friends to Lions Service

There is no one more important in our lives than family and friends. However, many of those closest to us do not know what we, as Lions, do within our communities. Think about undertaking new projects or revisiting existing projects that can involve people outside of your Lions club. There's no better way to introduce what we do as Lions than to invite family and friends to see us in action.

## Promote Your Next Meeting

A press release is a fast, effective and inexpensive way to attract new members who want to be part of the great work you do. Sample press releases are available on the LCI website. They can be quickly and easily customized to include your club's information. Just download the press release you would like to use, replace the bold sections with your club information and submit it to a local reporter at your community newspaper or broadcast outlet.

## Goal setting + Teamwork = Successful Service

Lions are a part of an organization with many members and passionate goals. It's the united strength of these members that results in successful service. Every Lion should be an active and supportive member of their district or club team. Every district and club leader should reach out to team members to ensure Lions experience pride and personal development by making a difference through service.

## The District 14-D Global Membership Team is able to provide support to local Clubs through:

- Assisting Clubs organize and get their Membership Committee going;
- Providing focused presentations regarding new member recruiting and member satisfaction strategies;
- Assisting Clubs organize and conduct membership drives;
- Assisting Club plan and identify annual community service projects
- Facilitate the Club Excellence Process program for local Clubs
- and other needs that local Clubs may need.

**Local Clubs are encouraged to get a good start with organizing for the new Lions Year through effective planning and identifying specific Club goals, including new member recruiting. Your District GMT is available to assist in ways important to local Clubs.**

"As I looked out at our huge crowd, I saw big smiles and lots of laughing by young and old alike. Whole families were having such a great time together; they didn't want the game to end."

"The standing-room-only crowd not only saw some of the greatest basketball in America, they also were witness to some of the funniest comedy routines around . . . . The final score? The Harlem Ambassadors won . . . over the citizens of Franklin County and impacted a lot of lives, young and old alike. Those of us who came and saw and played and danced and laughed 'til we cried, may never be the same again. And that's a good thing."

**WARWICK HIGH SCHOOL**

**WEDNESDAY, MARCH 25, 2015 6:30PM**

DISTRICT 14-D LEO'S will be hosting the Harlem Ambassadors for a special comedy basketball event. This is an event families can enjoy together... laughter, comedy, slam dunks, high-flying hoops... all for a good cause. And you can be part of it!

All funds raised from this event will go to VisionCorps and Lebanon Sight Committee.

Offering a unique brand of Harlem-style basketball featuring high-flying slam dunks, dazzling ball-handling tricks and hilarious comedy routines, the Harlem Ambassadors are a team of talented male and female basketball players that are drug-free, college-educated and positive in appearance. They are committed to giving their audience quality family entertainment and serving as positive role models for kids.

A team of local celebrities -- men and women from our community -- will play against the Harlem Ambassadors and be part of the comedy. Everyone will meet the Ambassadors after the game during a complimentary autograph session.

Lions are a service organization and our motto is "We serve". we have been called to be "Knights of the Blind" from Helen Keller and we do that by providing support financially and volunteering with blind/vision impaired persons as well as our community.

We are proud to announce that our Leos (middle & high school students) also serve in the same capacity and are overseeing this event. This event will specifically impact this age group and they are our future.

"We are proud to provide quality entertainment and lasting memories for audiences of all ages," said Dale Moss, Harlem Ambassadors president. "It's rewarding to give back, especially when the funds generated help build a house for Habitat for Humanity or buy computers for the school library. Please consider helping your community by becoming a sponsor of this event."
