A Message from District Governor Dick Sware

Wow!! What a whirlwind month we had in January.

The way that the Pennsylvania Lions and specifically the Lions of our District reacted was just incredible after the devastation in Kentucky caused by very strong tornadoes. The Lions of PA came together and filled 2 tractor trailers with the material needed for the recovery in Kentucky. Originally, State Disaster Relief Coordinator Jim Groff arranged for 1 tractor trailer. When Lion Jim heard that the tractor trailer would be filled after being loaded at Lowes' in Morgantown and at the State Office in Harrisburg he quickly arranged for another tractor trailer to go to Cranberry Township in Western PA. The Lions in Western PA filled the second tractor trailer. Kudos to Lion Ed Baylor who led the effort to fill the tractor trailers and send all those items to Kentucky.

The State Council of Governors approved paying for a motor coach to take many PA Lions to Kentucky to unload the tractor trailers, distribute the needed materials to families in Kentucky, and to work helping with the cleanup effort. Thank you to 14-C FVDG Keith Shoff for arranging a steep discount for the motor coach. Thank you to all the PA Lions who travelled to Kentucky.

You can read about the trip to Kentucky in SVDG Mike Schaeffer's note in this Newsletter. You can see pictures from the trip to Kentucky in this Newsletter.

Message from the 1st Vice District Governor, Carl Spellman

Dear Lions,

As part of District Governor Dick Sware's cabinet, I serve as the Global Leadership Team Chairperson to inform Lions about training and leadership opportunities. Leadership training is important to our clubs, our business, and our communities. Please consider attending the Regional Lions Leadership Institute in Harrisburg from March 11-13. Regional Lions Leadership Institute focuses on building the skills of Lions members for leadership opportunities at the club and district level. Please contact DG Dick or me if you are interested in attending the Institute.

The online Lions University is a great opportunity to learn about Leadership, Membership, and Service. As a Lions Club leader, you understand that building strong communities through volunteer service is our objective. The Lions University program is about making sure that you have the skills and resources to meet this objective. Through three educational program levels (Bachelor, Masters, and Doctoral programs), Lions Leaders can enhance their knowledge and skills to better serve their community. The courses are free and are found at lionsuniversity.org/

Please mark your calendar to meet and recognize Lions Leaders in District 14-D:

Melvin Jones / PA Fellow Breakfast – Yoder's – Saturday, March 12, 9 a.m.

Message from the 2nd Vice District Governor, Mike Schaeffer

KENTUCKY ADVENTURE TO HELP TORNADO VICTIMS

On Sunday, January 23, 2022, 2nd Vice District Governor Mike Schaeffer boarded a bus headed for Paducah, Kentucky, to deliver disaster relief equipment, supplies and clothing to help with clean-up efforts in towns devastated by tornadoes in December. The following is an account of how the trip got organized and what happened during their trip.

December 10-11 - The country begins to receive word of deadly tornados in western Kentucky. News reports show severe damage to significant portions of multiple towns, including Mayfield, Dawson Springs, Benton, and Bremen.

December 21 - District Governor Dick Sware receives a letter from PA Lions Disaster Relief Coordinator Lion Jim Groff asking DG Dick to alert the Lions Clubs in District 14-D of the need for relief supplies for victims of the tornadoes. DG Dick forwards the request to members of the District Cabinet, and clubs begin organizing their response to the PA Lions request for donations.

January 7-9 – While attending VDG training in Harrisburg, I learn of the opportunity to travel to Kentucky to assist in the delivery of supplies. With the assistance of 14-C 1st VDG, Keith Shoff, we arrange for a Bailey Motor Coach to transport the group of Lions traveling to Kentucky.

January 12 - Past International Director Cindy Gregg circulates details to potential volunteers regarding plans for the Disaster Relief Team traveling to Kentucky.

January 18 – Assistant Disaster Relief Coordinator, Ed Baylor, and I purchase supplies at Morgantown Lowe's. In addition to Lion Ed's first trip, and the overwhelming generosity of Lowe's management, we purchased nearly \$15,000 in retail merchandise.

January 19 – I purchased an additional \$1200 in supplies at Weaver's Hardware Store, Leola. Funds collected by District 14-D clubs were used for these supplies.

January 21 – DG Dick, Lion Ed Baylor, and I are part of a group of approximately 25 Lions who help load our PA Lions trailer with supplies at the Morgantown Lowe's and PA Lions State Office. When the trailer arrives in Harrisburg, it is already half filled with equipment and supplies loaded in Morgantown earlier in the day. It quickly becomes apparent that the donations stored in Harrisburg will fill the trailer, and another trailer will be needed to for the equipment and supplies to be picked up in Cranberry, PA. Within an hour, Lion Jim Groff has arrangements in place for a second trailer.

