A Message from District Governor Bill Grager, Jr

As you read this message, I am in Milan, Italy, attending the Lions Clubs International Convention. Upon my return, I will hold the position of District Governor. It is hard to believe that all the training of the past two years has finally brought me to this position, and it's even harder to believe how incredibly quickly the next twelve months will fly by. I thank you so very much for the opportunity to serve you in this capacity, and I am humbled to do so. I thank you for your support thus far, and I ask for your continued support as we embrace an exciting year together. As we continue and expand our service activities within our communities and beyond, let our motto ring forth, "We Serve."

My theme for the year is "Vision 20-20." This refers to not only seeing clearly, but also how we envision our Clubs in the years to come. Where do we want to be, how do we plan to get there, and who will help maintain our mission of service? These are all questions we must ponder together and we must work together to maintain strength and unity

throughout our District. It is my honor to serve with you and imagine the possibilities together.

I congratulate the Gap Town Clock Centennial Club on a very successful Business Mixer on June 12. This was a great time of good food, fellowship, networking, and inducting three new members into the Club. I also congratulate the Schoeneck Lions Club on a successful Ride for Sight and Farewell Carnival on June 15. What a beautiful day! Many thanks to PDG Walt Leshner, Lion Sharon Leshner, the Schoeneck Lions Club, and all Lions who offered their support for the phenomenal contributions to Vision through the years!

As we begin our year together, it is my intention to attend as many of your many functions as possible. Please keep me informed of your upcoming events, and please post them in our District Newsletter. Please keep PDG Bruce Carpenter updated as well so that they can be included on our web site calendar.

Upon my return from Milan, I am sure that I will have many more thoughts to share with you. I will do so via my monthly message, Zone and Cabinet meetings, and my Official Visits to our Clubs. For now, please make sure that your Club's membership roster is up to date in LCI, report membership monthly, and please report service monthly. This is paramount to our continued success, growth, and access to much-needed funding when the need arises. I thank you in advance for your help with the reporting task. If you need assistance in this area, please contact me individually and assistance will be provided.

Specific events to consider adding to your calendars are: State Council meeting, August 2-3 (with training on MyLion at 8:00 AM on Aug. 3); Passing of the Banner, August 10; Cabinet meeting, August 18; Key Member Picnic, August 22. I encourage everyone to attend the Council meeting in Harrisburg on August 3 for the MyLion training session. Please see all relevant dates and activities as posted below.

I wish you all a wonderful summer, a rewarding time of planning for upcoming activities, and great success in the upcoming year. Roar on Lions, We Serve!

Message from the 1st Vice District Governor, Roy Estes

Chicken little said; The end is near the end is near. Not Lions! Lions say; **We are ready to serve. Are you ready.** What an exciting year we had, and we can do even better in the coming years. The thing about changing leadership every year is we get new ideas and new ears and new ambitions. We get to expand our horizons into other areas of concern & need. All while focusing on serving others and making the day a little bit brighter for someone else. Take a simple egg hunt. For years my club focused on hunting eggs and giving out chocolate rabbits and coloring books. Until someone said their child could not have the candy due to an allergy. Their child would donate his/her labors to another child. (Now is that a Lion in the making or what). They're out there we just have to find them and ask. Thinking of others is what Lions is all about. But you can bet, next year we will

have other options for that child. But if he/she has a giving heart they may just give that away also. Lions can't fix everything but we try very hard when we see a need.

The coming weeks have a lot of activities approaching some fun and relaxing after a hard years work, some to allow us to better serve others next year. Keep a close eye on www.lionsdistrict14d.org calendar & the District 14D & club newsletters, fliers and registration forms, www.palions.org; www.lionsclubs.org And in the new MyLion app, @ MyLion.org,. Create a log in and password and start exploring MyLion.

Upcoming events; On 7/1 Mountville and 8/2 Lancaster lions clubs are having very much needed blood drives. 7/14 is Beacon Lodge's Lions appreciation day see flier, the 7/8 sign-up deadline is fast approaching, a great memorable event to attend. 7/18 West Earl Lions @ Timbers w/ food and entertainment. 7/21 Hempfield Lions @ Paint & Sip. Both sound like lots of fun. 7/28 is the voting cabinet picnic. 8/2-3 is the first State Council meeting. 8/10 is passing of banner, another great event. 8/18 is the first 2019/2020 cabinet meeting. Very close to home, and would be a great chance to learn what goes on at cabinet & state levels. You can be part of the future of Lions by working with the organization on all levels. The Lions need your thoughts, experience, knowledge, ideas and wisdom. Be part of the next generation of Lions, show an appreciation of the great things all the past great lions have done.

Ok time to pack for Milan wish me luck in travel.

