

District 14 D- Details

A Message from District Governor Dick Sware

It is hard to believe that it is almost 3 years ago that I began to write these monthly notes for the District Newsletter. It's even harder to believe that this will be my last note for the newsletter as District Governor for the 2021-2022 Lions Year. Where has the year gone? It seems like it was just yesterday that I was in Harrisburg with my fellow State Council members being installed as District Governor, virtually, by International President Douglas X Alexander.

The State Convention was held, in person, at the Valley Forge Resort and Casino for the first time in 2 years. Among the highlights of the convention was District 14-D being recognized by Past International Director Cindy Gregg for the District's accomplishments this year. PID Cindy awarded GAT medals to PDG Bill Grager, our Global Service Team Coordinator, for being the number 1 district in reporting service and to SVDG Mike Schaeffer, our Global Membership Team Coordinator, for being the number 1 district in new members and for starting a new club. She also recognized FVDG Carl Spellman, our Global Leadership Team Coordinator, for training all Zone Chairs this year. When added all together, our Global Action Team's accomplishments this year make District 14-D the number 1 district in Multiple District 14. A huge thank you to all the Clubs and Lions in District 14-D. Those awards are every bit yours as those who received them. Without you, we could not have accomplished all that we accomplished this year.

Another highlight of the Convention was the District Governors Elect being pinned with District Governor pins by their current District Governors. There are pictures of me pinning our District Governor Elect Carl Spellman in this newsletter. Congrats DGE Carl.

The biggest highlight of the State Convention was Immediate Past International President Jung Yul-Choi presenting Leadership Medals and Presidential Medals. Our own Past District Governor Bill Grager received a Presidential Medal. The Presidential Medal is the 2nd highest award that the International President can award. It was very special for PDG Bill to be presented the award by IPIP Choi because IPIP Choi was the International President during PDG Bill's year as our District Governor. There are pictures of PDG Bill receiving his Presidential Medal in this Newsletter. Congrats PDG Bill. Well Deserved

As of the May GAT report, we are the only district in MD 14 to have achieved all our goals. These include:

We exceeded our goal of realizing an increase of 8 members. I'm sure that GMT Coordinator SVDG Mike Schaeffer will expand on this in his note.

We supported LCIF by increasing the District Governor's Requested Contribution to LCIF by \$1. Additionally, 100% of our clubs have contributed to LCIF through the Campaign 100 Blue

Box that travelled with me to club visits. Thank you to all the club members for their generosity during my visits.

Our goal for reporting service was to increase the percentage of clubs reporting to 60%. We

didn't just exceed that goal, we literally blew it away. Thanks to the efforts of PDG Bill Grager, we have 90.7% of our Lions Clubs reporting service. There were only 4 clubs who did not report service during this year.

Training of Zone Chairs and Club Officers was completed in June 2021, prior to the start of this Lions' year.

We started a new club, the Lancaster Historic Lions Club thanks to the efforts of SVDG Mike Schaeffer.

We have had a great year. But, we aren't done. We still have a month to go. Keep bringing in new members. I love coming out to visit clubs to induct new members. I look forward to the club officer installations and new member inductions that are scheduled. There's still room in the schedule for your club.

I am looking forward to attending the International Convention in Montreal Canada to support our District Governor Elect Carl Spellman when he is installed as our District Governor. Congrats DGE Carl.

There are too many Lions who made this year a tremendous success to list individually. Thank you, Thank you, Thank you to everyone.

As I have said continually throughout the year, we have done this by providing:

Message from the 1st Vice District Governor, Carl Spellman

Dear Lions,

I had the pleasure of attending three Lions clubs that were celebrating important anniversaries. These celebrations are important to understand the club's history, accomplishments, and plans for service in the future. These clubs held anniversary dinners: Mount Joy (77 years), Willow Street (75 years), and Wakefield (50 years). Congratulations to the clubs who look forward to continued service and growth.

The PA Lion State Convention was held May 19-21, 2022 at The Valley Forge Casino Resort, King of Prussia, PA. It was a pleasure for Lions to meet Past International President Dr. Jung-Yul Choi from the Republic of Korea who was the Keynote speaker at the International Banquet. The Council of Governors met this weekend and reviewed reports from State committees.

Please note that the 104th Lions Clubs International Convention will be in Montréal, June 24-28, 2022. I will join 16 PA District Governors to attend two days of DG training. Lions will have the opportunity to meet incoming International President Brian Sheehan.

Making A Difference 1 At A Time

1st Vice District Governor Carl Spellman

Message from the 2nd Vice District Governor, Mike Schaeffer

When did you become a Lion? This was a question posed to IPIP/Chairman, Dr. Jung-Yul Choi this past weekend at the State Convention in Valley Forge. Many will simply answer the day they joined their club, but did you really know what it meant to be a Lion then? For Dr. Choi, it wasn't until an event ten years after becoming a "member" of LCI. I asked myself the same question and realized that it was not until eight years after becoming a "member". After years of club meetings, fundraisers, service projects and even a 5-term Presidency, it wasn't until the summer of 2019 that I truly learned what it was to be a "LION".

