Message from the 1st Vice District Governor Deb Keepports

Hello Lions and Leos!

It's 2024! Happy New Year! I hope everyone was able to spend some time with family and friends over the holidays and enjoy some great food.

Just to let you know, I'll be attending Vice District Governor training, along with Second Vice District Governor Steve, the first weekend in January. Lots of great instructors and great information to absorb so that as we move up to become District Governor, we are ready to hit the ground running.

Have YOU considered stepping up, whether it's in your own club or at the District level? We are always looking for fresh new faces to become our next leaders. Some Lions are just natural leaders, others are what I refer to as emerging leaders. These are the individuals who have stepped up in their club to lead a new fundraiser or service project with great success or stepped up to hold an office for the first time in their club. Many of these same individuals don't see themselves as leaders or realize the potential they must be a great leader.

I know when I joined Lions as a Charter Member, I had not thought of being a Club Officer let alone a District Governor one day. I just wanted to join the greatest service organization, yet somehow, I became the Club Secretary. Many doors and opportunities have opened along my journey as a Lion which have allowed me to grow while serving as a Lion. Why am I sharing a part of my story because it can also be your story! There are SO MANY resources available to all Lions both through the Lions International website and through training that is offered at the club, district, state, and international levels. Please consider taking the first step to becoming a leader. If I can do it, YOU can do it!

As always, THANK YOU to each and every Lion in District 14-D for your service! We couldn't do it without you.

First Vice District Governor, Deb Keepports

Message from the 2nd Vice District Governor Steve Lowe

Happy Holidays, Lions!

Once again, my message this month is going to be brief, as I am sure that everyone is still recovering from a great holiday season! I hope that everyone has had a chance to relax and rest with their families and loved ones over the holidays. January marks the beginning of many things. Obviously, the first thing that comes to mind is the beginning of the new year. With a new year comes resolutions, both personal and professional. I hope that everyone had a chance to reflect on the past year and set a course for the new one.

January also marks the beginning of the second part of the District Governor's New Member Challenge. This runs from Jan 1, 2024, through March 31, 2024. For individual clubs, the challenge is the club within their REGION with the most NEW members during this period will receive an award at the District Convention (5 Regions 5 awards). Individual Lions are also able to contribute via the sponsor from each REGION with the most NEW members during this period will receive an award at the District Convention (5 Regions 5 awards).

As we move into 2024, what are we doing personally, professionally, and as Lions to live our motto, "We Serve"?

In Lionism,

Steve Lowe

A PLANNED GIVING PUBLICATION FROM LCIF

FALL 2023

Creating a Compelling Future for the People We Serve

Lions International Past International President Douglas X. Alexander often states his belief that “service to others is the rent we pay for the space we occupy here on Earth.”

In 1984, when Lion Doug, who was born and raised in Brooklyn, New York, was a branch manager for a bank in the Bedford-Stuyvesant neighborhood, the bank encouraged community organization involvement. Although Lion Doug was approached to join several charitable organizations, it was important to him that he not just join, but also have the opportunity to actively serve in the community he loved.

When Lion Jerry Dash first invited him to a meeting of the Brooklyn Bedford Stuyvesant Lions Club, he

immediately knew he had found the right organization. Shortly after becoming a Lion, Lion Doug distributed food baskets with the club for the Thanksgiving holiday. He still recalls the look on the face of one woman who gratefully exclaimed, “Nobody has ever done anything for my family before!” This was truly Lion Doug’s “Lion moment,” when he fully experienced the reward of providing service to others.

Continued on Page 2

The lives of future generations will be transformed with Lions International Past International President Douglas X. Alexander’s gift to LCIF in his estate plan.

Creating a Compelling Future for the People We Serve

Continued from Page 1

"Feeding the hungry has always been a special interest of mine, and I walked away from that experience with such a good feeling," he says. As Lion Doug continued to serve Lions Clubs International and Lions Clubs International Foundation in a variety of roles at the club, district and international levels, he saw firsthand that Lions truly are a large global family whose compassionate and dedicated service impacts the lives of millions.

He also witnessed many life-changing events associated with LCIF grant-funded Lion service. During a visit to Puerto Rico, years after Hurricane Maria devastated the region in 2017, Lion Doug recalls the amazing efforts of Lions who are still actively leading disaster reconstruction efforts with LCIF grant funds.

Amidst the lingering devastation, he had an emotional visit with a family in their heavily-damaged home. Yet, as he left, he was pleased to see the foundation of a replacement home being poured, thanks to Lions and LCIF. Long after other organizations had left and the media was no longer covering the disaster, Lions remained.

"As Lions, we should all be proud of this unwavering commitment, consistent with our ideals, that continues to provide so much comfort and hope. LCIF helps make this long-term, lifesaving service possible."

Lion Doug also saw the introduction and rapid growth of our Lions Legacy Society during the final years of the historic Campaign 100. He was impressed that so many Lions augmented their dedicated service with future gifts that will certainly transform the lives of future generations and empower the communities we serve. So, after ensuring that his family would be provided for, he was pleased to increase his generous support to LCIF with a gift in his estate plan.

"Long after I am gone, I will still be supporting the foundation that I love," he reflects.

