## Message from the 1st Vice District Governor, Dick Sware

I hope everyone is staying safe, healthy, and warm. As I write this, we are once again getting several inches of snow. After not using my snow blower last year, we're making up for it this year.

As District Governor Lorraine has said, the safety of our Lions and all of the families involved is most important. In keeping with that, District Governor Lorraine has cancelled the Melvin Jones Breakfast, President's Honor Night, the Key Member Picnic that was postponed from last summer, and the District Convention. There will be more to come on voting in the District Election. The voting will be done using an online platform similar to last year. Our slate of officers standing for election is:

District Governor	FVDG Dick Sware
First Vice District Governor	SVDG Carl Spellman
Second Vice District Governor	NAMI Champion Mike Schaeffer

PDG Deb Burkholder, our State Global Leadership Coordinator, put together a great program at the recent Spring Fling Symposium held on both sides of the state. The local symposium was held at the State Office outside of Harrisburg. The symposium included sessions on Diabetes, Lions Clubs International Foundation, and Social Media. Social media is a powerful way to get your club's activities out to a tremendous number of people. It's also an excellent way to attract new members. Does your club need new members? Unfortunately, our District members did not take advantage of this opportunity to learn from some of our state leaders with only one member of our District in attendance in addition to PDG Deb who coordinated the program.

If you are interested in becoming involved with the District, please let me know. There are many ways you can be involved in the District. You can email me at [rmsware@icloud.com](mailto:rmsware@icloud.com)

I hope that many of our members have been able to schedule their COVID vaccines.

Please stay safe & healthy.

Dick Sware

First Vice District Governor

**Message from the 2nd Vice District Governor, Carl Spellman**

Greetings to Lions in District 14-D,  
It is good news that several Lions received Covid vaccine shots, and we expect there will be increased availability of the vaccine. As reported in the LNP newspaper, the former Bon Ton at Park City mall will be mass COVID-19 vaccination center starting in March, but details and supply need to be worked out. Also, there will be an COVID 19, "Fact versus Speculation"

on-line seminar by Dr. Michael Ripchinski, Chief Clinical Officer, Penn Medicine Lancaster General Health, March 3, 2021, at 7:00 PM. Details will be sent to Lions soon.

I want to thank the clubs that are sending greeting cards to veterans at the Lebanon VA Medical Center. Several clubs received thank you letters from the Medical Center for showing appreciation for the veterans and their service. Please continue to send greeting cards to: Lebanon Veterans Administration Medical Center, Code 10-V, 1700 South Lincoln Ave., Lebanon, PA 17042-7529.

Registration is now open for the 2021 Lions Clubs International Convention which will be a virtual event. The online convention is scheduled for June 25-29. The registration fee is \$50 until March 31, then \$75 beginning April 1.

Yours in Lionism,

2nd Vice District Governor Carl Spellman

# **Love Your Eyes with** **VisionCorps**

VisionCorps has a program to give free eye exams and glasses to qualified adults and children in Southcentral Pennsylvania.

The program, with help from the Pennsylvania Vision Foundation, helps individuals in Lancaster, Adams, Chester, Lebanon and York Counties access free vision care. It is especially helpful now when many may not have the ability to pay for these services.

The goal of the program is to keep eyes healthy to preserve eyesight. The program is targeted toward low-income families, and individuals of all ages can qualify. To find out more about the program, call VisionCorps at 717-205-4141.

It is one of several programs offered to the public by VisionCorps. Other services include education and prevention of blindness outreach screenings, rehabilitation, and employment to individuals.

## LIONS OF PENNSYLVANIA FOUNDATION

February 2021

A meeting was held Saturday, January 23, 2021 via Zoom with 14 Board members in attendance along with our Investment Counselor and secretary and one guest. The guest was Alyse Mitten from Interlace Communications, our website creator.

The treasurer's report shows we have, as of 11-1-21, at total of \$145,483.41 available for Grants. The Investment report indicates we have currently in our Fellow Account \$2,635,063, which is a gain from June 30, 2020 of 35.70% or an amount of \$693,273.