That spring I learned of a child with Fragile X syndrome, a rare genetic condition that causes a range of developmental problems including learning disabilities and cognitive impairment. Landon requires continuous supervision, a challenge for parents, especially with two other siblings. Landon became quite the escape artist and was able to defeat safety measures put in place throughout the home. He wandered away from the home one morning and was fortunately found by a neighbor. The stress and anxiety were overwhelming at times for his parents.

Through a generous grant from the NEPASF and donations from Integrous Fence and Deck Co., Millersville and Marietta Lions Clubs partnered to construct a fence around the perimeter of the back yard. Landon helped us that day and it was an amazing experience. Upon completion of the project, I watched him running around playing and laughing with his brother and sister. His parents were enjoying their time as well just watching the children play instead of worrying who would chase after Landon if he left the yard.

I spoke with his mother a few days later and she broke down crying. She was so grateful that the Lions gave Landon the freedom to just be a kid. Something as simple as enjoying a cup of coffee in the morning without constantly being within arm's reach of Landon was now possible. It was during that project that I fully understood what it meant to serve from the heart and become a "LION".

When did you become a Lion? As you reflect on that special time, use that memory as an opportunity to rejuvenate your passion for Lions. Use it to reenergize other members who may not have had that moment yet or are experiencing burnout. Inspire prospective members to join your club. Invite them to your next service project or fundraiser and speak proudly about the successes and impact you and your club have had in your community.

We have had an exceptional year in membership growth. Let's keep that momentum going and continue it into the upcoming Lionistic year. Thank you for all you do!

Yours In Service

FVDG-elect Mike Schaeffer

What is “Mailchimp” and Why Am I getting Emails from it

District 14-D realizes that communication with all Lions Club members is important and essential. One of the best, easiest and quickest way to deliver information to Lions Club members is the use of Email. To do this, District 14-D uses a software tool named Mailchimp to manage Email Distribution Lists and send Emails to all members that have an email address registered with Lions Club International. The District also, sends a “Link” each month to the District’s newsletter. As part of the email that Mailchimp sends, there is a way to “Unsubscribe” from getting these emails, but it is strongly recommended that you do NOT Unsubscribe since these emails have vital information.

Club Secretaries, please ensure all member emails are correct and updated when changed. If a member claims he is not getting emails or the link for the newsletter send the member's Email Address to PDG Bruce Carpenter (pa14dwiz@ptd.net) so he can add it to Mailchimp’s distribution list. Zone Chairpersons, please stress the importance of communication and the use of Mailchimp at your Zone meetings. On a final note, even though members are getting a link to the District Newsletter each month, Club Presidents should still discuss valuable information found in the newsletters with the club members. If there are any questions or comments do not hesitate to contact PDG Bruce Carpenter.

Thank you for helping us serve!

In 1948, Lion Carl Shoemaker helped found vacations for the blind, a summer camp designed for adults with vision impairment. Since then, the name was changed to PA Lions Beacon Lodge Camp. The program has also changed to include children and adults with a wide range of disabilities. By providing a sponsorship or joining us at the Country Club, you will be helping us continue our mission of providing a summer camp experience to our statewide community of Special Needs Children and Adults.

"500 CLUB"

Dear Lions and Leos,

This is the time of the year that we ask for your support of the "Beacon Lodge 500 Club". This is an opportunity for each Lion, Lioness and Leo to make a personal contribution to help with repairs and maintenance of the Beacon Lodge Camp.

The "500 Club" is based on \$ 5.00 per year. Since it began in 1992, as the 365 Club, this fundraiser has totaled in excess of \$1,010,388.46. The Lions, Lioness and Leos in the state of Pennsylvania continue to embrace the Lions Motto "We Serve". We encourage all Lions, Lioness and Leo Clubs in this district to consider 100% participation in this great project.

- We ask that you:
1. Make checks payable to Beacon Lodge 500 Club.

UPON REQUEST, WE WILL BE PLEASED TO PRESENT A BEACON LODGE PROGRAM TO YOUR CLUB.

(Most of you are familiar with Beacon Lodge, but newer members also need to be informed. Please call!)

Dear Lions, Lioness, Leos,
and Friends,

The walkway was installed in 2007, and will be updated each year. The walkway, patio, and wall area was professionally installed, and is a beautiful addition to Governor's Green. This fundraiser has helped with several major improvements; and it continues to be a wonderful way to show your dedication to Beacon Lodge, and to honor or memorialize those we love and respect.

