A Message from District Governor Bill Grager, Jr

I find it hard to believe that yet another year has passed and it is even harder for me to realize that my term in the office of District Governor is half over. To date, I have thoroughly enjoyed visiting your Clubs and look forward to the Official Visits yet to come. I also appreciate the support our District has been in helping us accomplish many of the goals we have set in serving our communities, locally and globally.

It is with deep regret that I inform you that Lion Roy Estes has resigned the position of First Vice District Governor. Working through multiple health and family issues has become a priority for him and we certainly support his decision in keeping his family first. We greatly appreciate all the service Lions Roy and Evanna have provided and continue to provide, and as their Lions' family, I ask that we keep them in our thoughts and prayers.

I am pleased to convey to you that District 14-D remains stable with our membership numbers, showing a net gain of 42 members at the end of calendar year 2019. This is outstanding in consideration of the enhanced and expanded service our Clubs can provide as we engage these new Lions. May we continue to grow our Clubs which in turn grows our service. Thank you for all your recruitment efforts and I look forward to inducting some new members in the weeks to come. This is an exciting time as we bring some fresh ideas and excitement into our membership. I also appreciate how we have engaged our existing veter-

an Lions and all of the many services you have provided throughout the recent holiday season. We certainly have shown that we care and are willing to serve others through our many efforts. Roar On, Lions!

You will notice that many upcoming activities and opportunities to engage in service appear in this Newsletter. Please consider supporting these endeavors within our home Clubs and in our neighboring Clubs. In doing so, we can keep 14-D "service-strong" and help so many who are less fortunate than we. The intrinsic rewards we experience through the service we provide spurs us on to accomplish even greater things for our communities. I would like to note that the Region and Zone Chair seminar originally scheduled for February 29 is postponed. We will let everyone know when it is rescheduled and will incorporate information on an upcoming initiative that I believe will prove to be most helpful to us.

Please take note to the flier in this edition regarding the Melvin Jones and PA Fellow Breakfast to be held on March 14. This breakfast gathering is for all Lions, Lionesses, Leos, and guests. The deadline for reservations is February 21. I look forward to seeing many of you there as we celebrate service and fellowship together. Council Chair Bill Morgan will be our guest speaker.

The first order of business for 2020 will be filling the office of First Vice District Governor. The process to do so is in place compliant with the mandates set forth by the Lions Clubs International Constitution and By-laws. When this task has been completed, I will let you know.

As we begin the year 2020, may we do so with grateful hearts and a renewed sense of compassion and dedication as we work together to serve humanity. I wholeheartedly applaud all that you do throughout our communities and am humbled and proud to be part of it all. I pray that this year be our most meaningful year ever and that you and your families have a very Happy New Year!

Message from the 2nd Vice District Governor, Dick Sware

I hope that everyone was able to take some time to relax with family and friends over the holidays. It's a great time to reflect and recharge.

It is so hard to believe that 2019 is behind us and with it half of this Lions' Year. I'm not sure where the time went. It seems that just yesterday we were returning from our great trip to Milan, Italy and we were preparing for the upcoming year.

There are several leader training opportunities through the next several months. If you haven't attended the Regional Lions Leadership Institute (RLLI), please do all you can to attend the one we are hosting this March in Harrisburg. Our own Past Governor (PDG) Deb Burkholder is the State Global Leadership Team (GLT) Leader. I know that she will again have a great program that is staffed by Passed International Directors, Past Governors, and other Lions Leaders.

As we begin January, we also begin getting into heart of winter. Winter brings many challenges for us all. There will be travel challenges with extreme cold, ice, and snow. The extreme cold also brings about its own challenges, not the least of which are the potential for exposure to the cold and the health risks that imposes. Please stay safe and warm.

Service Activity Reporting Questions/Answers

As the District 14-D, District Administrator, I have been asked several questions about reporting Service Activities using "MyLion".

If I cannot answer a question I have been asking the Multiple District GLT Coordinator, Past District Governor Tom Gregg for answers and/or explanations

Following are the Answers which I received from PDG Tom pertaining to reporting a "Donation"

Is a "Donation" a "Service Activity"?

A "Donation" is a service activity and should be entered using "My Lion" as such

If So, What Should be enter as Number of Volunteers and Hours

The number of Volunteers is the Number of Lions at the Board Meeting when the donation was approved.

The hours would be the number of Lions at the meeting times the length of the meeting. The only time that would change is if the receiving organization comes to a meeting to get the check. Then it would be the sum of both meetings.

