

**A Message from District Governor Deb Keepports**

Hello Lions and Leos!

Don't forget to report next year's club officers into the Lion Portal? If you don't enter your club officers before the new Lions year, your club officers will be locked out.

In March, the Multiple District held its annual Regional Lions Leadership Institute (RLLI) in Harrisburg. Members attending from our district included Mary Schreiber with the East Petersburg-Landisville Lions, Ellen Pruden with the West Earl Lions Club, and Eric Fleming with the newly chartered Warwick Area Lions Club. Thanks to each of you for stepping up to become a better leader for your club and our district.

I want to thank the clubs that came out to celebrate their Club President at Presidents' Honor Night at Yoder's. I will say, I expected clubs to have made more noise that evening when the gifts were being presented to the Club Presidents. □

Also, thank you to those who attended the District Convention. You helped pack 250 Jared Boxes. Congratulations to FVDG/DGE Steve Lowe and SVDG/FVDE Craig Merkey! You are in good hands with these two leaders! Also at the convention, from our fundraiser, the District was able to ceremonially present a check for \$6000.00 to Special Olympics of Pennsylvania, specifically for use in Lancaster County. I will be presenting the actual check to members of the Special Olympics Athlete Leadership team at a future date. Thank you to the clubs for supporting this fundraiser.

Don't forget, I will be going "Over the Edge" again this year for VisionCorps. As you know, my passion is Vision. Look for the flyer in the newsletter on how to support me with this great fundraiser.

As always, **THANK YOU** to each and every Lion and Leo in District 14-D for your service! We couldn't do it without you.

Only one more report for me to write after this month.

District Governor,  
Deb Keepports

## Message from the 1st Vice District Governor Steve Lowe

Happy Spring, Lions!

I hope that everyone is getting the opportunity to get out in some great weather and spend time outside with family and friends. As you are receiving this message, I am probably in Scranton, PA for the State Convention. What an exciting time for the PA Lions. We get to meet and spend time with our International President, Fabricio Oliviera. We also will be making official the MD-14 nomination of our very own Dick Sware as a candidate for International Director. As we start thinking about next Lionistic year, I wanted to take a minute to look back at the whirlwind that was THIS Lionistic year. DG Deb had some goals that her Global Action Team worked on in Orlando at the Mission 1.5 Summit this past summer. They were stretch goals from the ones that she had set in preparation of her District Governor year. The three of us who worked on them felt that they may truly be a "stretch". Our district stretch goals were: 2 new clubs; 93 new members; and a net gain (loss) of (-18) members. Before we look at how our district did - spoiler alert.....DG Deb is a rockstar.....let's look at the state of Pennsylvania as a whole.

MD 14 (Pennsylvania – the whole state) had a goal of 19 new clubs for this Lionistic Year. To date, we have added 3. Last year, we added 2. So while we fell short of the goal, we still improved our number of new clubs by 100% from the previous year. Great job, PA! Our goal for number of new members is 1391. Currently, the state has 908 new members. Last year, we ended the year with 993 new members. We are on track to break 1000 new members if we continue to grow at our current rate. Again, great job, PA. The goal for net gain of members (# of new members – # of members lost) is a loss of 297 or (-297). Currently we are sitting at (-118), which is an improvement of 179 members, but we all know about the June 30<sup>th</sup> membership dump of dropped members. Last year the net gain was (-38), meaning that we had 38 members less than we did at the same time the year previously. I shared the state information to highlight how we, the Lions of Lancaster and Lebanon Counties (District 14-D), stack up against the rest of the state.

Let me introduce everyone to OUR numbers! We have a stretch goal of 2 new clubs for our district this year. To date, we have chartered 1 new Lions club and 2 new Leo clubs. Unfortunately, the Leo clubs do not count toward our official numbers. Our stretch goal for new members is 93. We honestly thought that was a pretty big stretch since we had hit 70 members last year. To date, we have **100** new members in our district, with two months left to go in the Lionistic year! Goal CRUSHED. Our goal for the net gain of members for our district this year is (-18) – a loss of 18 members from the previous year. Last year, we ended up with a gain of 1 new member over the previous year. To date, we are sitting at +31 for the year. This means that as of RIGHT NOW, we are exceeding our goal by 49 members. Again, there is always a rush to drop members who have left on June 30<sup>th</sup>, but again – we have two months left in the year to bolster our new members which will affect our net increase as well. All in all – our district is sitting at the top of the MD-14 hill in growth. More members = more service = more leaders developed. I couldn't be more proud to say that I am a Lion of Lancaster and Lebanon County, PA!

