

**A Message from District Governor Steve Lowe**

Hello Lions!

I hope that everyone is as excited as I am that football season has officially started! That means our lives are getting pretty busy cheering for the West Virginia University Mountaineers or the University of Tennessee Volunteers as they make their yearly run up the rankings only to lose to a non-ranked team. Oh well. There is always the Penn State Nittany Lions to cheer for.

We are quickly approaching the Region Rallies coming up in October. I can't stress enough the role that these rallies play in our district. These rallies allow us to get together with other Lions in our Regions to swap stories about how we are doing our service, wins and losses on fundraising ideas, as well as allowing us to celebrate our Lions who are receiving fellowships and awards from the Immediate Past District Governor. These rallies help to keep our district from having to pay District dues, unlike the majority of Districts in PA.

Upcoming dates for club visits:

September 6<sup>th</sup> – Membership Symposium in Harrisburg

September 9<sup>th</sup> – Lancaster Historic Lions Official Visit

September 15<sup>th</sup> – South Lebanon Lions Official Visit

September 16<sup>th</sup> – Palmyra Area Lions Official Visit

September 18<sup>th</sup> – 21<sup>st</sup> – USA/Canada Lions Leadership Forum in Atlantic City, NJ

September 22<sup>nd</sup> – Bareville-Leola-Leacock Lions Official Visit

September 24<sup>th</sup> – Lebanon Lions Official Visit

September 27<sup>th</sup> – The George Oram Memorial Golf Outing presented by the Warwick Area Lions Club

September 28<sup>th</sup> – District Cabinet Meeting #2

October 1<sup>st</sup> – Lafayette Lions Official Visit

October 2<sup>nd</sup> – Region II Rally

October 4<sup>th</sup> – Fall Leadership Forum in Harrisburg

October 6<sup>th</sup> – Wakefield Lions Official Visit

October 8<sup>th</sup> – Lancaster Lions Official Visit

October 9<sup>th</sup> – Region V Rally

I have had some amazing visits so far and have enjoyed the opportunity to spend time with Lions that I hadn't had the chance to meet yet. I can't wait to start sharing stories about things that I have learned from each of the club visits and the awesome projects that your clubs are working on.

In Lionism,

District Governor Steve Lowe

## Message from the 1st Vice District Governor Craig Merkey

Hello Lions,

I just returned a week ago from Leader Dogs for the Blind in Detroit, Michigan. What a great experience to learn about our partnership with them as Lions! Do you know that services for the blind and visually impaired are free of charge funded partially through the donations that Lions make each year and rest is made up donations from other sources. There is no government funding supporting this great organization.

The most impactful part was meeting and hearing the stories from 2 recipients of Leader Dogs. I cannot imagine the impact of losing my vision knowing how much we depend on our sight to do so many things. The one guy had traveled by himself to Detroit from Atlanta the first time! The assistance he received was getting to the next gate during his flight. After walking blindfolded with a Leader Dog, you would be putting a lot of trust in that dog to lead you in the right direction and not run into things that you cannot see. We walked around the sidewalk there with the Dog as we were blindfolded, and I had seen the low trees before putting on the blindfold and I was worried that I would walk into the limbs hanging down, but that didn't happen. We also had "dinner in the dark" wearing the blindfold. Now, we had held dinner in the dark as an evening meal event for the Baron Stiegel Lions years ago. Being on the other side of the event was quite a learning experience! From the description the server gave to the location of the food on our plate and to let us know they were placing it on the table in front of us. I successfully had dinner without getting it all over my shirt and kept the blindfold on until the speaker was talking about his experience of losing his sight. Cutting bite-sized pieces of chicken was a bit challenging, they were not very consistent, and one was much bigger than it felt on the fork.

I walked around looking for bricks from our District in the walkway, I must say after finding several Past District Governors' bricks, I did find that Akron Lions had 10 bricks and one for a member in their club.

Never did I think I would learn so much in one weekend, but hearing the challenges and the effort these recipients went through before finding Leader Dogs for the Blind and seeing how grateful they were to become independent again after feeling so isolated from the loss of their vision. I would urge clubs to continue to support this organization and make connections with those in need in your communities with Leader Dog.

Thank you for allowing me to serve you this year!

Craig Merkey  
1st Vice-District Governor

## Message from the 2nd Vice District Governor Pat Benson

Hello Lions,

I attended my first State Council meeting and 2ndVDG orientation at the beginning of the month. It was very interesting, and I know a few Lions who are also SVDG because we attended RLLI together a few years ago. If you have the time and would like to learn more about Lions and yourself, I highly recommend RLLI, Regional Lions Leadership Institute.

One of DG Steve's goals this year is to induct 97 new members into existing clubs. I would be happy to come to one of your meetings and talk about ways we can increase membership and some ideas for recruiting new members.

I am looking forward to meeting and attending as many clubs as I can to see and learn about the great service and projects you are doing.

Hope to see you at our next District 14D Cabinet meeting on September 28<sup>th</sup>.