Message from the 2nd Vice District Governor, Dick Sware

I am amazed at how quickly this past year has gone. What a whirlwind. It seems that we were just in Las Vegas at the International Convention where International President Gudrun Yngvadottir became our first International President from Iceland as well as our first female International President. Next came the fall and I was asked to consider running for 2nd Vice District Governor. The District Convention came quickly even though it was 6 months later and the elections of DGE Bill Grager, FVDGE Roy Estes, and me as SVDGE occurred. The State Convention followed in May where we were able to meet and converse with our International President and Pennsylvania's Past International President Joe Wrobleski. There are some wonderful pictures from the State Convention in the District Newsletter.

As I write this, we are on the brink of another Lions year. It begins again with the International Convention where Lion Bill Grager will be installed as Governor of District 14-D. Hopefully, Past Council Chair Larry Edwards will be elected to the position of International Director adding a new member to our Multiple District's International Family. The convention should be a great time in a beautiful city and country. I look to come back energized and ready to begin the year.

This should be a great year for our District. I am very excited to be a part of the District Leadership Team with District Governor Bill Grager, 1st Vice District Governor Roy Estes, our Global Action Team Leaders, our Region Chairs, and our Zone Chairs.

Upcoming events already scheduled for the new Lions year include:

Lions Appreciation Day at Beacon Lodge	July 14
Passing of the Banner from Marietta Lions to Willow Street Lions	
August 10; 6 PM	Meadia Heights Country Club
1 st District Cabinet Meeting	August 18 Willow Street Lions Community Center
Key Member Picnic	August 22 East Earl Community Park

Information and registration for all upcoming events can be found in the Newsletter

I look forward to serving with each of you and your Lions Clubs through the year. Please don't hesitate to contact me if you need any assistance that I may be able to provide you.

Yours in Service through Lions,
Lion Dick Sware

Sunday, July 14, 2019 has been designated as "Pennsylvania Lions Appreciation Day". This is the day to recognize Immediate Past District Governors, District Liaisons, and all Lions, Lionesses, and Leos, for their outstanding support of the Beacon Lodge Program.

“SPECIAL 2” LIONESSE CLUBS OF DISTRICT 14D

JULY, 2019

We’re in the middle of the lazy hazy days of summer & the beginning of another Lioness & Lions year. A new DG, Bill Grager and the new officers for all clubs. The Blue Ball Lionesses recently lost a long time member, Ginny Hummer & are now 24 strong & Heidelberg Lionesses stand tall at 17 members. I notice that the clubs are doing their annual summer picnics but are also still serving in many capacities & preparing for the 2019-20 Lioness year. I commend the incoming Lionesses in both clubs for stepping up to serve in official positions. Some say they would never want to be President, I always said that being president is the best position, a position that presides & delegates!! Blue Ball incoming President Daenett Shivery, in her thoughts on serving, made a very good point when she said, “one of my main goals, with the aid of fellow members, is to let our community & the surrounding areas know what our Lioness Club is about & the good we do. I think we need to raise our profile within our community which may increase membership.” Take notice of her remarks & I’m not just talking to Lionesses! All members of our organization should work toward spreading the word of Lionism, what we do, how we serve & our pride in saying; YES I AM A LIONESSE, LION, LEO!! We seem to be the best kept secret &, rest assured, we are not a secret organization. So, as President Dae says, in so many words, START ROARING!! Thank you Pres. Dae, for reminding us of our calling to serve in a BIG WAY! I wish good luck to all as you continue to serve & especially the officers who have taken on the challenge of leading your club into a future filled with new ideas, enthusiasm to make it the best year ever! On a side note, PDG Tom is home, receiving in home therapy & showing signs of improvement. Thanks to those who sent cards, it was appreciated. I have learned to be more patient & I am well aware that many of you have been in the same situation one way or another. Hopefully we will continue to see improvement, but never fear, Nurse Ratchet is on the case!!

Yours in Lionism,

Lioness “Co” PDG Lion Kathy

Palmyra Area Lions Club Aids Open Word Ministries

Over the last years, the Palmyra Area Lions Club has provided aid to Open Word Ministries(OWM), based in Mechanicsburg, PA, in preparation for their third eye clinic in Kenya this August. The club has shown support through donations of over 1500 collected eyeglasses and the purchases of a Lensometer to "read" the prescriptions on the glasses and a Trial Lens Kit to be used in the clinics.

OWM Executive Director, Sondra Spotts, has been active in ministry in Kenya since 2008. She has organized missions trips and free eye clinics, overseen the building of a children's home, and begun a child sponsorship program for 50+ Kenyan children. Presently, Open Word Ministries is overseeing the construction of a larger children's complex there, which will be home to at least 65 orphaned children. The upcoming clinic will provide free eye exams and glasses as needed to area residents of Kenya.

For more information on Open Work Ministries, or to schedule a presentation from Pastor Sondra Spotts, visit: <http://www.openwordministries.net/>.
