

District 14 D- Details

A Message from District Governor Carl Spellman

Greetings Lions!

IPDG Dick Sware, Lion Jeanie Sware, and I attended the USA/Canada Lions leadership forum in Calgary, Alberta from September 15-17. First International vice president Dr. Patti Hill and First Lady Lori Sheehan gave an excellent presentation on “Healthy mind, healthy body, healthy Lion”. IPDG Dick Sware was the moderator for the session. The USA / Canada forum is an excellent opportunity to learn about Lion leadership, membership, and service.

Our region rallies are great ways to re-connect with Lions. Here is the schedule for October:

October 5, 6 PM, region II at Yoder’s restaurant, New Holland.

October 13, region IV, Heisey’s diner, 1740 route 72, Lebanon.

October 27, 6:30 PM region V, Pioneer Fire company , 200 N. Waterford Ave., Marietta.

November 3, 6:30pm, region I, Kinzers fire Company, 3521 Lincoln Highway East, Kinzers.

November 17, region III, 6:30 PM, Reamstown Fire Company, 12 West Church Street, Reamstown.

As mentioned in an earlier newsletter, the district has goals and these are included in the district online directory. Each club should establish its own goals. The three

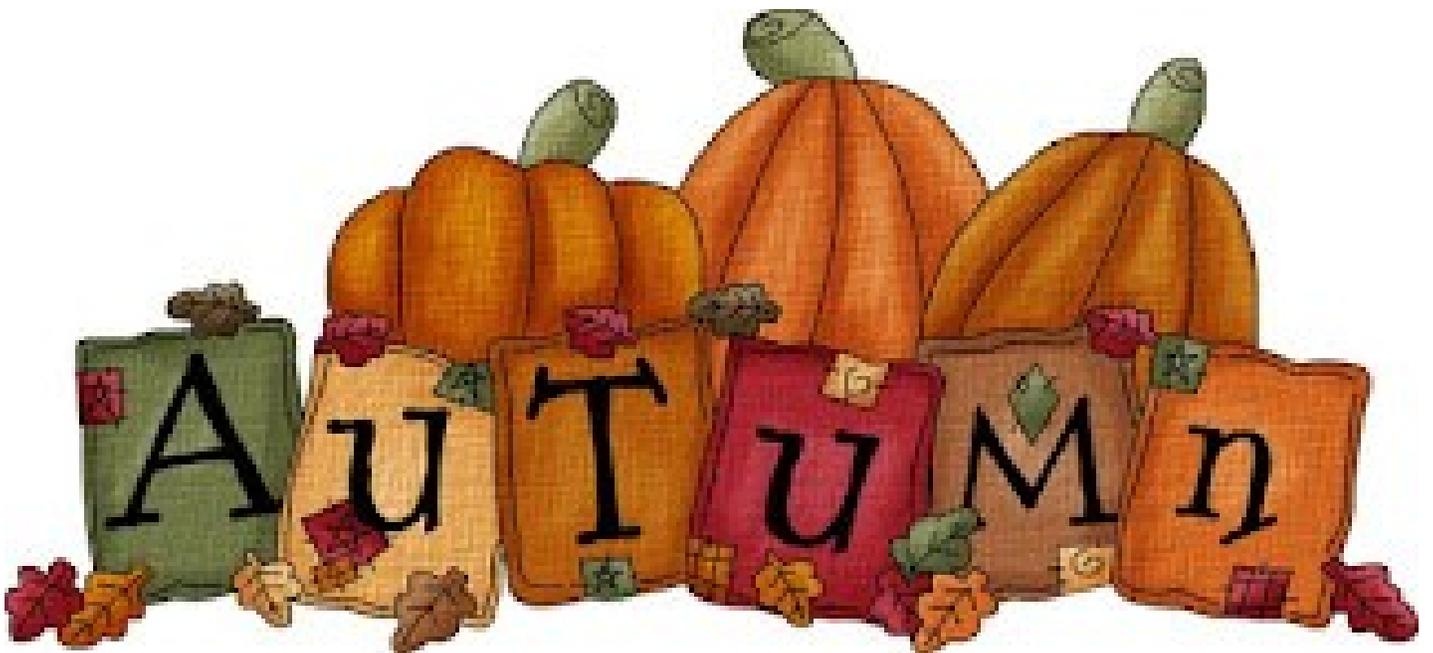

goal areas are leadership , membership , and service. Each club should provide leadership training for their club officers.

I ask each club to have a membership goal of gaining at least two members this year. Another district goal is to achieve at least 70% of clubs reporting service. Let’s keep reaching for 100% reporting in our district. Also I ask each club to support the District governor requested contributions to support our charities

Thanks for your Lions service and I look forward to visiting your

Message from the 1st Vice District Governor, Mike Schaeffer

This past weekend I had the opportunity to visit Leader Dog for the Blind in Rochester Hills, MI. The organization extends invitations to 1st VDG's to showcase their facility and provide information about services available to blind and visually impaired clients.

We spent the morning learning about history, the guide dog training process, facility capabilities and a personal tour from one of their clients. We had the opportunity to walk blindfolded with a guide dog as well as navigate the halls with a white cane. They were both challenging experiences, but I managed to not walk into anything. After their world-famous donuts and chili lunch, (that is not a typo) we headed across campus to tour the kennels and the rest of the facility. They have capacity to house up to 400 dogs and currently have approximately 150 on site, in various stages of training. Upon return to the hotel Sunday evening, we had dinner in the dark. Again, it was a challenging experience but somehow, I still managed to avoid my broccoli!

