A Message from District Governor Bill Grager, Jr

It is hard to believe that some of the most celebrated holidays in our calendar year are quickly approaching. November is definitely a time of reflection and I challenge us all to spend some quality time with our families, pondering the many blessings that have been bestowed upon us. And may we be truly thankful that we have the ability to serve those less fortunate than we. It is a time when our servant hearts beat fast and strong, and I thank you for all you are doing for the communities of District 14-D and beyond.

November is Diabetes Awareness Month. I hope that you will consider conducting a screening or other event to disseminate information to promote awareness. This provides service to young and old alike and through your endeavors, you may just save a life or lives. Thank you for supporting this great initiative.

Our Region Rallies, 2019, are now in the archives, and what an awesome time of celebration. It was great seeing so many of you in attendance, fellowshiping with fellow Lions, Lionesses, and Leos in neighboring Clubs.

Congratulations to all our award recipients, and to our entire membership for emulating our motto, We Serve!

Our District statistics at this point stand at 45 active Clubs, 1349 members, realizing a net gain of 46 members this year. I congratulate our Clubs that have increased membership and the new members who have joined the wonderful realm of service known as Lionism. It was an honor for me to induct some of these new members, and at this writing, we have a few more to be inducted by October 31. I look forward to seeing our membership numbers increase for November's reports, realizing what great enhanced and expanded service we can provide throughout our communities.

There are a number of training opportunities in the near future, and I sincerely hope that you will take advantage of them. MyLion training will be conducted on October 30, 6:30 PM, at the Brickerville Fire Hall. Bring your laptops as WIFI will be available. Our District Administrator, PDG Bruce Carpenter, will be the trainer and avails himself to provide assistance to you at any time. Please don't hesitate to capitalize on his expertise. Zone and Region Chair "Nuts and Bolts" training will be conducted on November 6, 2019, at 6:30 PM, at the Lancaster Tennis and Yacht Club (LTYC). Club Officer training will also be conducted on November 20, 2019, 6:30 PM, at LTYC. I look forward to seeing many of you at any or all of these offered sessions. Please check the information published in this Newsletter for details on all events and opportunities. And don't forget to include the District Cabinet meeting on your calendars for November 10, 2019.

As we continue to *recruit*, *induct*, and *engage* our members, I can only ponder the endless possibilities that we have in serving our fellow citizens. As International President Choi has stated, all people should live with dignity and have their needs met. That's what we do fellow Lions, we meet needs whenever and wherever they arise. I am very appreciative of and humbled by your service, and I wish you and your families a very Happy Thanksgiving!

Message from the 1st Vice District Governor, Roy Estes

By the time this news letter comes out the Region Rallies will be over. What a great gathering of dedicated Lions. I hope you took advantage of this opportunity to reenergize & joined in and had a little fun, a good meal, and supported our fellow Lions as awards and certificates of appreciation for their years of service and hard work are handed out. Congratulations to all recipients! I enjoy all of the rallies I think any Lion who doesn't attend is missing the point. Support your club members # 1; your club; and raise funds to support our district; avoid district dues.

The LCI/MyLion training opportunity will also be passed, I hope you attended and were helped by this effort to keep us up to date. Technology is here to stay. Our world is changing and Lions have to change with it. We owe a lot of gratitude to our seasoned Lions. But we also have to support the lions who will follow in our footsteps. And their efforts to adapt to a changing world. Who ever thought you

could talk to another lions on the other side of the world and compare ideas so easily.

Are you looking for someone to follow in your footsteps. They may not even be a Lion yet, but if you approach them in a positive manor, who knows! How will your personal (favorite event) go on without you who will take the reins. What made you become a lion. Service minded people join to serve others That service may not be to another person's capacity, but be to your capacity. And that's ok. Service is service large or small, one event at a time.

Up Coming Events

Nov 6th Region and Zone Chair training @ Lancaster Tennis and Yacht Club, 2615 Columbia Ave. Lancaster Pa. @ 6:30. All R/Z Chairs are requested to make an extra effort to attend and participate.

Nov 20th Club Officer training @ LTYC @ 6:30. All Club Officers requested to make an extra effort to attend. All Presidents; Secretaries; Treasurers; Assistances; Membership; Event Committee Chairs GLT/GST/ GMT/

LCIF Coordinators.

Nov 28th Thanksgiving Day. Think of those less fortunate than us day.

Nov 29th The day a lot of us go looking for those Christmas bargains, while others are wondering where the next meal or where the warm winter clothing for their children is coming from.

As Lions; We are Blessed beyond belief. May we always be there, to bless those less fortunate.

LIONS EXIST TO SERVE OTHERS

Message from the 2nd Vice District Governor, Dick Sware

Fall and Football are both in full swing. I hope you have been able to get out and enjoy the fall foliage while participating in your Club's service projects and fundraisers. I also hope your favorite football team, college, pro, or both, is doing well.