Once again we thank you for your continued support of the PA Lions Beacon Lodge Camp and programs.

Respectfully,
The Board Members

Orders received by

Beacon Bits

June 2022
Edition

We've all heard about the "great worker shortage" – everywhere you look, businesses have help wanted signs hanging, and you hear about sign-on bonuses being paid by those who normally don't offer them and unusually high wages being offered. As the State Project that has a large number of workers to hire every year, Beacon Lodge has been impacted by these circumstances. Nursing, Kitchen, and Program departments are all significantly understaffed, despite a lot of effort and funding applied to recruiting.

Scheduled for the 2022 summer are the following sessions: 1 Transitional, 3 Assisted Living, 1 Camp Unite, and 2 Visually Impaired sessions in the Adult Camp and 1 LEAP, 1 Ad(h)venture, 1 ConnXions, 2 Camp Unite, and 2 Project New

Hope in the Children's Village. Full staffing of the seasonal positions includes 44 workers.

We currently have 13.

Due to the staffing shortage and the Session #1 camper counts in Adult Camp and Children's Village, those sessions have been cancelled. Our campers will be given the option to join a later session. Camp now begins on June 11th.

Please let this serve as the official call for help. We are in critical need of volunteers to make Camp 2022 happen. I'm sure we've all encountered businesses that are closed when they should be open because they don't have the staff to keep their regular hours, and even businesses that have gone under because they cannot pay the high wages job seekers have come to expect. Beacon Lodge is in danger of not being able to serve the Special Needs community this season. This is an opportunity for the Lions of Pennsylvania to show that when circumstances make a project seem impossible, we will be there to find a way to serve those who need it most because where there is a need, there is a Lion.

Your Camp has a need – Let's meet this challenge together.

If you or someone you know has experience in or a desire for helping individuals with special needs, cooking for large groups, or is an LPN/RN please contact us at 814-542-2511 or office@beaconlodge.org today! We need individuals to fill Counselor, Cook, and Nurse positions. All positions require PA ChildLine, State Police Background, and FBI Fingerprint Clearances. Those interested in volunteering as a Counselor will also need CPR/First Aid and Mandated Reporter certifications. All of these can be completed online, except for the CPR/First Aid. We are trying to set up a second training on June 11 at Beacon Lodge. You may also find options available to you locally.

[Pennsylvania Child Abuse History Clearance](#): Free for Volunteers

[Pennsylvania State Police Criminal Record Check](#): Free for Volunteers

[Federal Bureau of Investigations \(FBI\) Criminal History Background Check](#): \$22.60 for Volunteers

- Use service code "1KG6ZJ" and make an appointment at the location closest to you.
- If you have lived in the state of Pennsylvania for 10+ years, you can complete a waiver in lieu of the Fingerprint clearance. If you have any questions or would like more information about required clearances, please visit [KeepKidsSafe](https://www.KeepKidsSafe.org).

Please visit [BeaconLodge.org](https://www.BeaconLodge.org) for more information.

The biggest event of the Lion year is coming to Montréal on June 24-28, and Canada, our host nation, is ready. Canadian border measures are relaxing and the city of Montréal is ready to welcome Lions and Leos: hotels, restaurants, shopping malls, museums, and other venues across the city are open, keeping visitor safety, accessibility, and enjoyment a priority.

So — [register for LCICon](#) and plan your trip with confidence, keeping in mind the following important details from the [Tourist Bureau of Montréal](#) (links available in English and French):

- All international travelers are now eligible to enter Canada if they qualify as a fully vaccinated traveler, regardless of citizenship. [Check to see if you qualify.](#)
 - Note: Starting April 1, a negative COVID-19 test will NOT be required to enter Canada.
- The Canadian border is one of the easiest you will ever cross, and you can make it even easier by making sure you [follow the necessary steps before you arrive.](#)

- If you're a fully vaccinated American and are planning a road trip to Montréal from the US, be sure to read our [comprehensive guide to making a great drive even greater](#).
- There are no restrictions on entry to Québec for Canadian visitors from other provinces. However, since November 30, 2021, a [proof of vaccination is required for all plane or train travel](#) within Canada for those 12 years of age and older.

The Millersville Lioness/Lions club held a food drive at John Herr's Village Market on April 23, 2022. Again the community was very generous and we received more donations than our previous food drives. The club collected 16 boxes of food, several bags of food items, \$158.00 in cash donations and a \$50.00 gift card. Food was distributed to the following local organizations: Millersville Area Meals on Wheels, Conestoga Food Bank, The Loft Food Bank and Central Manor Church of God food bank. Attached is a picture showing a sample of what the organizations received. The club wants to thank John Herr's Village Market for allowing the club to have the drive at their store. And of course we appreciate the members who came and helped with this event.