Pat Benson

**LIONS INTERNATIONAL**  
**WEEK OF SERVICE OCTOBER 4<sup>TH</sup>-12<sup>TH</sup>**  
**MENTAL HEALTH AND WELL-BEING**

As a friendly reminder, Lions International's First Week of Service is coming up on October 4<sup>th</sup>-12<sup>th</sup>. How many clubs are going to do a service project for Mental Health and Well-Being that week? In order to be eligible for the Club Excellence Award for the Lions year 2025-2026, clubs must hold **AND REPORT** a service project for service during each of the week of service projects scheduled for this Lions year. Below are some ideas for service for Mental Health and Well-Being:

- Visit some residents at a nursing home, those without any family to visit get lonely.
- Assemble care packages with journals, herbal teas, stress balls and resources for local counseling.
- Organize a walk in a park with cellphones turned off.
- Organize weekly neighborhood walks in your area, encouraging connections, exercise and accountability.
- Have a table at a park with a cut out of leaves and have kids share their feelings on these leaves.
- Have a "gratitude wall" in a public space where people can post what they are thankful for.
- Post signs with words of encouragement in your yard and/or your development such as the example below.

## DISTRICT 14-D CABINET MEETING

**Hosted by: Region II**  
**Zone A & B Chair: Ellen Pruden**

**All Lions, Lioness, and Leos invited to attend!**

*All voting Cabinet members to wear green shirts and grey, everyone else to wear business casual, no jeans.*

**Date: Sunday, September 28, 2025**  
**Place: Samuel United Methodist Church**  
1744 Old Rothsville Road  
Lititz, PA 17543

**Meeting Time**  
**1:15 pm - Voting Cabinet**  
**2:00 pm - Full Cabinet**

**SO THAT WE CAN PLAN FOR SNACKS FOR THE AFTERNOON,  
WE WOULD LIKE TO HAVE CABINET MEMBERS, CLUB PRESIDENTS,  
CLUB SECRETARIES AND ALL CLUB MEMBERS PLANNING TO  
ATTEND, NOTIFY THE CABINET SECRETARY OR ZONE CHAIRS**

**A donation to help defray the cost for Region II would be appreciated.**

## Lions Clubs International FOUNDATION

300 W. 22nd Street, Oak Brook, IL 60523-8842 USA | +1.630.571.5466 | [LCIF.org](http://LCIF.org)

Greetings Fellow Lions:

I'm starting at the end. I'm asking each Lion to donate to our Foundation, Lions Clubs International Foundation. Yes, I said OUR Foundation because that's exactly what it is. Donate whatever you can afford. Even a one time \$5 donation will make a difference in someone's life. Think of the impact that a donation of only \$5 from every one of our 1181 members will have. That's almost \$6000.

Donating is easy. It's as simple as: Google Lions Club International; Click on it; Click on the Yellow **Donate** Button then follow the steps. It's that simple.

Please consider setting up a recurring donation of whatever amount you can afford and how often you want the donation to occur. I've done that personally. Again, it's easy to do and once it's set up, it continues to run. After the first couple of donations, you won't miss the money. It's similar to donating to your 401(k) each pay. Again, think of the impact you can have over time. A \$5 recurring monthly donation is \$60 per year.

Many continue to say that they don't donate to our Foundation because the money is sent overseas. That's simply not true. Just last year, a \$335,000 disaster relief grant was given to help the communities in the southeastern United States recover from Hurricanes Helene and Milton. Total grants given in the United States last year were more than \$4.2 Million. Over time, \$3.5 Million has been given in Pennsylvania with \$440,000 given 2017-2022. Just recently, our district received a \$150,000 disaster relief preparedness grant. None of these grants would be possible without our donations.

I know that many of our fellow Lions don't read this newsletter. Please share this information about our Foundation with your fellow club members

Please let me know if your club would like me to visit and discuss LCIF with you members. I'm happy to come out and visit.

Yours in Lionism,

Dick Sware  
District 14-D LCIF Coordinator

# Type 2 Diabetes and Understanding My Medications

In any treatment plan, your health care professional will likely ask you to start with lifestyle changes first, but over time you may also need medications to reach your targets.

Talk to your health care professional about adjusting your treatment plan.

## Medications to manage your diabetes.

Medications help you manage your diabetes and lower risk for heart disease and stroke.

Some medications work to decrease the glucose produced by your liver.

Some medications slow the food moving through the stomach.

Some work to reduce the absorption of glucose via the kidneys.

To learn more about how medications for heart disease talk to your health care professional. It is important for you to stick to your medication plan. If you have difficulty taking your medications as prescribed, talk to your health care professional to find a plan that works for you.

## Medication delivery

Your health care professional may prescribe a pill, injection, or combination.

If you need insulin regularly, your health care professional may prescribe an insulin pump.

If you cannot tolerate the side effects of your medication, don't stop taking it. Talk to your health care professional about adjusting your treatment plan.

Talk to your health care professional about your next steps.  
You're not in this alone.

# 7 Tips to Care for Your Heart When You Have Type 2 Diabetes

When you have type 2 diabetes, you make a lot of decisions all day long. It can be overwhelming to manage so many things. But you're doing it and tackling each new day.

The American Heart Association and American Diabetes Association built Know Diabetes by Heart™ initiative to help you along the way. We hope you're proud of yourself for all of your hard work!

Add these seven tips to your self-care checklist to care for your heart and body to make all of your efforts count even more.

Your doctor can help you make a plan to:

Check in with your doctor regularly. Ask about your heart health.

Continue healthy eating habits. Add fruits and veggies as a start. Eating better will help you \*feel\* better.

Keep moving. Alone or with a friend, it can feel great.

Self-care can be heart care. Lowering your stress is good for your mind and body.

Quit smoking. For ALL the reasons.

Monitor your blood glucose, blood pressure, cholesterol and weight.

Take medication(s) as prescribed.

People with diabetes CAN lead healthier lives.
