

District 14 D- Details

Sunday, June 4th-Cabinet Meeting Region V

Thursday, June 8th-Lions Manheim Club 60th Charter Night

Friday-Tuesday, June 30th-July 4th 100th Year International Convention

A Message from District Governor Dale High

The Lions year 2016-2017 is rapidly coming to the end. Seems like it just began. It is June already with State Convention behind us and District 14-D Cabinet Meeting coming up. Clubs that did not pay the Governors goals should send their checks to the District Treasure. Beacon Lodge 500 Club checks should be sent to Beacon Lodge Board members. Names should have already been sent to LCIF chair for Melvin Jones Fellow consideration by June 1.

When your club numbers shrink to an unmanageable number consider merging with another club rather than just disappearing. When Lions walk away from a community, we are doing a disservice to that community that depended on that Lions Club for service. First lady Pauline and I want to thank all the clubs in Dist. 14- D for their hospitality throughout this past year.

**Throughout life people will make you mad
Disrespect you and treat you bad
Let God deal with the things they do
Because hate in your heart will consume you too**

Alone we can do so little

Together we can do so much

As a Club, as a District

As a State, and as Lions International

**District Governor,
Dale High**

Thoughts from the 1st Vice District Governor, Bill Brown

May was a busy month, but a fun month. Supported Red Cross Blood Drive with Mountville Lions Club by donating blood. Mountville Charter Night was great fun at their 70 th year Charter Night. It was great to see PID Cindy Gregg, and her husband Tom Gregg PDG there. She gave a very inspirational speech. Rock for Sight was a little rainy and cold. But, it didn't dampen our spirit. Thanks to all that supported and helped with it. Seven Springs was very beautiful, and informative. We really enjoyed everything, and especially seeing everyone in support of State Convention.

-June 4 th Sunday Cabinet Meeting
Region V at West Earl Fire Co.

-June 8 th Manheim Club 60 th
Charter Night

-June 14 School of Instruction
at Lancaster Tennis and Yacht
Club 6 pm - 8 pm.

-June 30 - July 4 100 th
International Convention in Chicago, Illinois.

Still seats available on the bus! Call Deb
Burkholder PDG for details.

My wife and I, are looking forward
to Chicago. I'm sure there will be a lot of information to pass on to everyone afterwards.

Remember to spruce up your club signs along the highways, and streets.

Be Proud of Lionism.

Roar Lions Roar. □

Remember to make
Time for Family, and Friends.
Wishing you all many blessings, and good health always.

Greetings from the 2nd Vice District Governor, Gene Hilton

Greetings Lions, by the time you read this the state convention will have wrapped up, Rock for Sight will have been history, and the Lionistic year will be coming to an end. Don't forget the District Cabinet meeting is June 4. There is another very important event coming up, that would be the school of instruction, Wednesday June 14 at the Lancaster Tennis and Yacht Club. Now I know what you are thinking, you've done this job so long what could we possibly teach you. Bring along another of your Lions Club members. He or she could benefit just by seeing a familiar face. After all, you have to think about the future of the club. The ride to and the ride back will allow you to teach someone else whatever the school missed. Let's fill the school.

Legacy!

Connect with your community by planning a **Centennial Community Legacy Project** during our Centennial Celebration. Legacy Projects are visible gifts to your community that commemorate our Centennial and create a lasting legacy of your service contributions.

Plan Your Legacy Project

All Lions clubs around the world are encouraged to complete a Legacy Project by June 30, 2018. With three levels of participation, there's an opportunity for every club to get involved.

Promote Your Legacy Project

Your Legacy Project is an opportunity to showcase your project and club to the community. These tips can help you maximize this great PR opportunity:

- **Dedication Ceremony** – Host a dedication or ribbon-cutting ceremony and invite your community and media to attend.
- **Social Media** – Share your project on social media and ask your community to share photos at the site of your Legacy Project. Use the hashtag #Lions100 on all your Centennial posts.
- **Local Media** – Send out a press release or ask a reporter to help tell your story.

Report Your Legacy Project

Be sure to report your Legacy Project using the MyLCI Service Activity Report, under the *Community and Culture* activity type. Clubs can earn a special banner patch, and select projects will be featured on the LCI website, social media and LION Magazine.

Start Planning Your Legacy Project Today!

Choose from the project ideas below or create your own to address specific needs in your community.

100TH CONVENTION WILL BE ONE-OF-A-KIND

Lions often declare after an international convention: "greatest ever." Chances are they'll be saying in July: "the greatest ever—ever." The 100th International Convention, set for June 30 to July 4 in Chicago, will be an extravaganza and then some. On tap is an all-star lineup of entertainers and speakers, a stirring torch ceremony to mark the centennial, and, on the last day, signifying that Lions are now looking ahead to their next 100 years, the official announcement of a new service focus (supplementing, not replacing current efforts) and the LCI Forward plan.