Our Grant request program is as follows:

1. The Board had previously approved a Grant for \$1,400 to District 14-P and the West Goshen Lions Club for a food distribution program in their community.
2. Presented at this meeting was a request from 14-N and the Ford City Lions Club for \$5,498 for the purchase and installation of *Rails to Trails Historical Markers*. This was approved.
3. A request came in from 14-K for the Center for Vision Loss for \$12,000. Since it came in late and is not needed until spring, there was no discussion and the request was tabled until the next meeting.

A discussion was held with our website creator regarding additions to our website.

Reports from all committees were presented. Our Disaster Committee, currently composed of 4 members, will soon be holding a meeting to determine fund raising and various other concerns.

Report from the Fellowship Committee shows that, due to COVID, we did see a drop in Fellowships and PIP Awards. We currently have 2305 Fellows.

We are getting prepared for our Annual Banquet at the State Council meeting in October. We will be inviting all the 1<sup>st</sup> Vice District Governors and their spouses/partners to be our guests.

We are still searching for an Executive Director. We ask each Governor to ask in their District to see who might have some interest. This will be a salaried or commission position.

If a State Convention is held, LOPF will be sponsoring and hosting the Friday night banquet. At that dinner, we will be presenting to the International President a LOPF Fellowship and a P.I.P. Jos. Wroblewski Award.

We thank each of the Lion Clubs for their support of LOPF and ask for their continued support. Whatever you can do to further the programs of all Foundations, is sincerely appreciated. Remember, LOPF is here forever to help Lions Clubs in Pennsylvania in the community programs and activities. This is accomplished by the Fellowships that are ordered.

PDG Rodney W. Sweger

### February 2021

The Northeast PA Lions Service Foundation would like to assure our Lions and Leo clubs that we are still active despite the pandemic challenges. We are accepting applications for patient care, equipment, and community project grants. All applications will be considered for any project that a club deems worthy of sponsoring. Please visit [www.nepalsf.org](http://www.nepalsf.org) to access application guidelines under the GRANTS tab. If you have any questions or need assistance, please reach out to your Foundation representative, PDG Rodney Sweger at 717-808-7532, [SwegerJan@comcast.net](mailto:SwegerJan@comcast.net), or to [grants@nepalsf.org](mailto:grants@nepalsf.org).

We held a working retreat in February at the Lions State Office in Harrisburg and hope to sponsor a learning luncheon at the next state council meeting.

Please note that any written correspondence/donation checks to the Northeast PA Lions Foundation should be sent to **PO Box 415 Macungie, PA 18062. The Jacksonville Rd, Bethlehem address is no longer valid.**

The Board of Directors would like to recognize PCC Lowell Hawk, Charter Board Member. He is changing roles with the Foundation and will continue as an Advisory Member of the board. PCC Hawk has been instrumental in our success through the transition from the Eye Bank and as Vice President of the Board.

We mourn the loss of another Charter Board Member and our Treasurer, PDG Don Mills, who passed on recently and whose leadership, generosity of spirit, and integrity will be sorely missed. - (Lion Vicky Dougherty, Assistant Secretary)

**February 15, 2021 is International Childhood Cancer Day (ICCD)**, which is a global collaborative campaign to raise awareness about childhood cancer and to express support for children and adolescents with cancer, the survivors and their families.

Globally there are more than **400,000** children diagnosed with cancer each year, which means that worldwide, a child is diagnosed with cancer every **three minutes**.

In honor of ICCD, the **PA Lions - Multiple District 14** recognize and celebrate the 3 year partnership they have with their statewide childhood cancer charity partner, [Four Diamonds](#). The Four Diamonds mission is to conquer childhood cancer by assisting children and their families through superior care, comprehensive support and innovative research. Since the start of this partnership, PA Lions have raised over **\$145,000** through the **PA Lions “Care – For The Kids®”** project!

Four Diamonds offers a combination of **world-class care, lifesaving research and transformative philanthropy**, which is our hope for a cure. By continuing to expand the depth and breadth of their research, **Penn State Health Milton S. Hershey Medical Center** and **Penn State College of Medicine** will benefit kids **around the world**. Every day, they are generating new knowledge to help us better prevent, diagnose, treat and cure childhood cancers, in order to save the lives of children.

