Message from the 1st Vice District Governor, Mike Schaeffer

Greetings Lions and LEOS!

It's hard to believe we are already one-third of the way through the year. I know clubs are working very hard on service projects. Hopefully your club will consider participating in the Sweaters for Veterans and Stockings for Soldiers project that benefit so many that serve us.

Congratulations to those who have received recognition at the recent Region Rallies and to those yet to come. I had the pleasure to attend Regions IV and V which were both well attended. Unfortunately, due to a work conflict I could not make Region II but also heard it was a great success. I'm looking forward to Thursday's Region I and Region III on November 17th. Deadline for region III is November 7th! Come out and enjoy an evening of fun, food, and fellowship.

The district needs YOUR help. Membership is down this year, and we continue to decline slightly from last year's numbers. Currently we have 1249 member. We've added 23 new members but lost 33 leaving us at (-10) year-to-date. If each club added just one new member, we would increase membership by 42. Please consider hosting a membership drive to spread the word. As always, members of the district are available to assist with setting up programs and ideas to increase membership.

Yours in Service

FVDG Mike Schaeffer

Message from the 2nd Vice District Governor, Deb Keepports

Hello Lions and Leos!

Are you still raking/mulching those leaves? I know I am!

On October 28th-29th, I'll be attending the Second State Council Meeting in Cranberry Township along with our 1st VDG Mike Schaeffer. In addition to attending the Council Meeting itself, I will also receive District Governor Training that weekend. There is so much to learn. We are very lucky to have leaders at the State and District level who give of their time to help train the next leaders at the District level here in Pennsylvania.

I attended the Region II Rally which was held on October 5th at Yoder's. Thank you to Zone Chairs, Michelle Musumeci and Steve Focht for hosting and planning the Rally. A number of very deserving Lions received awards for their service and dedication during the past Lions' year. Unfortunately, I missed the Region IV Rally as I was on vacation. It was nice to spend some time with my cousins. I look forward to attending the Region Rallies for Regions I, III, and V over the next several weeks. I can't wait to see who IPDG Dick has recognized for those regions. Don't forget to check out your District Newsletter for photos from the Region Rallies as well as activities submitted by the clubs. Some of the award recipients could be some of our next leaders at the District level.

Thank you to all the clubs for the great service your members are providing.

Second Vice District Governor, Deb Keepports

Message from MD-14 Global Service Coordinator PDG Bob W. Roebuck

Greetings Fellow Lions

Each year the Lions continue to help and support many families not only during the holidays but all year long. Lion volunteers understand that our families and communities have needs thought the year. Our Lion volunteers are the invaluable backbone of our Lions organization. We as Lions couldn't do our work supporting children and families in our local communities without the commitment of each Lion volunteer. Here are holiday volunteering ideas.

1. Volunteer at a local animal shelter
2. Donate toys to those in need
3. Visit a nursing home or a children's hospital
4. Help someone you know
5. Donate blood
6. Shop local
7. Write letters or cards
8. Habitat for Humanity
9. Make blankets and scarves
10. Bake holiday cookies
11. Organize a coat and winter clothing drive in your community
12. Meals on wheels delivery

In closing I would like to wish all of our dedicated Lions and their families a wonderful holiday season, and I hope it is filled with laughter, joy, and peace. And let us not forget this quote from Hellen Keller-" The only blind person at Christmas time is he who has not Christmas in his heart "

" It' s easy to stay safe online."

Sometimes it's scary to be online. You don't know who is out there, tracking you and trying to steal your identity. Over the next 5 months, I will let you know of easy action items to help you protect yourself from identity theft.

Turn on multi-factor authentication

One of the quickest and easiest ways to stay safe online: **enable multi-factor authentication** on your accounts. This simple step takes just a few minutes per account, and you only have to do it once. As soon as it's in place, it becomes twice as tough for hackers to gain access to your accounts.

What is multi-factor authentication (MFA) ? Also known as **to-factor authentication**, this widely available tool secures your accounts by requiring two pieces of information to log in. One common example of to-factor authentication: entering your password and then typing in a one-time code sent to your email address or smartphone.