By the time you read this, the Region Rallies will be over. What a great time it was throughout October attending the Rallies. Among the highlights of each Rally are the awards given by Immediate Past District Governor Gene Hilton. Congrats to all this year's award winners. These included Beacon Lodge bricks, Vision Corps leaves, PA Lions Foundation Fellows, Past International President Joe Wroblewski Awards, Melvin Jones Fellowships, and several other awards. Unfortunately, many of the recipients were not in attendance and therefore did not receive the honors they deserved in front of a room filled with their fellow Region Lions. I hope next year I will be able to write that most of the recipients received their awards at their Rally.

With the Lions year in full swing, my thoughts turn to Leadership and Membership. We should be identifying our future leaders and help them develop into the best leaders they can be. Leadership training will occur twice during November:

November 6 Region & Zone Chair Training at the Lancaster Tennis & Yacht Club

Current Region Chairs, Zone Chairs, Club Presidents, and Past Club Presidents should plan to attend.

November 20 Club Officer Training at the Lancaster Tennis & Yacht Club

Current Club Officers, Past Club Officers, and Future Club Officers should plan to attend.

On the membership side, clubs should be planning to hold their Membership Nights if they haven't held them yet. There is also the very simple way to attract new members. Ask someone to join. Each club member should ask someone to visit the club to find all about the good work we are doing. Let's make it so Lions is no longer the best kept secret in our communities.

November is also a time for giving thanks. Thanks for doing all you do for the people in your community. Where there's a need, there's a Lion. Thanks for being Lions. I hope you enjoy the Thanksgiving holiday.

Cabinet Member Partner in Service Informational Meeting

Hello Fellow Lions, Lioness' and Lioness Lions,

Lion Sharon Grager here! Our next Partner in Service meeting is just around the corner and will be held on November 10th at the Willow Street Lions Club Building. Gail Rittenhouse, Executive Director of the Lancaster County Food Hub, will be our speaker. Lion Jeanie Sware has asked Gail to educate us on the outreach program of The Hub. Also, she will inform us of the needs for those who would benefit from our service. **As a reminder, we are asking everyone to bring cans of soup for our Soup Drive or a monetary donation for The Hub.** Thank you, Lion Jeanie, for our speaker this month and campaigning our Soup Drive to support The Hub.

Lion Evanna Estes is currently working on securing a representative from Mom's House to help us learn more about this center and how we could assist in serving this cause. We are hoping this will occur on Sunday February 16th, 2020. As soon as we have confirmation about this guest speaker, I will make sure it is included in our next newsletter.

The Partners in Service meeting held on September 22nd hosted our first guest speaker, Lion Becky Williams, District Committee Chair of the Reading Action Program (RAP) and member of the Lancaster Lions Club. Becky presented the group with a wealth of information.

- Organize a virtual book drive to support a reading program in your community
- Read to children at a local library or after school program (may need clearances for this)
- Host a book fair and invite a local author – work with a local book store
- Hold a monthly reading challenge for children at your local library (encouraging them to read a designated number of minutes every month to receive a token of appreciation) Possibly host a pizza party
- Work with a deaf education teacher to organize a book reading group for those who are deaf
- Volunteer at an after-school program to tutor a child in reading (will need clearance for this)
- Donate computers or other technology for learning to local school, community center or library
- Work with local school or library to increase access to information in braille, large print books or books on tape
- Supply new parents with books/information for young children including facts about the importance of early reading
- Collect new books for a children's hospital, local pre-schools, local urgent care waiting areas
- Sponsor a community spelling contest
- Build a little free library
- Volunteer with a literacy council
- Host a Read-In at you Lions Facility or local park, YMCA
- Work with a local school to provide back packs filled with books and school supplies for children in need
- Serve as a volunteer reader at a day care or senior center (clearance will most likely be needed)
- Provide assistive devices to children or adults who have low vision, donate magnifiers
- Provide free books for children at a vision or hearing screening or other service activity for children

Thank you, Lion Becky for your time, wonderful ideas and information and your expertise!!

After our November meeting there will be only 2 meetings left to attend in 2020, the February 16th and June 7th dates. We would like nothing more than to see this group on fire again, have it grow strong, continue its tradition of service and having a great time together. Hopefully you have marked the remaining dates on your calendar and will be able to attend the meetings this 2019-2020 year. Our success depends on all of us!

"Where there is a need, there is a Lion!"

Together, We Serve!

Respectfully,

Lion Sharon Grager

VisionCorps Foundation
2019 Eye Drop Rappelling Event

VisionCorps' mission to empower individuals with vision loss to attain independence is only made possible through community support. As a member of The Willow Street Lions Club and of District 14-D, I can proudly say we have supported this foundation for many years.

This year, on November 22nd, I have volunteered to "Go Over the Edge" and rappel down 10 stories while representing my club and the district at VisionCorps' inaugural event, 2019 Eye Drop! This will happen at The Holiday Inn at the corner of Queen and Chestnut Streets in downtown Lancaster.