Chances are they'll
be saying in July:
'the greatest ever—ever.'

Performing at the convention will be Chicago, the Beach Boys, the Charlie Daniels Band, Patti LaBelle, David Archuleta of "American Idol" fame, American English (a Beatles cover band), Anna Fermin, the Blues Brothers Revue, the African Children's Choir and Edward and Belinda Lee. Former U.S. Vice President Al Gore

will be the keynote. Keller Johnson-Thompson, Helen Keller's great-grandniece, will also speak.

The centennial will be front and center at the convention, and Lions will be active participants in the celebration. During the torch ceremony at the first plenary session, Lions will be given their own mini-torches. The convention hall will feature a dazzling centennial exhibit, unpacking the wonderful history of Lions through interactive and virtual displays.

The gathering in Chicago also will include all the usual elements of convention: the Parade of Nations (on State Street, that great street, no less), the flag ceremony, voting for international officers and directors, seminars and endless opportunities to meet with Lions from across the world. Lions also can book bus tours to Lions' headquarters in Oak Brook or to founder Melvin Jones' remade gravesite in the south suburbs. An option for sports fan is to purchase a ticket for the White Sox game against the Yankees on Thursday, June 29.

Convention is a capstone experience for Lions. Members learn about other club and district projects and make personal connections with international leaders and representatives from headquarters. The week together allows Lions to fully appreciate what it means to be a Lion and what our service accomplishes. At this convention, members will understand and celebrate what Lions have achieved over the last 100 years.

Digital LION

What's a convention in Chicago like? Pretty spectacular. In 2007 Lions were treated to a ghostly oration from Helen Keller, the melodic hits of Glen Campbell and a rousing gospel choir (Oct. 2007 LION). In 1967, the 50th anniversary of Lions Clubs, 48,586 Lions and guests attended the convention and heard from illustrious speakers including U.S. Secretary of State Dean Rusk and film star Dorothy Lamour (July/August 1967 LION). The parade down Michigan Avenue at the 1953 convention drew a crowd of 300,000, and Helen Keller spoke to Lions (September 1953 LION). Read these stories at lionmagazine.org.

“FAB 4” NEWS & VIEWS

Hello “Fab 4” Lioness Clubs!

This has been a busy Lioness month! Let's take a look at what the 'Fab 4' have been doing in their quests to Serve, Too:

The Happenings...

Blue Ball - 22 members, with hopefully 3 new members to be inducted during June's meeting. They are also happy to report that total profits from their Easter candy project was a cool \$12,792.07! In addition, they presented scholarships to deserving Garden Spot High School students during the awards banquet at Shady Maple. And, on Memorial Day, they donated desserts to veterans who paraded at area cemeteries to honor their own.

Heidelberg – There's always something happening with these 19 Lebanon County ladies, and this month is no exception! Bingo was a great success, as they made about \$4,233! And their famous Easter pie sale netted them \$745.74! They also awarded scholarships to 3 very appreciative Elco High School students. Ladies, great job!!

Lititz – These 33 members are winding down the year after having celebrated their 35th anniversary in May. Increasing their membership is a top priority, and happily, there are potentially 2 new members to join their ranks in the near future!

Millersville - 35 busy members. They manned a table for a fun ping pong ball tossing game at the recent May Saturday in the Park event held in Millersville. Check out the post on our FB page to see an action shot of Lioness Danelle Bechtel! In addition to the monthly bingo at Brereton Manor, the members continue to collect the following: aluminum tabs, hearing aids, eyeglasses, cancelled stamps, box tops, manufacturer's coupons, food donations, and prescription containers.

The News and Views...

As of this writing many Lioness/Lions are attending the great State Convention being held in Seven Springs. Check Facebook for regular postings of convention events, as there is so much happening! In addition, the Centennial International Convention will soon be unfolding in Chicago, and that promises to be a fantastic event! Everywhere you turn there are such wonderful opportunities to form new friendships while gaining valuable knowledge and unforgettable experiences. And everywhere you turn there's a Lioness/Lion at your side, ready to guide you every step of the way on your personal journey: Count on it! Just as the Lions count on you and the world counts on the Lions!!!

Keep in mind that the newsletter editor, Anita Gordon, will gladly include your posters and flyers for all to see and share. Don't forget to check out our “[District 14-D Lioness Clubs](#)” Facebook page, everyone! As always, many thanks to the “Fab 4” Lioness Club members for the super work they do each and every month to help better their own communities. WE SERVE, TOO!

Let's Celebrate 100 years of Lionism!!!