In Lionism,

DGE Steve Lowe

## Message from the 2nd Vice District Governor Craig Merkey

I Happy May!

It was great to see everyone at Presidents' Honor night coming out to support their Presidents. If you haven't thought about taking on this leadership role in your club, you should consider this as many clubs are always looking for a member to step up and get in line as a 3<sup>rd</sup> Vice President. I am not sure why this is feared by many, we are in clubs that support each other in our projects, committees, and involvement in the community. I am sure you would have everyone in your club encouraging you as you develop into the president position. Take that chance to learn something new! You are never too old or too young! As a Past President, the members of our club, were always there to help, guide and correct when I needed to learn Robert's Rules! I learned quite a bit being President 3 times over the years, maybe it took me 3 times to get it right? Who knows?

Thank you to those that attended the District Convention and voted in support of me being your First Vice District Governor this next year. As your First Vice District Governor Elect, thank you for the opportunity to serve you all in our great district of 14D. I understand that I have things to learn through the training Lions International provides to best serve our district and grow our Lions in Mission 1.5. It will take all of us to reach out and ask people to join in our service for our communities.

The Jared Box project was completed so quickly with everyone participating in filling the boxes. Thank you for coordinating this project! The Necrology service was a nice celebration of life for all the Lions that passed during the previous year. They have provided many hours of service throughout the district and will be missed by our Clubs and families.

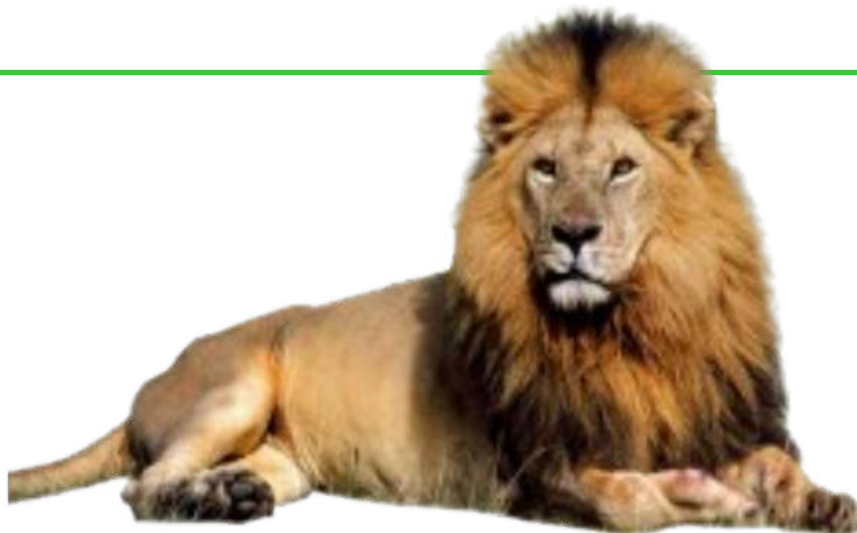

As I look forward to this next year, I would like to hear from you about what would help you as club members at the District Convention. Would you like more educational/information sessions to learn more about Lions? Learn more about the cabinet committees that work on many of the projects and events throughout the Lion year? Learn more about the positions you can serve in at the Club level/District level? What training is missing to help your club members be more successful? How to recruit Lions? (yes, I know we hear that all the time, but what is working for your clubs?) Maybe more of a roundtable of sharing ideas? We have had some great growth this year, how do we keep that going?