Create a Brighter Future With One Sentence

Use the following language for your will or trust to ensure your support for stronger communities and humanitarian aid for those in need continues after your lifetime:

"I give to Lions Clubs International Foundation, a nonprofit corporation currently located at 300 West 22nd Street, Oak Brook, Illinois 60523-8842, or its successor thereto, _____ [written amount or percentage of the estate or description of property] for its unrestricted charitable use and purpose."

Your passion for improving your community and the world can live on for years to come when you include Lions Clubs International Foundation in your estate plan. Contact **Robert Kanonik, J.D.**, at **630.468.7067** or **robert.kanonik@lionsclubs.org** to learn more.

Start Your Legacy Today

Help Us Change Lives Today and Tomorrow

Everyone has different things that they must account for in their budgets, and juggling it all can make it hard to decide how much to give to your favorite charitable causes. The good news is that your support doesn't have to come all at once.

By combining a current gift with a future gift, you can make a big impact on the people and communities we serve—both today and tomorrow. Your generosity will help us meet critical needs today and allow us to plan for the future with confidence.

Get Started Today

You can make a positive difference for others and put the wheels in motion for creating your philanthropic legacy. Here's how to make an immediate impact:

- **Donate cash.** You can give a little every year or one lump sum to help us provide operational necessities.
- **Make a gift of other assets.** Stocks, bonds, real estate and other property that have grown in value since you first purchased them make it possible to give a larger donation for less cost—and provide you with tax benefits.

Plan a Future Gift

It costs you nothing today to include Lions Clubs International Foundation in your future charitable plans. You'll leave your legacy and support the people and causes you cherish most. Here are some ways to support our future that won't affect your financial situation today:

- **Include LCIF in your will or trust.** This is an easy and flexible way to extend your support. You can give a specific amount or leave a percentage of your estate. As little as one sentence in your will is all it takes to complete your gift.
- **Donate retirement plan assets.** By making a simple designation on your plan's beneficiary designation form, you can save your loved ones from a significant tax burden while helping LCIF.
- **Donate a life insurance policy.** You can donate a no-longer-needed policy or simply name LCIF as the beneficiary.

We are here to help if you have any questions about how you can maximize your impact for millions of people worldwide. Please feel free to contact Robert Kanonik, J.D., today.

What Is Your 'Why'?

"Why" is a word that drives us.

It does more than ask a question—it defines a connection, a relationship. Why do we love the people we love? Why do certain sights, sounds and smells stir our souls? Why are we moved to improve the world through kindness?

The answer always comes with a story. It's the best part about "why."

The relationship you have with Lions Clubs International Foundation is driven by your unique "why." There may be a deeply personal reason you care so much about giving your time and energy to others, a story that compels you to help us take action and make a difference.

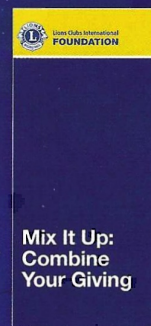

That story also reinforces your values. Kindness and compassion aren't important to you by accident. They have a source—an inspiration—and they connect you to LCIF on a personal level: *I value what you value. Your mission is my mission too. I want to see this work carry on for generations.*

This is what makes your relationship with LCIF so special. You share our values and invest in the longevity of our mission. Your "why" and our "why" are the same. Your story and our story are connected.

With a legacy gift to LCIF, you can carry on our shared values beyond your lifetime. Together, we can improve health and well-being, strengthen communities and support those in need worldwide for generations to come.

DOG GUIDE UPDATES

A NEWSLETTER OF PENNSYLVANIA LIONS FOR DOG GUIDES, INC.

VOLUME (2), EDITION (1)

August 9, 2023

Editor: PDG Linda Gibala lindakay46@yahoo.com

WELCOME TO A NEW DOG GUIDES FISCAL YEAR: PA Lions for Dog Guides, Inc. would like to take this moment to thank our Immediate Past District Governors of Pennsylvania Multiple District -14 for all your hard work and guidance this past year in leading our Pennsylvania Lions through another successful year of Lionism. We hope for your continued health and leadership in your new roles as Immediate Past District Governors.

To our new District Governors, welcome to your new roles as you take the reins of leadership in each of our 17 districts throughout the Commonwealth. Thank you all for taking on this very critical and accountable position in each of your districts, and for assuming the administrative, management, and participative faces of volunteerism in the delivery of humanitarian services to our local communities statewide. We wish you all a fruitful year of meeting all your district-wide goals and doing your share of "CHANGING THE WORLD" one step at a time in 2023-2024. Our best wishes to all our new IPDGs and DGs of PA Lions Multiple District-14.

SO, WHAT IS A "PL4DG"? We are constantly looking for new ways to increase our ability to contact and communicate with our stakeholder audiences. We are presently opening new doors to follow us and learn more about PA Lions for Dog Guides (PL4DG). Thanks to Dog Guide Life Member, Lion Melinda Hill, we have very recently opened our new Facebook page, www.facebook.com/PL4DG. Lion Mindy is also presently developing our new website at this time, and we plan to go live shortly down the road. Stay tuned. We hope that you will all become frequent visitors to our new Facebook page, and we hope that you all will look forward to our website information as well, after we have made all the updates and construction of the site is completed.

