

District 14 D- Details

Because of the Covid-19 all activates have been postponed for the safety of our members and community.

Please everyone stay safe. Help were you can in your community. We still serve as Lions were there is a need

A Message from District Governor Bill Grager, Jr

It is difficult to realize that I submitted my first address to our District Newsletter three years ago, and now I am writing my final address as District Governor. I am so very grateful to all our Clubs for the support, service, and encouragement throughout my three-year journey in District leadership. I thank you for your tremendous service to the community and to each other as we have met the challenges before us and celebrated our many accomplishments. As we continue to meet virtually and practice social distancing, our service continues, perhaps in stronger ways than ever before.

Where there is a need, there is a Lion; we currently see so many needs around us and I challenge us all to meet them whenever and wherever they arise.

When I visited our Clubs this year, "Leo the Leader Dog" came with me, supporting my passion for this awesome philanthropic organization. You all responded very positively and were very generous with individual contributions to my campaign. I am pleased to announce that during the course of the year, Leo accumulated \$2255.63 through your generosity. Since the State Convention was cancelled, I mailed a letter with a check in this amount enclosed, on behalf of the Lions, Leos, and Lionesses of District 14-D. I had the opportunity to address this endeavor via a Zoom meeting with Leader Dog and several of the upcoming coordinators from across the state. Thank you from the bottom of my heart for your gracious support. A letter of gratitude and acknowledgement from Leader Dog is included in this Newsletter.

Considering the ongoing restrictions under which we are operating, I have not included a "14-D Details" nor an "Official Visitation" schedule in this edition. I am sure that we will meet in person whenever we can, and until then we will continue to conduct business virtually via Zoom, email, teleconferencing, and in some cases US mail. We have adjusted the way meet, but the important thing is that we continue to meet and continue to provide service in the manner our communities have become accustomed. I thank you all

for your continued service activities, Club and individual, and for keeping District 14-D functioning at a high level. For your ready reference, I have provided some pertinent updates for our District in a separately published memo in this Newsletter. Please take the time to read this document in its entirety and let me know if you have any questions or need clarification.

Our final District Cabinet meeting, scheduled for June 7, 2020, will be held as scheduled. It will be conducted via Zoom and a separate memo regarding this event has been emailed to our membership. This meeting will be facilitated/hosted by our District Administrator, PDG Bruce Carpenter. Voting Cabinet will meet at 1:30 PM and the full Cabinet will meet at 2:30 PM. Should you have any questions regarding this procedure, please let us know. A "dry run" Zoom meeting was held on May 27, 2020 to (hopefully) address any glitches that may occur.

As we continue to meet virtually and continue serving our communities with all the prescribed cautions in place, I ask that you continue reporting your monthly membership and service. MyLCI is down at times for maintenance, but please don't become discouraged. Hang in there and reporting will become current in due time. International is experiencing the same constraints as are our individual Clubs. 14-D is strong and we will overcome these challenges. On a positive note, our District shows a net gain of 40 members during the 2019-2020 Lionistic year. Congratulations not only to the Millersville Lioness Lions Club and Heidelberg Lioness Lions Club, but also to our long-standing Clubs for all your recruitment and retention efforts. This membership gain is not to make us look good, it is to sustain and enhance the outstanding service we provide throughout the District. Roar On Lions!

There have been many emails coming your way, some forwarded by me and some written by me. I believe that communication is imperative to strong community leadership and service. Please stay alert to all the information that comes your way, and be sure to share with all Club members. Not everyone has email and we certainly don't want to omit anyone from essential information.

Finally, I again thank you one and all for your support in what I consider to be an outstanding year; outstanding in service, outstanding in accomplishments, and outstanding in creating a vision for the future. When I chose my theme for the year, "Vision 20-20", I had no idea that the year would come to a culmination during a global pandemic. But the manner in which our Clubs have stepped forward to continue meeting and serving is truly bringing the pipe dream I envisioned to fruition. I am encouraged that the Clubs of District 14-D are providing visionary service and are making a positive impact locally and globally. I am truly humbled to have served as your District Governor through the last 12 months, and I look forward to continued work with you in the months and years to come. And in the event that our paths may never cross again, please know that I am richly blessed because they did once.