To do this, each "Edger" will have realized the personal goal of raising at least \$1,000 for VisionCorps to reserve a spot on the ropes. Once registered, Vision Corps provides each Edger with their own fundraising page. You can help put me Over the Edge with your donation! To reach my personal page, you can place the following in your address bar: **GIVE.VISIONCORPS.NET/lionsharon**. If you have any questions or would need more information please feel free to reach out to me. I can be reached at 717-615-9064. You may also reach out to Megan Tomsheck at VisionCorps, 717-393-5894, with any questions or clarifications. Log onto eyedrop2019.com for more detailed information from VisionCorps.

Last year, VisionCorps gave away \$1.5 million worth of services to individuals in South Central and Southeastern PA. Rehabilitation services provide clients the tools and training necessary to live independently in their home. VisionCorps' Enterprise Group focuses on employing people who are blind or vision impaired in manufacturing, food processing and administrative services. In addition, preventative screenings are provided to nearly 10,000 children annually!

To date I have raised \$387 on my page and \$110 in cash for a total of \$497! I am practically halfway there! The drop will occur between 9am and 4:30pm on Nov 22nd. I will not be assigned a time until I reach my goal. I will post my drop time on my page when I have it. It would be great to have all the support I can get that day.....down below.....to cheer me down Over the Edge!

Yours in Service,
Lion Sharon Grager

Hi Lions,
This is a No Cost to Lions Clubs to do a Service Project. Just tell Veterans, Neighbors, Family members that if they have trouble reading, or understanding their prescription labels. And Script Talk RX Reader will be mailed to them, and they will tell you where participating pharmacies are. It is a loaned Rx reader to those that need it. No Cost. When done with it, just mail it back to them. No extra cost for prescriptions. They put a RFID label on the bottom of bottle, and RX reader reads the instructions to you. They can even put RFID labels on cat, or dog prescriptions bottles.

Veterans and Pharmaceutical Companies started this.

Veterans call their VIST coordinator, and they receive a permanent Script Talk RX Reader

Plus, if you tell Script Talk a Lion sent you, you will receive a free case, worth \$25.00 to carry your Script Talk Rx Reader.

ACCESSIBLE PRESCRIPTION DRUG LABELING FACT SHEET

Accessible Prescription Labels are special labels provided by pharmacists to patients who have a visual or print impairment.

A person who requests accessible labels receives their medications with a regular printed label, called a 'legal' label, and a specialty label, called an 'auxiliary' label, which could include large print, talking and/or Braille labels, depending on the needs of the patient.

Accessible labels are provided at no additional charge.

Large Print Labels

A label printed in high-contrast large font is attached to the prescription container.

A 2D bar code offers access via mobile phone applications.

Talking Labels

A small electronic tag is attached to the container. **The tag contains the same data found on the printed label.** A prescription reader reads the label information out loud.

Braille Labels

A clear adhesive Braille overlay is placed over the printed label for **quick identification.** **Braille labels are often used in conjunction with talking labels.**

“SPECIAL LIONESS/LIONS OF 14D

NOVEMBER, 2019

TURKEY & ALL THE STUFFINGS!

November & soon the end of another year. But, back to October & the Lioness/Lion's Rally! What a great night, small in numbers but those who came out got a treat as guest speaker, Martha Hoover from Akron, spoke on her journey as a blind person. Make no mistake, Martha is a very self sufficient woman, lives in her own home & does all the things that we, who have our sight, can do & maybe more. Who am I kidding, she passes me! I heard rumbles at the Rally that there may be more Lioness/Lions Clubs forming. That is a good rumor to hear. I sincerely hope that the Lionesses of 14D will seriously consider taking the step to bridge. You all have done a wonderful job of serving your communities & beyond; who will continue in your footsteps if you are gone? Kudos go out to the Millersville Lionesses who have bridged to become the Millersville Lioness/Lions Club. I know that IPDG Gene will be making a visit to clubs to answer questions & hopefully get the process started. He will be a good mentor for you. Thanksgiving is a few weeks away, although the stores are already in the Xmas mode, more or less passing Thanksgiving by. Of course we know that there isn't as much commercial value in Thanksgiving; buy the turkey, have some side dishes & wonderful pumpkin pie & voila! It's a done deal. However we all know that the day is much more than that. Being thankful for all that we are blessed with in this life; it is a time to let others know how grateful we are that they are in our life. Family first, but we all have friends & acquaintances that we value. Let them know you appreciate them in your life & as you serve next to a fellow Lioness, give her that pat on the back & a thank you. I am grateful for so much this year & for the many years of serving as Lioness "Co". It has been rewarding & I am grateful for the kindness shown to me over the years & grateful for the Lionesses & their strength to go on, hopefully in a new way as Lioness/Lions. Wishing you a happy "turkey" day! Lioness "C0" Kathy