If you have any questions on Reporting Service Activities please do not hesitate to contact me, PDG Bruce Carpenter at pa14dwiz@ptd.net

“LIONESS OF DISTRICT 14D NEWSLETTER”

JANUARY, 2020

HAPPY 2020!!

Unbelievable, how fast 2019 flew through the universe! A good year or a bad one, it is all history & the future beckons! In the world of Lionism it is our job to take that future, shake it up & set our sights on a new journey of serving our community & beyond in better ways. It is also a time to shake up our clubs & perhaps begin a new journey of growth. We need to grow our numbers, attract people in our community to want to serve with us & entice them by changing the way our clubs from the inside so it is visible to the outside.

It is a challenge, at this point, to write these articles especially with only 2 remaining Lioness Clubs in our District. It is a sad fact but a reality, not only affecting your club, the District & the many that you all have served through the years. It is time to move forward in the best way that will have the most affect to benefit all.

I spoke of the New Year & Blue Ball Lioness President Dae put it most elegantly:

“RECIPE FOR A HAPPY NEW YEAR”

Take 12 fine, full-grown months, see that these are thoroughly free from old memories of bitterness, rancor & hate, cleanse them completely from every clinging spite, pick off all specks of pettiness & littleness, in short, see that these months are freed from all the past & have them fresh & clean as when they first came from the great storehouse of Time. Cut these months into thirty or thirty one equal parts. Do not attempt to make up the whole batch at one time (so many persons spoil the entire lot this way), but prepare one day at a time. Into each day put equal parts of faith, patience, courage, work, (some people omit this ingredient & so spoil the flavor of the rest), hope, fidelity, liberality, kindness, prayer, meditation, rest, (leaving this out is like leaving the oil out of the salad dressing – DON'T DO IT), & one well selected resolution. Put in about 1 teaspoonful of good spirits, a dash of fun, a pinch of folly, a sprinkling of play & a heaping cupful of good humor!

Thank you President Dae for bringing some common sense into the equation of life amid all the chaos.

My wish for 2020 for all is good health, common sense, a zest for life & keeping old friends close & making new ones.

Yours in Lionism,

Lioness “Co” PDG Lion Kathy

P.S. My computer has been “acting up”, any emails should be sent to pdgtom@ptd.net, or pick up the phone!

Hi Lions,
This is a No Cost to Lions Clubs to do a Service Project. Just tell Veterans, Neighbors, Family members that if they have trouble reading, or understanding their prescription labels. And Script Talk RX Reader will be mailed to them, and they will tell you where participating pharmacies are. It is a loaned Rx reader to those that need it. No Cost. When done with it, just mail it back to them. No extra cost for prescriptions. They put a RFID label on the bottom of bottle, and RX reader reads the instructions to you. They can even put RFID labels on cat, or dog prescriptions bottles.

Veterans and Pharmaceutical Companies started this.

Veterans call their VIST coordinator, and they receive a permanent Script Talk RX Reader

Plus, if you tell Script Talk a Lion sent you, you will receive a free case, worth \$25.00 to carry your Script Talk Rx Reader.

ACCESSIBLE PRESCRIPTION DRUG LABELING FACT SHEET

Accessible Prescription Labels are special labels provided by pharmacists to patients who have a visual or print impairment.

A person who requests accessible labels receives their medications with a regular printed label, called a 'legal' label, and a specialty label, called an 'auxiliary' label, which could include large print, talking and/or Braille labels, depending on the needs of the patient.

Accessible labels are provided at no additional charge.

Large Print Labels

A label printed in high-contrast large font is attached to the prescription container.

A 2D bar code offers access via mobile phone applications.

Talking Labels

A small electronic tag is attached to the container. **The tag contains the same data found on the printed label.** A prescription reader reads the label information out loud.

Braille Labels

A clear adhesive Braille overlay is placed over the printed label for **quick identification.** **Braille labels are often used in conjunction with talking labels.**

WE SERVE!!

This is the location that suffered flood damage back in August 30, 2018 in York County that Jim and I went there this morning to deliver packing boxes and check the disaster unit that was delivered this week to prepare for storing personal items so work could be started on the living quarters in the basement plus repairs to the roof and general cleanup. Jim said to send pictures to you so you can share or do what you want to do with them.

WE HELP!

Christmas in Christiana held by the Christiana Lions We went through 500 WaWa drinks, 400 bags of chips, gallons of hot chocolate, dozens of cookies and 300 cupcakes. All that was left was about 3 dozen cookies. It was a nice crowd of people through the day, with 538 people and 3 dogs on the hayrides.
