

District 14 D- Details

A Message from District Governor Mike Schaeffer

Greetings Lions and Leos,

As you all know my theme for the year is, "Pursue Your Passion" and I've been working very hard to do that as your District Governor. With the help of many Lions and the support of Lancaster Lions Club, one of my major projects and passions has come to fruition. I am proud to announce we now have a Lancaster-Lebanon Disaster Relief branch club!! Eight new members and one transfer member will join the Lancaster Lions Club to embark on this specialized mission. We are still actively recruiting additional members and hope to reach the requisite 20 members by our District Convention on May 5th.

This is a unique opportunity that will benefit ALL Lions of District 14-D and beyond. Their primary focus will be to identify and facilitate disaster relief preparedness, response, and educational outreach efforts to our clubs and communities. They will also be looking for liaisons from each club to enhance our preparedness and response efforts.

As with any new club, they will be looking for financial support to get started. Please keep in mind that this is the first of its kind in the district where they will be supporting the entire district instead of just one community. If any clubs, and/or individuals wish to contribute to their administration account please send donations to:

Dan Snyder
1025 Skyline Drive
Lancaster, PA 17601

Anyone who donates a minimum of \$25 to LCIF at the District Convention on May 5th gets to pie DG Mike as a "Thank You" for his year!

All donations will be credited as individual's donations to LCIF in the donor's name
Cash, check, Venmo, & PayPal accepted

Message from the 1st Vice District Governor Deb Keeports

Hello Lions and Leos!

As DG Mike said in his last report, there are times that it is difficult to come up with something that is fresh and relevant to write about. I also find that sometimes an idea just flows onto the page, it's as if the report writes itself and no, I'm not talking about AI.

First, thanks to ALL the Lions who attended the Melvin Jones Breakfast. What a great turnout! The speaker was Council Chair, Linda Zaneski, who spoke on Goals and Leadership. Regarding goals, CC Linda spoke about putting your goals out there for everyone to know and putting your Action Plan in place to achieve your goal. That made me stop and think. I'm the type of person who would say "if" I have a great year as District Governor, it's because of the team I'm working with. Now I'm going to say "when" I have a great year as District Governor, it's because of the team I'm working with.

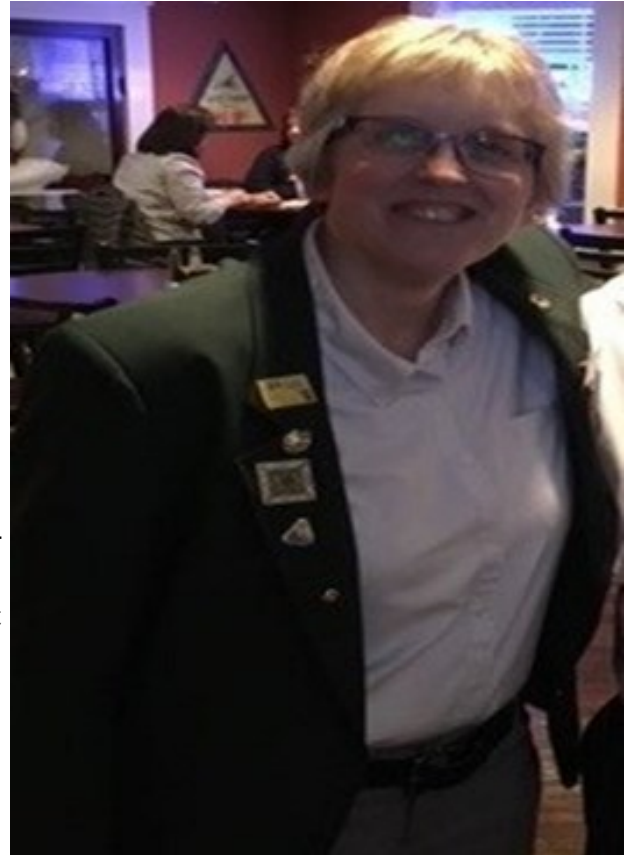

CC Linda also spoke about titles, quoting Robin Sharma, "leadership is not about a title or designation. It's about impact, influence and inspiration." How true!

That same day I was listening to an interview of Jimmy Kimmel just prior to him hosting the Oscars. He shared that people will throw out a name saying this person or that person would be a great host for an event or as a talk show host. He said that what looks good on paper does not always translate into success. He said he's only as good as the team of writers he has assembled.