Craig Merkey  
2nd Vice-District Governor

## WHY I GIVE STEPPING UP

Deb Keeperts, District Governor for Lions Clubs of Lancaster and Lebanon Counties learned about community service at a young age. "My Pop-Pop was a member of Lions Clubs back when I was growing up. Years later, when the opportunity came for me to join, I said 'Yes!'" Lions International is well-known for supporting vision-related services, and local affiliates do a lot for VisionCorps.

*Deb going over the edge at a VisionCorps Eye Drop fundraiser.*

"I had known of VisionCorps, but I didn't know about it," Deb said. In 2021, she invited Chief Development Officer Megan Tomsheck to do a presentation to her local Lions Club. "At the end of the presentation, when Megan reminded everyone about VisionCorps' Eye Drop fundraiser, our Past District Governor, Bill Grager, 'nominated' me to go Over the Edge!" Deb said. Bill's wife had done it twice. "The funny thing is, everybody thought that rappelling down the side of the Holiday Inn is what would get me out of my comfort zone. But the real challenge for me was having to secure \$1,000 in donations from sponsors. It brought back memories from high school: selling candy, magazine subscriptions, subs, and pizzas to support our band." She needn't have worried.

"Without hesitation, my employer and co-workers stepped up to donate," Deb said. She works as a paralegal for Atlee Hall, LLP. "Other donors soon followed. I was really blown away by how much I was able to raise." She's now done two Eye Drops, and is planning her third next year to commemorate the end of her term as district governor in June of 2025.

For the 2023 Eye Drop, a local tattoo artist offered to donate proceeds to VisionCorps. At the suggestion of the COO from Atlee Hall, LLP, Deb and three of her co-workers stepped up and each got a tattoo. "I'm involved with adopting dachshunds that are rescues, so my tattoo was a Picasso-style dachshund," she said.

Her support of VisionCorps is also personal. "When my Pop-Pop got shingles in the 1970s, he was warned not to let it get into his eyes, but eventually it did. He didn't lose all his vision, but he had to give up his driver's license," Deb said. Later, her mother and uncle were diagnosed with macular degeneration. "Sadly, the one thing my mom loved more than anything was to read. I've since learned that I have some of the same genetic markers for macular degeneration."

Deb believes that attitude is everything. "If you experience a vision loss, don't be afraid to ask for help to regain your independence." There are organizations out there to help. If you know someone who is losing their vision, tell them about VisionCorps. Get involved. Become a volunteer driver. Donate. The thing is, you never know if you or someone you love is going to need these services in the future."

In 1948, PDG Carl Shoemaker helped found Vacations for the Blind, a summer camp designed for adults with vision impairment. Since then, the name was changed to PA Lions Beacon Lodge Camp. The program has also changed to include children and adults with a wide range of disabilities. # TIPS for Traveling with Diabetes

## WITH ADVANCE PLANNING YOU CAN ENJOY YOUR VACATION AND KEEP ON TRACK!

The distance of your travel, length of time you will be gone and country you are visiting can all make a difference in your plans. Here are a few examples and tips for navigating.

### Short Road Trip

- ✓ Take twice as much medication as you think you will need.
- ✓ Take glucose monitoring supplies.
- ✓ Split your medications with your traveling partner and make sure your medications are not in a different vehicle.
- ✓ Aim for a variety of fresh fruit and vegetables and lean protein.
- ✓ Take a walk every day with comfortable shoes.
- ✓ If you are on insulin—keep your insulin cool using an insulated pack.

### International Travel

- ✓ If you are taking medication once per day, be mindful of time zone difference.
- ✓ Take a prescription for all your medications with you and take at least twice as much medication as you think.
- ✓ Share your supplies with friends and take them on the plane so there is little chance they will be lost.
- ✓ If you are not on a continuous glucose monitor—consider adding it in.
- ✓ Make sure you talk with your diabetes team about potential changes in medication prior, during and immediately after your trip.
- ✓ If you are on insulin—keep your insulin cool using an insulated pack.

### Backpacking

- ✓ Consider changing how much insulin you give for your food to reduce your risk of over doing insulin.

**IF YOU HAVE DIABETES, THERE IS A LOT MORE YOU CAN DO TO REDUCE YOUR RISK FOR STROKE.**