Here's how:

- Four Diamonds funds a team of more than **90 scientists and research professionals** working toward a cure.
- From 2012-2021, Penn State Children's Hospital was recognized by **U.S. News and World Report** as one of the leading pediatric cancer centers in the United States.
- Four Diamonds is a member of **5 national and international research consortia** that connect doctors and scientists to combine their efforts and find more effective treatments.
- All Four Diamonds researchers are funded by the **National Institutes of Health (NIH)**, which is an extremely competitive grant process.

Because of research, **more than 80%** of kids with cancer in the U.S. will survive. But, for some types of cancer, progress has been limited. We have more work to do, to **FIND BETTER TREATMENTS AND CURES** to help kids everywhere.

To learn more about or **PA Lions “Care – For The Kids®”** project and how you can help us to **conquer childhood cancer**, please visit our Facebook page <https://www.facebook.com/PALionsCareFTK> or visit our donation page [www.FourDiamonds.org/PALions](http://www.FourDiamonds.org/PALions) to make a gift.

## Be All That You Can Be

### Increasing Access and Inclusion at Your Meetings & Community Events

When we get back to meeting in person, I challenge each club to take a look at your meeting space. Is it welcoming and accessible to all members and potential members? Is there a way for folks with mobility impairments to safely get from parking to the facility? Once they get to the building can they get to your meeting room without having to negotiate stairs? Yes you say – excellent, but that’s only the start of being inclusive. What is the lighting like in the room? Members with vision loss may have difficulty seeing presenter materials if the lighting is too low. Are printed materials about your club [ such as those used to recruit new members] easy to read by people with vision loss? Are you aware of using plain language to reach the largest audience possible? Are members with hearing loss able to understand guest speakers or follow along at board meetings? And what about those community activities? Do they take place in an accessible location so that all may attend?

If you would like to learn how to increase inclusive for all people in your Lions Club and during community events reach out to our District Americans with Disabilities Act Committee Chair. I can meet with you club via Zoom to get you started.

Follow us:

Due to the continuing concerns about the coronavirus (COVID-19) pandemic, the board of directors voted to transition the 2021 Montreal Lions Clubs International Convention to a virtual event that will be delivered totally online. This decision was made with the health and safety of our Lions, staff and vendors in mind as limiting international travel and large gatherings is key to global containment strategies.

Although we are disappointed that we won't be able to host this event in person, we are excited about hosting our first virtual international convention that can safely connect Lions from around the world. We are still finalizing the details of your new convention experience, and will share those with you as soon as they are ready.

Here are some important details about the 2021 virtual convention we'd like to share with you:

- **Everyone's invited** – Our 2021 convention will be a virtual event that's open to all Lions and Leos around the world.
- **Registration fees** – The registration fee will be US\$50 until March 31, then US\$75 beginning April 1. The registration fee for Leos will be US\$30 regardless of date. Convention is currently scheduled for June 25-29. Additional event and registration details will be provided soon.
- **Current registrants** – Lions who are currently registered for convention will receive an email soon with more information about their registration options.
- **Elections** – Executive officer and international director elections will be conducted electronically, and voting procedures will be forthcoming.
  - **Convention updates** – Check our convention website [LCICon](#) for convention updates and details as they become available.

This global health pandemic has forced us all to make decisions and changes that place health and safety first. However, we are optimistic that with each new day there is hope, and as Lions, we continue to find new ways to stay connected, safely serve our communities and continue our global mission of service.

We appreciate your understanding during this challenging time for our organization and the world, and thank you for your incredible service as a Lion.

Regards,

Dr. Jung-Yul Choi  
International President

Lions, Lioness and Leos

Registration for the 2021 Virtual International Convention is Now Available

As reported previously, Due to the continuing concerns about the coronavirus ( COVID-19) pandemic, the International Board of Directors voted to transition the 2021 Montreal Lions Clubs International Convention to a virtual event that will be delivered totally online.

Cost of Registration is only \$ 50.00 per Lion or Guest

Even though it' s not q uite the same thing, this is an excellent time for all Lions to experience what happens at an International Convention