If you remember, I was in St. Charles in February for First Vice District Governor training. One afternoon someone came to our classroom to let us know there was a tornado watch (not a warning) and where to shelter in place if there was an actual tornado alert. I never expected to hear the siren go off for a tornado alert, along with everyone's cellphone simultaneously going off with the tornado alert as well. While there was no tornado in St. Charles, my cousins live about 30 minutes south of that area and there were 11 tornadoes that touched down in their area that evening. Luckily my cousins did not suffer any damage to their homes.

As always, THANK YOU to each and every Lion and Leo in District 14-D for your service! We couldn't do it without you.

First Vice District Governor, Deb Keeports

Message from the 2nd Vice District Governor Steve Lowe

Hello Lions!

I hope that everyone has been able to enjoy our improving weather and get outside of the house and do things! This is one of my favorite times of year, as everything starts to turn green again (and let's be honest – it gets warm enough to be out on the golf course). By the time everyone gets to read this newsletter, the President's Honor Night will have come and gone, leaving us with some great memories and very full bellies as we move closer to our District 14-D Convention as well as the PA State Convention. We are now starting to put together our slate of officers on the club level for next year. I hope that we have some new faces on the leadership level for next year, as it is always a great thing to share the wealth of knowledge

that many of us have amassed with Lions who are new to leadership positions. Sooner than you think, we will be holding a Club Officer Training for our district. I encourage everyone who is in a leadership position for next year to attend. Even those who have been around for a long time and held the position multiple times have something to learn, but additionally – share. As I mentioned before, share your experience with others. Encourage and inspire a new generation of Lions as they mature into leaders.

We have a few months left in this Lionistic year to finish it off with a bang. Let's all make a push to ensure that we are starting out next year with plenty of excitement and fresh, new ideas from new members! Additionally, please keep LCIF in your giving plans for the year. I look forward to seeing many of you at some upcoming events that may or may not be centered around golf.....

In Lionism,

Steve Lowe

2nd Vice District Governor

LCIF Update

Fellow Lions,

We are entering the 4th Quarter of the Lions year. Here's where we stand for our LCIF participation.

We are at 60.69% of our contribution goal.

We have 16 of our 41 clubs participating. That's a little over 39% of our clubs participating. When an individual contributes to LCIF and lists their club, the donation is listed as an individual donation under the club.

There have been 54 individual contributions thus far. If these were all separate individual contributions (which they are not), that is about 4.5% of our membership contributing to our Foundation. There are several Lions who are contributing systematically each month.

Giving systematically is very easy. You can sign up on the LCIF area of the Lions International website. You pick the amount you wish to donate. You pick the frequency (monthly, quarterly, semi-annually, or annually). The easiest way to do this is to use your credit or debit card. By doing that, you also get whatever benefit your card gives such as points.

Another way to donate is through the Legacy Giving program. The Legacy Giving program involves setting up a gift to LCIF from your estate. You, your club, and the District receive credit for whatever amount you decide to give in the year you make the gift. The Legacy gift is eligible to be used to give Melvin Jones Fellowships once LCIF receives the funds.

The District goal is within reach. If each club donates \$500 to LCIF we will not only exceed our goal but will have 100% club participation. To date, I have received one club's donation. Remember, if your club donates \$1000 to LCIF, your club can give a Melvin Jones Fellowship or a Progressive Melvin Jones Fellowship to a deserving individual. The recipient of the MJF does not need to be a Lion.. Please let me know when your club donates to LCIF so that I can ensure the donation is properly credited.

Please contact me if you have any questions about LCIF or would like me to visit your club

Thank you for helping us serve!

In 1948, Lion Carl Shoemaker helped found Vacations for the Blind, a summer camp designed for adults with vision impairment. Since then, the name was changed to PA Lions Beacon Lodge Camp. The program has also changed to include children and adults with a wide range of disabilities. By providing a sponsorship or joining us at the American Legion Country Club, you will be helping us continue our mission of providing a summer camp experience to our statewide community of Adults and Children living with Special Needs.

Going Over the Edge to support VisionCorps.

As per the front page of our Lions District 14-D website, our Mission as Lions and Leos of Lancaster and Lebanon Counties is “to serve the needs of others, especially the blind and visually impaired.” To that end, one of the organizations we proudly support is VisionCorps. As you know, VisionCorps is a leading non-profit organization in Pennsylvania, with a shared mission to empower individuals who are blind or vision impaired to attain independence. VisionCorps serves the visually impaired population through preventative, rehabilitative and employment opportunities. All services are provided at no cost to clients. VisionCorps is not a government agency and relies on support from the community to make these services possible.