As we welcome our new District leadership for the upcoming year, I ask that you all provide DGE Lorraine, 1VDGE Dick, and 2VDGE Carl all of your support for another great year. My plight is to support them with all my heart, and join you in promoting Lionism wherever I go. I wish our new leaders all the best for a tremendous year.

As we await the upcoming events that impact our actions, please be cautious and stay safe. I wish you God's speed and richest blessings for your all.

In Friendship and Service,

Message from the 1st Vice District Governor, Lorraine Brown

Hi Lions, Lioness, and Leo's,
Summer is here. And, I hope everyone is enjoying the flowers in your gardens. Time is flying by so fast. Hopefully your clubs are meeting by tele-conference, or Zoom meetings. Your communities really need us now, because of high unemployment, and State restrictions because of the Coronavirus. My Official Visits will probably start later because of the different phases. Unless clubs would like to do tele-conference or Zoom Official Visits. I will respect the PA regulations. But, I am looking out for your members health, and my families health. I will be getting in touch with clubs in July. There will be a Certified Guiding Lion training, as soon as we can, due to the Coronavirus.

The course requires a test after instruction.
Remember to see good in people, Smile, and
Laugh often. Cherish family and friends.

Message from the 2nd Vice District Governor, Dick Sware

We are rapidly approaching the end of another Lions Year. And what a year it turned out to be. Congratulations are in order for our District Governor, Lion Bill Grager. He faced more trials during this year than any other District Governor. Hopefully those succeeding him will not face such a tumultuous year. WELL DONE DISTRICT GOVERNOR BILL!!!!!!

As I write this, we are preparing to begin the recovery from the COVID-19 Pandemic. I look forward to being able to gather with family, friends, and fellow Lions once again as we get into the warmer weather. We will again be able to get out and provide the SERVICE as only Lions can. More people than ever will need our assistance.

Given that there will be more people needing our assistance as we get back to serving our communities, it becomes extremely important that we increase our membership. As English writer John Heywood wrote, "Many Hands Make Light Work". Let's all talk to our neighbors, our family, and our friends about the rewards of service through Lions. Let's make it our personal goal to bring in at least 2 new members to our clubs. Think how much fun Lions will be when you are serving with your friends and family.