January 23 – I board a Bailey's Motor Coach at 6:00am at the Lancaster County Public Safety Center. I was joined by other Lions who met earlier at the company's bus barn near Spring Grove. The bus then goes to Belle Vernon to pick up the remaining 5 Lions who will ride the bus to Kentucky. At 8:30 p.m. Central Time, the bus rolls into the parking lot of Broadway United Methodist Church in Paducah, Kentucky, which will be the groups home for the next 6 nights.

January 24 - The group, after a good night's rest, is on the road by 9:00 a.m. traveling to a home near Mayfield, Kentucky, to help clean up debris around the property. Two additional Lions who have driven themselves to Kentucky join the group. As the bus nears the property, the group catches its first glimpses of debris scattered by the tornado. The path of the storm quickly becomes obvious, and the damage to the landscape and properties is chilling. After finding our assigned property and organizing the group, we begin the clean-up process, which involves multiple Lions using chainsaws to cut up damaged and downed trees, clearing and stacking limbs and logs, and picking up trash.

Following the clean-up, PDG Bill Metschulat from District 14-H, takes the group on a tour of downtown Mayfield. PDG Bill has been in Mayfield working for Menonite Relief Services for the past two weeks assessing property damage. The damage we see as we drive through the streets of the town is unbelievable and nearly indescribable. A significant portion of the properties, well over 50%, are either damaged or destroyed in the storm. Homes, churches, and businesses are reduced to rubble. Large piles of twisted steel, metal roofing, cinder blocks and bricks line block after block of the town.

We stop at one property where the house was destroyed, and the lot has been completely cleared. The family living in the house consisted of a husband, wife, and their daughter. As the storm approached, the husband sent his wife and daughter to an interior bathroom on the first floor (the home had no basement). Curious to watch the storm, the husband stayed on the second floor.

When the house began to shudder, he headed to the first floor, but the house had already shifted, and he couldn't get into the bathroom. He grabbed a table and put it over himself as the storm hit the house. When the storm passed the family emerged from their shelter to find the entire second floor of the house gone. Fortunately, they were not injured.

Across the street, a husband and wife were keeping their 18-month-old granddaughter. They were fortunate to have a basement and took shelter there to ride out the storm. Following the storm, they came out of the basement to find significant damage to their home. Miraculously, the 18-month-old slept through the entire ordeal!

January 25 - The team is up early today and leaves the church at 7:45 for a short drive to the Paducah

Lions Club Storage building where we will unload the trailers filled with relief equipment, supplies and clothing. After a quick assessment of the storage facility, it becomes clear that two trailers full of supplies will not fit. Arrangements are quickly made to unload the second trailer at a nearby disaster relief distribution center. On hand to greet the PA Lions trailer as it arrives are Lions Clubs International President Douglas Alexander and International Director Shea Nickell. Later that evening, we are honored to have dinner with IP Alexander and ID Nickel

January 26 & 27 - Each of these two days we travel to Princeton, Kentucky. The team is split into two groups. One group works at H.R. Ministries, a relief distribution center, and other group works at a debris clean-up site. The team members working the distribution center spend their time sorting and organizing donations. Qualifying individuals come to this center to pick up food and supplies. The Lions who work at this center hear heart-breaking stories of individuals displaced by the tornado.

The team members cleaning up debris brave temperatures in the 20's and clear debris from a wooded area several hundred yards from what used to be the University of Kentucky Research and Education Center. This center, which was less than two years old, took a direct hit and was destroyed, despite being designed to withstand a tornado. The debris from this facility, along with that from two houses across the road, is scattered hundreds of yards up a wooded hillside. Our team

works to clear damaged and downed trees, separate pieces of twisted metal roofing and framing from other debris and bag all types of litter from the affected area. It takes our team of nine Lions two days to clear and area approximately 75 yards by 50 yards.

At the end of the second day, we take a detour on the way home to view the damage in Dawson Springs, Kentucky. Three days earlier, we met Shawn and Elaine from the Madisonville Lions Club, one of the clubs in the Dawson Springs area. These two Lions helped unload our trailers. One of them ran the fork-lift and the other developed and coordinated the organization plan for the storage facility. We sent generators, kerosene heaters, chainsaws, and other items with them. Within a few hours, we received word that one of the generators had already been delivered to a family in need.

Aerial view of the UK Research and Education Center after it took a direct hit from a weekend tornado.