The Eye Drop Rappelling Event is VisionCorps' biggest fundraiser of the year. Each participant commits to raising a minimum of \$1,000 in exchange for an incredible opportunity to rappel 10 stories. Since our inaugural event in 2019 Vision Corps has raised more than \$500,000 for the vital services that support your friends and neighbors who are blind or experiencing vision loss.

How can you help??

- By making a 100% tax deductible donation to our website at: www.eyedrop2024.org
- Send checks or money order made out to VisionCorps, with “Eye Drop” in the memo, and mail to 244 North Queen Street, Suite 301 Lancaster PA 17601
- Or By supporting Lebanon Lion and VisionCorps Board Member Eric Long in his 3rd anniversary of the rappelling event, by following or typing the following link: <https://give.visioncorps.net/EricLong>

Your gift provides:

- Services to children and adults from birth to over the age of 100
- Support groups for individuals with vision loss so they can share stories and guidance on overcoming obstacles
- Orientation and mobility education which teaches clients how to travel safely and independently
- Instruction on vision aides like magnifiers and high contrast items to support daily living tasks
- Youth enrichment services which offer fun activities like cooking, kayaking and classes to help students live a full and independent life after high school
- Access technology training in the most up to date devices and software available for individuals with vision loss
- Meaningful employment opportunities for people with vision loss

Please help us support the great work that VisionCorps is doing. We promise to rappel a building in return!

Thank you for supporting VisionCorps and helping us to go OVER THE EDGE.

On March 9th, the District held its annual Melvin Jones Breakfast at Yoders.

Council Chair Linda Zaneski was the guest speaker. CC Linda gave an inspiring presentation on leadership and goals.

Thanks to all the Lions who came out to support the Melvin Jones Breakfast!

WOMEN'S HISTORY MONTH

Recognizing powerful women often written out of the narrative

On the wall of my dorm room at the engineering college I attended, I taped a torn-out magazine page bearing the words: "Because the Female of the Species is More Powerful ..." It appealed to my teenage brain in an environment with 75% males. But on a deeper level, I believed it because I had seen it in my own short life, growing up in developing countries.

The females of my life were powerful — they were the reason I was in college.

My grandmother raised me while my mother completed her education, and then my mother ensured that I completed my schoolwork to high standards for the grades I needed to be an engineer. The women in my life not only fed me but taught me how to cook; they not only made me dresses but taught me how to sew.

They wiped the tears from my eyes and taught me how to stand up for myself. They showed me how to be as self-sufficient as they were, and they did not expect any accolades for the power they were imparting to me.

Where would I be without these women? Where would any of us be without the power of the female of the species?

Keeping university functioning

Fast-forward to early in my career at Millersville University. In 2010, I had two nontraditional students in my class. They sat in the front, answered questions with good humor, and radiated warmth and support as I navigated a classroom of college students in my new career.

These mature students — Aldine and Donna Owens, who were custodians at the university — adopted me as one of their own, and became my best friends.

When the university had snow days, and it was too slippery to drive or too dangerous to walk on campus, Aldine and Donna risked the elements to go to

work. Their jobs were essential, because other jobs could not be accomplished without them. They never asked to be acknowledged, but where would any of us be without the power of the custodians of our species?

Academic departments are brimming with bright people with hard-earned doctoral degrees. We walk into classrooms and engage students with our logic and knowledge and philosophies. This is important work, for sure. But the environment in which we operate is made functional by our department secretary, Tonya Pyles. She is the colleague whom I respect and value the most, because not only does she manage and maintain the operation of our work environment with impeccable efficiency, but she does so without seeming harried or preoccupied by hollow ego. By dint of her impressive work ethic, Tonya elevates the quality of my career.

Smart people all over the world know who the most powerful of the species is — the secretaries, who are traditionally women.

Strengthening communities

When our kids were little, they delighted in local Easter egg hunts and breakfasts with Santa. I wondered who organized these magical community events. Then I met Rose Gessner and Phyllis Ream, the past and present presidents of the Millersville Lioness Lions Club. So powerful in their selfless service were these two that I promptly empowered myself by asking to join this community organization.

Rose, Phyllis and the other women in this club volunteer for Meals on Wheels; they organize fundraisers to benefit local students with scholarships and clothing; they honor our veterans; they organize events that create happy memories for the children in our community. They curate little libraries in our neighborhoods, collect necessities for food banks and clean up spaces for others to use. When-ever I walk into a room of Lioness ladies, I am in the company of the most powerful of the species, as they weave the threads that strengthen our community and our world.

Empowering others

On a recent Friday evening, my family was having dinner with Zenaida E.S. Uy, professor of physics at Millersville University.

