The Northeast PA Lions Service Foundation sadly reports the loss of two valued Board Members who have passed on: PDG Don Mills and PDG Jack Smith. Between the Eye Bank and the Foundation, PDG Don Mills served 18+ years, PDG Jack Smith served 15+ years. Their service and friendship are greatly missed.

PCC Lowell Hawk, who served 16+ years on the Board has resigned as a Board Member but will continue to serve on our Advisory Committee.

Since our last report in November, the Northeast PA Lions Service Foundation has been hard at work accepting grant applications, improving our operations and even expanding our Board of Directors. Recent grants include:

Date Received	District	Club Sponsor	Grant Type	Project	Request Amount	Board Approval Date
12/1/2020	14D	Intercourse	Equipment	Stair Lift	\$5,000.00	12/09

2/3/2021	14C	Susquehanna	Patient Care	Cataract Surgery	\$3,620.00	2/05
				TOTAL	\$58,705.00	

It's a very simple concept — we wanted to bring some joy to these hospitalized patients," Sharon Litwak, tells PEOPLE. "Nurses and volunteers can bring the carts to kids in their rooms if they are too sick to use a pediatric playroom." (Wellspring York Mobile Playroom Dallastown Lions Club \$1,000.00 grant toward \$2,200.00 project).

Our relationship with Salus University Department of Blindness and Low Vision continues in 2021 with a \$25,000 award for scholarships and an additional \$5,000 to replace some well-used training equipment.

Lions,

Greetings from PA Lions Beacon Lodge Camp! With all the craziness in the world today, I am happy to announce some **great news:** With guidance from the American Camping Association (ACA) and Centers for Disease Control and Prevention (CDC), Beacon Lodge will be offering camping sessions during the 2021 season!

As is the case with most businesses, adjustments are necessary. Due to the timeline of the vaccine roll-out, we will be offering a new experience for most of our campers: **Virtual Camp!** Please see the included announcement for an idea of how Virtual Camp works. We are excited to have the opportunity to offer this new program to the **Special Needs** population from July 10 through July 14.

The sessions that will be virtual:

- **Adult Transitional Care – Both sessions**
- **Adult Assisted Living – All sessions**
- **Adult Hearing Impaired**
- **Children's Village – Camp ALIVE**
- **Children's Village – Assisted Living**
- **Children's Village – Blind V/I**
- **Children's Village – ENERGY**

In-person sessions will begin on July 17 and include two Visually Impaired sessions in the Adult Camp, and two sessions each of Project New Hope and Family Camp in the Children's Village. **Proof** of vaccination or of a negative COVID-19 test and result within three days prior to arrival will be prerequisites (16 and older), and COVID-19 mitigation measures will be in effect for all in-person sessions.

If your Club is interested in sponsoring a camper for the 2021 season, please use the included sponsorship form.

Sponsorships will be needed for the Adult Visually Impaired sessions (\$600), and Family Camp (\$450). As in the past, these sponsorships can be made on behalf of specific campers, or they can be undesignated, and assigned by the staff to campers who need them. Noting "Sponsorship, (Camper's Name)", or "Sponsorship, undesignated" in the memo line will assist us with making sure the donation is applied as intended.

Thanks for helping us serve!

In 1948, Lion Carl Shoemaker helped found Vacations for the Blind, a summer camp designed for adults with vision impairment. Since then, the name was changed to PA Lions Beacon Lodge Camp. The program has also changed to include children and adults with a wide range of disabilities. By providing a sponsorship or joining us at the Country Club, you will be helping us continue our mission of providing a summer camp experience to our statewide community of Special Needs Children and Adults.

Due to the continuing concerns about the coronavirus (COVID-19) pandemic, the board of directors voted to transition the 2021 Montreal Lions Clubs International Convention to a virtual event that will be delivered totally online. This decision was made with the health and safety of our Lions, staff and vendors in mind as limiting international travel and large gatherings is key to global containment strategies.

Although we are disappointed that we won't be able to host this event in person, we are excited about hosting our first virtual international convention that can safely connect Lions from around the world. We are still finalizing the details of your new convention experience, and will share those with you as soon as they are ready.

Here are some important details about the 2021 virtual convention we'd like to share with you:

- **Everyone's invited** – Our 2021 convention will be a virtual event that's open to all Lions and Leos around the world.
- **Registration fees** – The registration fee will be US\$50 until March 31, then US\$75 beginning April 1. The registration fee for Leos will be US\$30 regardless of date. Convention is currently scheduled for June 25-29. Additional event and registration details will be provided soon.
- **Current registrants** – Lions who are currently registered for convention will receive an email soon with more information about their registration options.
- **Elections** – Executive officer and international director elections will be conducted electronically, and voting procedures will be forthcoming.
 - **Convention updates** – Check our convention website [LCIcon](#) for convention updates and details as they become available.

This global health pandemic has forced us all to make decisions and changes that place health and safety first. However, we are optimistic that with each new day there is hope, and as Lions, we continue to find new ways to stay connected, safely serve our communities and continue our global mission of service.

We appreciate your understanding during this challenging time for our organization and the world, and thank you for your incredible service as a Lion.

Regards,

Dr. Jung-Yul Choi
International President

Lions, Lioness and Leos

I'm sure you heard the saying, "In the Right Place at the Right Time" and you probably experienced it at one time. Well, the East Cocalico Lions recently was "In the Right Place at the Right Time". The club were contacted the by Tammy Frey a nurse in the Cocalico School District. The School District was trying to determine a way to perform vision screening on their students this school year considering the pandemic and mitigation protocols. The scanner and methods they used previously could not be used because of Covid-19 safety issues. The School District found a vision screening device that could be purchased that would permit sight screening, but it was quite expensive, at approx. \$ 8000. This device can also be used to screen their special needs students in the future, since they are often not able to perform this function due to their limited cognitive or physical limitations. Knowing that vision is one of the club's values, Tammy reached out to the club wondering if they could assist them in any way to help purchase this scanner. Unfortunately, due to the canceling of many of our fund-raisers, the club knew it would be difficult to make any meaningful donation toward this piece of eq uipment. Then the club came up with the Solution! The Northeast Pennsylvania Lions Service Foundation, which one of their members is on the Board of Directors, was created for a situation like this. The Northeast Pennsylvania Lions Service Foundation (NEPALSF) , formerly known as Northeast Pennsylvania Lions Eye Bank, was created with the primary goal of eliminating corneal blindness. One of the services they provide is providing Club Sponsored "Grants" to individuals and organizations for Patient Care, Eq uipment, Professional Education and Community Proj ects. Most of these Grants are provided without a cost to the club. The East Cocalico Lions completed the paperwork needed for a Grant and sent it to the Grant Committee of the Foundation. They were approved for the Grant in no time and recently presented a check in the amount of \$ 7, 980 to Tammy and the Cocalico School District. Pictured is Lion Bruce Carpenter presenting the check to Tammy Frey and the Cocalico School District for the purchase of a new vision scanner. Being able to get the Funds needed, even during these times when Finances are low, is j ust another way that the East Cocalico Lions were in the "Right Place at the Right Time" and were still able to "Serve". If you are interested in finding out more about the East Cocalico Lions or would like to help us "Serve", please call 717 336-5311 or visit them at www.eastcocalicolions.org.

All proceeds were then donated to the PA Lions Beacon Lodge.