I was surprised to learn that only 10% of blind and partially sighted individuals utilize guide dogs. Much of this is believed to be due to lack of information being disseminated to potential clients. If you know of anyone who would benefit from a guide dog, please contact Leader dog at www.leaderdog.org. There is NO cost to clients for receiving a guide dog, including travel to and from the facility, housing and meals during the training.

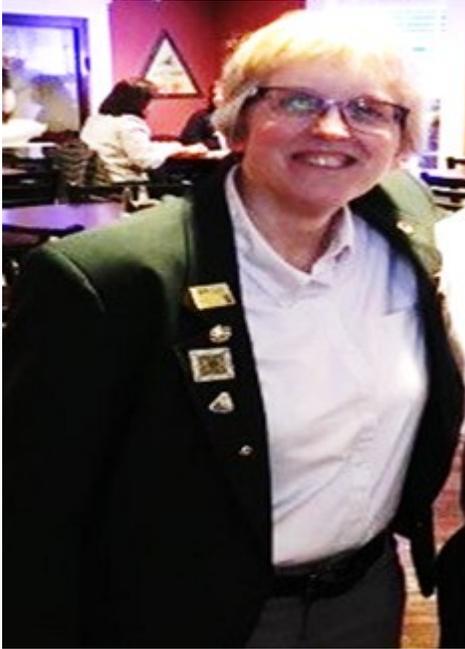

Finally, if you have any interest in becoming a volunteer puppy raiser, there are opportunities to receive a puppy at 8 weeks and foster it until approximately 12-14 months. Your only requirement is basic obedience training and, of course, house breaking. The puppies then return to Leader Dog to begin their 4-stage training process. If you choose, you can become a perpetual puppy raiser.

I hope to see all of you at the upcoming region rallies. I've spoken to numerous Lions from various clubs in the past several weeks. Many of them were aware of the rallies but had no idea what they were. Region rallies are vitally important to maintaining the district budget. Monies raised from these rallies offset the need for district per capita dues. It is also a celebration of the previous year's achievements, where at least one member from each club will receive an award from IPDG Dick Sware. Please consider attending to support the district, celebrate individual achievements, and enjoy a night of fun, food, and fellowship!

Yours in service,

FVDG Mike Schaeffer

Message from the 2nd Vice District Governor, Deb Keeports

Hello Lions and Leos!

Fall has arrived, and so have those leaves!!!

“Lions Clubs are the best kept secret.”, “I didn’t know Lions Clubs did that.....!” Have you heard either of those statements? I know I have!

What is your club doing to let your community know what your club is doing both in general in the community and/or helping a member of your local community who is in need? Are you posting information about your fundraisers and service activities on social media? Are you submitting articles and photos to The Advertiser? When making donations or presenting scholarships are you using an oversized check and inviting the recipients to your club for a formal presentation with photo opportunities? These are just a few ideas.

Also, don’t forget to submit your photos to Anita Gordon-Palmer for submission into our awesome District Newsletter so that other clubs can see what your club is doing for your community.

I look forward to seeing you at the Region Rallies!

Second Vice District Governor, Deb Keeports

Lowes partners with disaster relief again

PA Lions Kentucky Flood Relief Information

As you are aware, Kentucky was once, again, affected by a devastating disaster. On July 28, 2022, the following towns in 43Y in Eastern Kentucky were hit with destructive flooding: Hazard, Jackson, Garrett, Salyersville, Booneville, Whitesburg and the rest of Perry County. Other counties with the heaviest flooding include Breathitt, Clay, Floyd, Johnson, Knott, Leslie, Letcher, Martin, Owsley, Wolfe, Pike and Magoffin.

We, as Lions, are called on, once again, to serve those in dire need to recover from the destructive storms. Consequently, the PA Lion's Disaster Relief Team has been working with Lion leaders in the various districts in eastern Kentucky to develop a plan to get the necessary items to help in their recovery efforts.

As in previous disasters, we ask that all items be "NEW." Dates and locations for items to be picked up will be sent at a later date.

Thank you for all that you do to serve from the heart.

"Together We Can" Make a Huge Difference

Lancaster-Lebanon Counties

Dear Lions All,

We are once again participating in our District initiative, partnering with the Charles F. Snyder Funeral Homes and Crematory, to support our veterans through the "Giving Back to our Heroes" event. Please refer to the attached flier for complete details.

I am asking your support in gathering new and gently used sweaters (or jackets) and gloves for the *Sweaters for Veterans* program happening November 1 through November 30, 2022.

We are also gathering items for the *Stockings for Soldiers* program, also happening November 1 through November 30, 2022. If you would like to stuff the stockings as a club activity, please let me know and I will arrange to get the stockings to you or you may pick them up at any of the listed funeral home locations. If you would simply rather obtain items to donate for stuffing the stockings, the needed list of items is enclosed with a separate flier in this email.

Sweaters and stockings (or stocking items) may be dropped off at any of the Snyder locations listed or I will arrange to pick them up from you. At the conclusion of each initiative, items will be delivered to the Lebanon and Coatesville VA Medical Centers.

This endeavor is an opportunity for our Clubs and communities to serve those in need in our immediate area, and support those who have given so much of their lives for us all.

Should you have any questions or need further information, please don't hesitate to reach out to me at the contact information listed below. Please be sure to record your service in this initiative on MyLion; it truly does help all Clubs. And I again thank you for your consideration and participation as you are able.

In Friendship and Service,