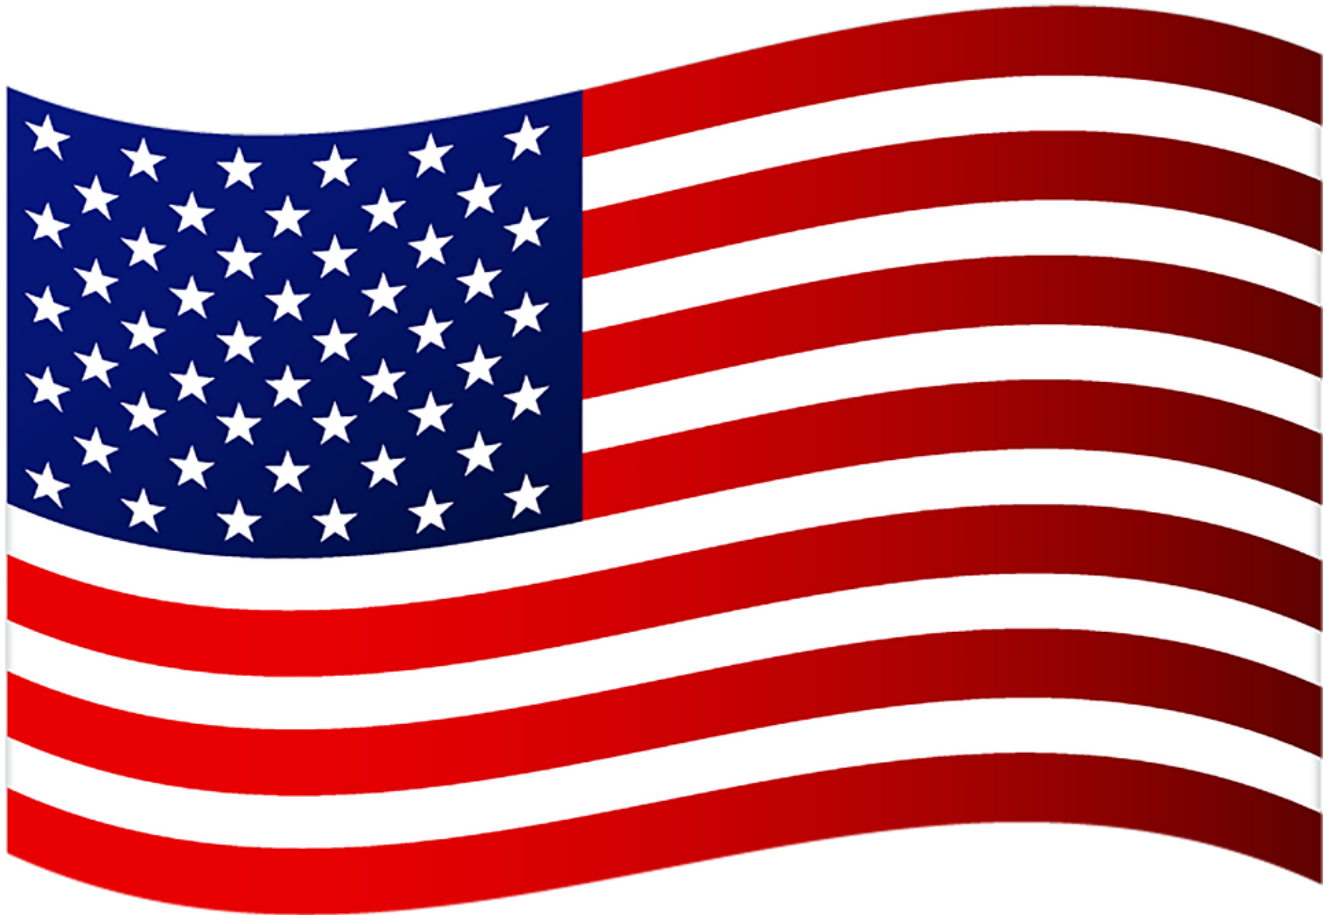

With returning to a new normal, it is still important that we wear masks and keep social distancing as we begin to be out and about more. Hopefully, the numbers of new cases and deaths from COVID-19 will continue to decline and we can get closer and closer to life as we knew it before the Pandemic.

Please stay safe and healthy.

Cabinet Member Partner in Service Informational Meeting

Hello Fellow Lions, Lionesses, Lioness Lions, and Leos,

I continue to hope and pray that all are staying safe and well through this tumultuous time in our lives. Our hearts go out to those who have personally, in one way or another, been affected by COVID-19. These are difficult times, where we as Lions not only serve others but need each other most.

It is hard to believe that this 2019-2020 Lion Year is nearing completion. Vision 2020 brought us together as 14-D Partners in Service once again, with great success. The suggestions were heard and we made it happen. We may not have been strong in numbers but we were mighty in spirit! Speakers were scheduled throughout the year bringing presentations to us, giving our group information as to how we could help their cause. We communicated these presentations via the newsletter and by taking the information back to our clubs.

Let me try to put our year in a nutshell for you!

Lion Becky Williams, District Committee Chair of the Reading Action Program (RAP) and member of the Lancaster Lions Club, introduced us to the RAP program. Becky presented the group with a wealth of information, giving us ideas and sharing ways we can reach out to help children and adults with exposure to books, literacy programs and increase the awareness of how important it is to support our communities with these efforts. I believe there were a few clubs that have displayed pop-up libraries in their communities, awesome service!

On November 10th we met Gail Rittenhouse, Executive Director of the Lancaster County Food Hub. Gail educated us on the outreach program of The Hub. The Hub, located at 812 N. Queen St., Lancaster and exists according to this mission: Serves with faith & compassion, helping their neighbors thrive through sharing the resources they need most: food, clothing, shelter and vehicles. Gail provided us with an abundance of information. When asked, "how can we help", she replied by revealing to us their largest needs. We did a canned food and clothing drive. 30 lbs. of food were collected along with 46 lbs. of clothing. Lion Jeanie Sware volunteered to deliver the goods to The Hub, thank you Lion Jeanie!