PL4DG AT OUR PA LIONS STATE CONVENTION: Once again, Dog Guides was well represented at our PA Lions State Convention in Indiana, PA this year. Special congratulations and a thank you are in order for District 14-J for hosting this fantastic convention... ending in a tremendous and most colorful fireworks show. PL4DG set up their organizational table display at the vendor hall again this year, where we were able to share our story, provide vendor information and certainly enjoy meeting our old and new friends. We received many new and renewal memberships to Dog Guides throughout the course of the convention. We also held our PL4DG Annual Membership Meeting, where we discussed several issue areas, made substantial and needed by-laws changes, and held our election of officers and directors.

EXPANSION OF OUR VETERINARY ASSISTANCE PROGRAMS AND SERVICES: After much research, discussion, and extensive due diligence, several changes in our bylaws were made at our annual meeting in May 2023. Generally, we have needed to expand our emergency veterinary services program to include additional working dogs other than only vision canines. We have also needed to increase the maximum stipend offered to clients who are approved applicants, and we have relaxed some of our previously held limitations and restrictions on service dog training and certifications we had previously

required for applicant eligibility. With by-laws revisions now in place, we encourage you to seek applicants on our behalf and to advise our stakeholder population in Pennsylvania by letting them know more about us and the services we can offer to help them.

PL4DG BY-LAWS CHANGES INCLUDE THE FOLLOWING:

ARTICLE II—PURPOSE

SECTION A-1...shall read... “Locate qualified visually impaired and /or other disabled persons and assist those individuals in obtaining a leader dog, dog guide, or medical alert, medical assistance, medical detection dog from a dog guide school or training facility approved by the present officers and board of directors”.

SECTION A-3a...shall read... “Render emergency veterinarian financial assistance to any active, working canine graduate, trained and issued by an officers and board-approved dog guide school or training facility program, and to a visually impaired or other disabled Pennsylvania resident under certain specific circumstances. Such circumstances shall be limited to: working, career-threatening illness or working, career-threatening accidents in which the canine in question has been severely injured. An amount not to exceed \$2,000.00 US currency shall be awarded at the discretion of the Board of Directors in each case.”

SECTION A-3b...shall read... “Veterinary financial assistance shall be limited to trained guidance, medical alert assistance and illness detection canines to include visual and hearing impairment, diabetes, stroke, seizure, physical disability, and other illness detection canines. Companion pets, search and rescue dogs and K-9 crime enforcement dogs are not considered applicable working professions for financial assistance under this program.”

An amount not to exceed \$2,000.00 US currency shall be awarded at the discretion of the board of directors in each case.”

ARTICLE III—MEMBERSHIP

ARTICLE X---ADOPTION

PL4DG AND DESIGNATED DOG GUIDE LIAISONS ARE STEPPING UP TO ASSIST: As you may recall in our last newsletter, we encouraged Pennsylvania Lions Districts to consider designating a Lion in each district to serve as Liaisons to help us better connect with the numerous clubs and Lions and communities in each of our 17 districts of MD-14. It is without doubt that the closer we are to our communities across this Commonwealth, the better we will remain to serve them. Local advocates can help us considerably to create greater awareness of DOG GUIDES as an organization and its mission to serve working dogs in need of care. With local Liaisons working in conjunction with Lions district and club leaders, our corporate officers, directors and members, we can better coordinate and offer a most effective communication to facilitate our humanitarian mission and service at the local level. We are pleased to have Lions always rise to the occasion by volunteering and advocating locally for PL4DG. Special thanks to all our numerous members who represent us well, and to those Lions who serve locally in a liaison capacity. Special thanks to Lion Louise Hanson(14-A), Lion Hunter McVey (14-L), PDG Tom Toland(14-N), PDG Keith Shoaf (14-C), PDG Geri Towson (14-A), Lion Amanda Remic(14-E), Lions Mindy Hill, Carolyn and Mike Winkler(14-N) who have been running the extra mile for us this past quarter.

The Link

Welcome!

We are excited to introduce you to our newsletter, known as, The Link. The newsletter will feature the grants that were approved and the community impact we have throughout Pennsylvania.

The newsletter is a tool for us to keep our donors informed to show the support we are giving to the Lions Clubs in their community. Making a community impact requires a collaboration and the foundation is a financial link in that collaboration and community impact.

Moving forward we would like to share your story of why you support the foundation or why you are a Lion.

You can send your story to me at wadamar3@aol.com.

The Board of Directors wishes all of you and your families a safe and happy holiday.

Thank you and have a great day!
Wade Markel
Executive Director

The Columbia Lions Club and hundreds of volunteers delivered 600 Christmas food boxes to deserving families in Columbia, Marietta, Wrightsville, Mountville, Washington Boro, Silver Spring and Salunga. Thanks to the Columbia Borough Fire Department for providing the fire hall and delivering dozens of boxes along with fire departments from neighboring towns. The former Columbia Jaycees, Columbia Lions Club and Sunsnappers (another service organization) have organized the Christmas food box project for more than 25 years.