January 28 - For the final work day of the trip, we start at the Paducah Lions storage facility where we fill a 16-foot trailer, a 30-foot box truck and the belly of our bus with equipment and supplies, which we take to the main disaster relief distribution center in Mayfield. We unload the materials, and afterward we are given a tour of the facility, which consists of two field houses - one for "shopping," and one for storage. Following our tour, we board the buses and drive into town to attend a ceremony where the Tunnel to Tower Foundation presents an initial donation to replace 5 homes in Mayfield that were owned by veterans and first responders and destroyed by the tornado. After an early dinner where we finish our leftovers from the week's meals, the team sits down for a Zoom debriefing meeting with Lions State Disaster Relief Coordinator Jim Groff and his right-hand man, Lion Ed Baylor. We share stories, laugh, cry, and express gratitude for the opportunity to serve.

January 29 - We have the bus packed and are on the road by 7:00 a.m. Central Time. It's a long ride home, but there are wonderful discussions regarding ways to enhance our PA Lions Disaster Relief efforts. Again, we laugh, and we cry as we remember and retell stories from the past week. After nine hours, we arrive in Belle Vernon and say our goodbyes to five of our team members. Several hours later, we pull into the training center in Lancaster, and we are dropped off. Finally, at 11:00 p.m., the bus pulls into the bus depot near Spring Grove where VDG Keith and PDG Dennis (14-C) get off the bus, load their vehicles, and head home.

DG Dick and the entire leadership team of 14-D couldn't be prouder of our clubs for their response to the call for donations of equipment, supplies and Lowe's gift cards to support this relief effort. We are extremely grateful for your generosity, and we want you to rest assured that your donations are in good hands and going to folks who are in desperate need of necessities. I can attest to the extreme level of need and tremendous outpouring of appreciation the team received from International President Alexander, International Director Nickell, and especially the victims of these devastating tornadoes. It was a true testament to, "Service from the heart".

Thank you!!

Theme Basket Donation for District 14-D Convention March 26, 2022

Lions, Lionesses and Leos

The 2022 District 14-D Convention is rapidly approaching. The date of the convention is March 26, 2022 and will be held at the Lancaster County Career and Technology Center, 1730 Hans Herr Drive, Willow Street, PA.

As always, there is a cost to the District to sponsor an event such as this. To help offset this cost, we again are asking all the clubs in District 14-D to put together a "Theme" basket and donate it to the District Convention.

For those clubs who might not be familiar with this fundraiser, this is how it works: An assortment of items with a common "Theme" are placed in a basket and covered with a clear wrapping. Strips of tickets are then sold to everyone who then places the tickets in containers that are in front of each basket. A ticket is then pulled the day of the Convention from each container and whoever has that ticket gets to take that "Theme" basket home.

Some common "Themes" of previous baskets were Gardening, Lottery Tickets, Food, Golf, Money and even a Chocolate or Bologna theme and plants with money growing out of them. These items do not necessarily have to be placed in a basket and may consist of one larger item only such as a small grill, crock pot, small television etc. You can even put a \$50 bill in a frame as an item for the fundraiser. Baskets that are filled with items that are produced locally are always a big hit. Each basket should be worth around \$50.00. ALCOHOL IN BASKETS IS STRICTLY PROHIBITED

We encourage all clubs in the District to donate a "Theme" basket for this event. If you want some ideas or need help with putting together a "Theme" basket, please contact Lion Lori Eshleman at 717-350-5536 via phone or text or email theeshlemans@aol.com by March 18th and let me know you wish to help by donating a basket. You can also complete the form below and mail it. If you have any questions, please contact Lion Lori Eshleman 717-350-5536 or theeshlemans@aol.com.

We ask all clubs to bring their "Theme" basket to President's Honor Night, which will be held on March 25, 2022, the night before the Convention, at Yoder's Banquet Hall in New Holland. This way we can raise more money for the Convention by allowing everyone that attends President's Honor Night a chance to purchase tickets to win a basket. If you cannot bring the basket to President's Honor Night, please see make arrangements for someone to bring it for your club.

Thank you in advance for donating a "Theme Basket" for the Convention. We look forward to seeing you and members of your Club at President's Honor Night and the District Convention.

Thought I would share with you information and pictures of the Christiana Lions Club very successful Friday night and Saturday collecting items at Dutchway Farm Market for Kentucky. Along with all the individual. Also included are pictures of success at Lowe's in Morgantown, lunch after PDG Dave Sampson drove from his home to Hazleton, PA. to load 1000 boxes, drove to and delivered 100 boxes to 14-W then to Hbg. and unloaded 800 boxes at the state office, then brought 300 boxes and unloaded at the Christiana Lions club building. It has been a very successful 2 days. "God is GOOD" . Our motto is we serve and serve from the heart.