Other examples of a second step that may be used in to-factor authentication or 2FA include:

A security question (for example, " What was the name of your favorite teacher? ")

A biometric identifier such as your face or fingerprint

A temporary passcode you get via an authenticator application

You can typically enable multi-factor authentication by going to an account, going to settings and looking under security. You then toggle multi-factor authentication to " on " and provide any necessary information, such as your phone number or email address where you want a code sent.

For example, [here' s how to turn on 2FA on Facebook](#) and on [Google](#).

*International Association of Lions Club***DISTRICT 14-D**

Lancaster-Lebanon Counties

Dear Lions All,

We are once again participating in our District initiative, partnering with the Charles F. Snyder Funeral Homes and Crematory, to support our veterans through the "Giving Back to our Heroes" event. Please refer to the attached flier for complete details.

I am asking your support in gathering new and gently used sweaters (or jackets) and gloves for the *Sweaters for Veterans* program happening November 1 through November 30, 2022.

We are also gathering items for the *Stockings for Soldiers* program, also happening November 1 through November 30, 2022. If you would like to stuff the stockings as a club activity, please let me know and I will arrange to get the stockings to you or you may pick them up at any of the listed funeral home locations. If you would simply rather obtain items to donate for stuffing the stockings, the needed list of items is enclosed with a separate flier in this email.

Sweaters and stockings (or stocking items) may be dropped off at any of the Snyder locations listed or I will arrange to pick them up from you. At the conclusion of each initiative, items will be delivered to the Lebanon and Coatesville VA Medical Centers.

This endeavor is an opportunity for our Clubs and communities to serve those in need in our immediate area, and support those who have given so much of their lives for us all.

Should you have any questions or need further information, please don't hesitate to reach out to me at the contact information listed below. Please be sure to record your service in this initiative on MyLion; it truly does help all Clubs. And I again thank you for your consideration and participation as you are able.

On Tuesday October 11, The Millersville Lions Club recognized all the volunteer firefighters from Blue Rock Fire and Rescue with a \$50 gift card to Sheetz. We thanked them for their service and commitment to our community.

The Millersville Lions participated in Millersville's annual parade on Saturday October 22. The parade theme was Animal Kingdom so to promote our swimming pool our float had a lifeguard who just happened to be a Lion, and a swimming pool that blew bubbles throughout the entire parade. Our swim team, the Sea Lions, were handing out candy, bubbles, tattoos, and T shirts. We also handed out Paw Prints, which is our newsletter, with a QR code directing the recipient to our webpage.

The Willow Street Lions Club has sponsored Skylar M. at Diabetes Camp since she was 8 years old. The club invited Skylar and her mother to speak at a recent club meeting about her time at camp. Skylar has aged out of the camp but is hoping she will be picked to be a counselor at the camp.

Members of the Willow Street Lions club packed personal hygiene boxes for Disaster Relief.

The Columbia Lions Club presented a check for \$800 to Old Columbia Public Grounds, a nonprofit organization that owns and operates Locust Street Park. The funds were donated by those who attended the August 19th Music in the Park concert. The Lions own and maintain the gazebo in the park. The Old Columbia Public Grounds Company had its inception in the desire of Samuel Wright, the town's founder, to do something of lasting benefit for the citizens of the town.

The Columbia Lions Club donated \$4,000 each to three nonprofit organizations. Proceeds were from the Thunder on the River car show held on June 18.

Zion Hill Cemetery is the final resting place of several soldiers who fought with the 54th Massachusetts Infantry Regiment, the Union Army's first African-American regiment in the Civil War. The 54th Mass. was depicted in the 1989 movie *Glory* starring Morgan Freeman and Denzel Washington. Among those buried at Zion Hill is Robert Loney, a Civil War soldier and conductor on the Underground Railroad whose own family was among the first group of slaves freed in the early 1800s. The Columbia Historic Preservation Society in partnership with Columbia Borough has acquired the stewardship of the cemetery with the goal of preserving this historic landmark and telling the stories of the forgotten men and women who played a significant role in shaping the history of Columbia and our nation. National Night Out, church camps, field days, food drives and other community events are also held at the field. The facility is owned and maintained by the Glatfelter Memorial Field Foundation, a nonprofit organization.