Our last meeting that we were able to assemble in person was held on February 16th. Our guest speaker was Sara Johns, Executive Director of Mom's House of Lancaster. Sara's presentation included a Power-Point about Mom's House that explained their purpose and service to the surrounding communities. She also expressed some ideas of how we, as Lions, can help through donations, volunteering or by contributing to major project needs.

Thank you to all of District 14-D, especially to the Partners in Service! It has been my honor and pleasure to serve as your First Lady of our District Governor Bill Grager for the 2019-2020 Lion year. What a learning experience. I so much enjoyed visiting as many clubs as I did, some of the best meals AND deserts around. Thank you for having me as your guest. You are all unique and yet have the common goal of providing funding and service to your communities. It warms my heart to see the commitment and dedication our district has in promoting Lionism. You all have inspired me and left an unforgettable impression on me. So much so, I will be going in as Vice President for the Willow Street Lions Club this coming year!

I cannot close this without expressing my sincere appreciation of support that was given to me for participating in Vision Corps Over the Edge! From the Lion costume to the monetary giving as well as coming downtown to cheer me on as I rappelled. You are an awesome group of people that I am blessed to know and be a part of! I look forward to "going Over The Edge" again in November and hopefully we will have a team together from 14-D for the event!

From the bottom of my heart, thank you!

Lion Sharon Grager

"DISTRICT 14 D LIONES NEWSLETTER"**JUNE, 2020****HELLO BLUE BALL LIONESSES!!**

It dawned on me this morning, after receiving your newsletter from Lioness Secretary Sandi, that I better get on the stick & write the monthly letter for the District newsletter! Since your Club is the last of the Mohicans, I'll make it very personal, just for you. Congratulations to Lioness Letty for the "Lioness of the Year Award"! I was so pleased for her.

This, as you all know, is a very strange time for everyone. As we've all been told, "We are in this together", but looking at the news & the crowded beaches of the Memorial Day weekend & the crowded gatherings with no masks, I'm not sure that everyone is "in this together". We all want the freedom that we have as Americans & getting back to normal. That normal may not be the same as before the "Covid".

I was glad to hear that you are planning your Club picnics. You have to get out there safely & feel the warmth of fellow Lionesses. You have also been serving as best you can which is admirable. District Governor Bill certainly has had a strange year & incoming District Governor Lorraine will experience a "different" year also. I haven't been able to visit this year, but I've been aware of all that you have been doing to continue to be a beacon of light for the community that you have been serving for years.

I have enjoyed, through the many years, my position as District Lioness "Co" but I feel that it is time to ride off into the sunset. I appreciate all the Lioness Clubs have done in the past years & the respect shown to me. I wish you well for the 2020-2021 Lioness year as you step into it with new officers & if you, at the last minute, decided to "bridge", I am right there with you, cheering you on. I'm sure that if you have any questions, incoming DG. Lorraine will be there to advise you.

Wishing you all well,

Lioness "Co" PDG Lion Kathy

Dear District 14-D,

Thank you for your impactful donation to Leader Dogs for the Blind! Your generosity plays a vital role in empowering the visually impaired through safe and independent travel.

Because of Lions, Lioness and Leos, Leader Dog clients like Heidi (photo with Leader Dog Lincoln) are more self-assured in their day-to-day lives. Heidi had this to say about her Leader Dog, Lincoln, just days after completion of her training, "He has already changed my life, I have more confidence. Using the cane is helpful, but I hesitated a lot because I was afraid of hitting people. I feel more normal because I can get around like everybody else."

With your kind support, clients receive personalized training and are matched with the Leader Dog that best fits their lifestyle, travel pace, physical size and other important considerations. We are also able to provide other opportunities like one-on-one Orientation & Mobility Training and a specialized Summer Experience Camp for teens, which allow for more blind and visually impaired individuals to learn critical skills to be more confident, happy and successful.

Please contact Lion Kathy Gilchrist, Lions Relations Specialist, at 748.659.5012 if you have questions regarding the impact of your gift.

On behalf of all the people we serve, including the members of your community, thank you so much.

With gratitude,