We imagine heroes whose superpower is lifting up others so that we all have a share in the success of life. Zeny is the living embodiment of that ideal. In my case, Zeny extended her arms to embrace my entire family. She is the magic you read of in fairy tales; my children grew up thinking she was their fairy godmother.

I mentioned to Zeny that I had been given the opportunity (by a female colleague and friend, Janet Kacskos, the university's communications director) to write an article about women who too often are written out of the narrative, but that I was struggling with my approach. As she always does, Zeny showed me the way — she suggested that the university's custodians, the unsung heroes of our institution, be my starting point. And, as usual, she was right.

So it's fitting that I end the piece in tribute to Zeny, who is powerful not only because of her stellar professional achievements in physics, but because she has empowered those around her with her unassuming humanity, generosity and grace.

What I have learned, in my own pursuit of empowerment, is that truly powerful people neither need nor seek approval or recognition— because the source of their power is internal. Women who use their internal power to empower others are the most powerful of the species, because their internal power is limitless and timeless. These women may not be in the history books, but we don't live our lives through history books. We live our lives in the present moment, traveling through the uncertain and uneven landscape of life — and if we look around, we will notice that it is the most powerful of the species who are lifting others up, weaving the fabric of our communities, and spurring the world forward: women.

So, in this Women's History Month, here's to all the women out there; you are the most powerful of the species. Pass your power on!

Where would any of us be without the power of the female of the species?

Please stop by Saturday morning to put together a Jared Box.

Tours

The trolley bus will pick you up at the convention hotel and take you to Hershey, PA for a 75-minute Hershey history tour. Highly knowledgeable and entertaining conductors will take you through the Hershey of today, then jump back all the way to a time before there was a town, or a chocolate factory, or even chocolate in America for that matter. You will then journey through the inspiring life of Milton Hershey, visiting the historical sites of town he created, and tasting the chocolate that made him famous. The tour will end with an exclusive, spectacular view of the Sweetest Place on Earth from the "Welcome to Hershey" Hill. **Make sure to sign up on the registration form or online.**

The second guided tour on Friday morning will be to **Vision Resources of Central PA (VROCP)**. **Vision Resources** is a 100-year-old community benefit organization with a mission to facilitate independence, enrich the quality of life, and empower individuals who are visually impaired or otherwise disabled through prevention, employment, and educational awareness programs. The agency serves Cumberland, Dauphin, Franklin, and Perry counties. **There is no cost for this guided tour.** A bus will pick you up at the convention hotel for a short drive over to VROCP for a tour of the agency. VROCP is unique for a non-profit agency. To support their services, between 80% and 85% of their income is generated by their VR Business Services division through carpet installation, housekeeping, pen production, printing, and PA Driver's License services. You will leave saying, "I never knew they offered that." **Although there is no cost, pre-registration is required.**

Pennsylvania Lions State Convention

May 17-18, 2024

Harrisburg, PA

Dear Band Directors, Lions, Former, and Future Pennsylvania Lions All-State Band Members:

The Lions of Pennsylvania have organized an All-State Band annually to accompany the Lions Delegation to their State and International conventions since 1982. This year, the Lions are organizing a band to perform for the 2024 State Convention to be held May 17-18, 2024 at the Red Lion Inn and Convention Center in Harrisburg, PA. **Dr. Russell McCutcheon**, Director of Bands at the Sunderman Conservatory of Music at Gettysburg College, will again serve as our Musical Director.

Selection is based on past participation in the Lions All-State Band, instrumentation needs, experience on your instrument (beginning with 9th grade, with older students usually selected first), and participation in other musical events including County, District, Region and All-State Bands. Students who are Leos, or whose parents are Lions or recommended by Lions Clubs will also garner consideration.

The state convention, provided at no cost to students, will involve one overnight stay. For your convenience, if enough students participate from certain parts of the state, the Lions will charter a bus to make several stops to bring students to and from the convention. At this time, we plan to have a bus from the Pittsburgh and Scranton areas, if needed.

Applications will be completed online at our website www.palionsband.org.

Students selected for the band will receive notification via e-mail in early April. Remember, the Pennsylvania Lions fund the entirety of the \$20,000 cost for the State Convention Band. Therefore, please check work, school, and other schedules to be sure that if you are accepted you will attend. We aim to provide this opportunity as many students as possible.

Our uniform consists of a Pennsylvania Lions All-State Band Polo (provided) and white pants and shoes. **You need to bring White pants/trousers, white shoes, white socks, and a music stand with you to the state convention.** We look forward to working with you!

Sincerely,
The Pennsylvania Lions All-State Band Committee
