

A Message from District Governor Steve Lowe

Hello Lions! I hope that everyone is enjoying the summer so far! As we get started with a new Lionistic Year, I want to encourage everyone to make sure that we are stepping up with our best foot forward and bringing in those new members who may have been on the fence about joining. When we get off to a great start for the year, it is much easier to continue to feed off of that momentum than when we take a break from introducing new people to Lionism.

I would like to invite any interested Lions to reach out to one of us on the District leadership team if you have any interest in learning more about the following areas:

District ADA Coordinator

District Leader Dogs for the Blind Liaison

Lions of Pennsylvania Foundation board member

Northeastern Pennsylvania Lions Service Foundation board member

Zone Chair (Region I & III in particular)

We are looking for Lions to step up into these positions to expand their knowledge and experience in Lions. As we work to Serve the Path Less Travelled this year, I challenge each of you to look into your heart and see what it is you can do to wide your horizons. Who knows where this journey can take you? I certainly did not expect to be a District Governor back when I served my club as President. All I wanted to do was to make my community a better place. This is just a stop on the journey of Lions and I am enjoying every step of it.

Some upcoming things that I would like to mention:

August 14-15: State Council Meeting #1 in Harrisburg. Come check out what a state council meeting is all about and attend one of the many meetings to choose from.

August 30: District Cabinet Meeting #1 @ Samuel United Methodist Church in Lititz. This is a meeting that is open to everyone. Come watch the business of the District being discussed.

Finally – a word of warning for those clubs who use an online payment system. It is illegal for non-profits in the state of PA to use online / electronic payment systems for raffle tickets due to Pennsylvania Small Games of Chance laws. Please see <https://local21news.com> for the full story. Many clubs use Zeffy (mine included) for online payments, but when we utilize those platforms for items that are covered by a Small Games of Chance license, it becomes illegal. While the PA lawmakers are working to rectify this outdated law, it currently is on the books and will be enforced.

Official visits are in the process of being booked by myself, 1VDG Pat, & 2VDG Rick. With three of us performing these visits, it will allow us to circle back to those clubs who may need a little extra help this year. Keep in mind that October is coming quickly and that means REGION RALLY SEASON! I look forward to seeing everyone at their respective rally!

In Lionism,

DG Steve

Message from the 1st Vice District Governor Pat Benson

Hello Lions,

I can't believe it is August already! I am sure you know we have a new International President, Mark Lyons. He was installed in July at the International conference in Hong Kong. I am very excited to learn of his ideas and goals but am more excited about his vision for Service. I feel we have something in common. His pin says it all, **We Serve – Rooted in Service.** **“Like the roots of a mighty tree, our history of service runs deep. It anchors us, it strengthens us, and it allows us to stand strong for those who need us most.”** These are his words and it is so true of what we can do for our clubs and our communities. Can we do more, absolutely. If you need help or ideas please don't hesitate to reach out, we are here to serve you. PDG Deb, DG Steve, 2VDG Rick and I are here for you.

Now is a great time to start planning for your year so I am sharing this year's global causes, they are **Youth, Environment, Humanitarian, Hunger, Diabetes, Childhood Cancer, and Disaster Relief**. In addition, there will be 3 Special Lion Year themes and they are: **VISION WEEK** – October 8–18, 2026, **YOUTH WEEK** – February 13–21, 2027, and **ENVIRONMENT WEEK** – May 29 – June 6, 2027. Maybe there is a new opportunity or service project your club could do for your community this year.

Now is also the time we should be finalizing our Clubs calendars with dates and events. I will throw out a few that you can add or consider: Cabinet meeting, our first one will be on August 23, Fall Leadership symposium October 13th, Region Rally's, Service projects, and DG Visit, just to name a few.

I am excited for this year to visit more clubs and attend your Service projects and to meet you and listen to your ideas and concerns. I am looking forward to working and serving with you.

Pat Benson

Message from the 2nd Vice District Governor Rick Bates

Hello Fellow Lions

The time is coming to start meetings again around the district. I hope everyone is having an enjoyable summer!

Let's welcome our new International President from the USA, Mark S Lyon.

It will soon be fair season for many of the clubs, so please don't be afraid to ask for help from other clubs and fellow lions.

Those that aren't interested in helping can help by supporting local lions' clubs at the fairs.

Remember that Region Rallies will be held on Thursdays in October.

Club officers please let your Region Chairpersons know when they can visit your clubs, and if there is any way they can help your club.

WEEKS OF SERVICE FOR LIONS YEAR 2026-2027

October 8, 2026 to October 18, 2026 - VISION

February 13, 2027 to February 21, 2027 – YOUTH

May 29, 2027 to June 6, 2027 – ENVIRONMENT

Dear Lion Secretary or President,

As in the past, the Beacon Lodge Golf Outing is coming up in August. Again, we are asking our Lions Club to sponsor a hole. The cost is only \$100.00. Our District has a great reputation for their support of Beacon Lodge. PDG Debbie and I want our district to be the first 100% contributor to this great project. That means that each club in the district will be the sponsor of a hole and the district also contributes. We unfortunately did not reach 100% last year. This year let's make it 100%

If your club sponsors a hole, there will be a placard on display at the hole and recognition at the banquet that evening. Let us show the rest of Pennsylvania how our District comes through when needed. I will also be calling in May to remind you of this much needed support. As you can see below, there are other sponsorship levels as well.

Your checks can be sent directly to me at the above address. Do not send them directly to Beacon Lodge. Make your checks out to: PA Lions Beacon Lodge Camp and please consider adding this to your club's yearly budget.

Sincerely,

Beacon Lodge Board Member

LIONS VISION WEEK OF SERVICE

OCTOBER 8-18, 2026

- **October 8th** is World Sight Day
- **October 15th** is International White Cane Day

Vision doesn't just impact one age group; it impacts those of **all** ages.

LCI has the following statistics about Vision on their website:

2.2 billion people with a near or distance vision impairment*

1 billion cases of vision impairment that could have been prevented with proper eye care*

450 million children with a sight condition that needs treatment**

4x higher prevalence of distance vision impairment in low and middle-income regions*

*World Health Organization

**The International Agency for the Prevention of Blindness

Vision service project ideas

Ever since Helen Keller called upon Lions to champion the cause of vision in 1925, Lions and Leos around the world have stepped up to serve — and you can too. See all the different ways you can get involved in serving the blind and visually impaired.

Service Ideas

- Learn about blindness and vision impairment by reviewing the [World Health Organization's fact sheet](#). Consider sharing the information in your community at club meetings, teach-ins or through other outreach.
- Explore the [Lions International Vision webpage](#) which features our vision programs, LCIF grant opportunities, and how to make a donation to empower the service of Lions around the world.
- Collect used eyeglasses and send them to the nearest [Lions Eyeglass Recycling Center](#). Visit the [Eyeglass Recycling](#) webpage for information on collection resources, including ordering the Lions International Collection box.
- Plan a [Lions KidSight](#) children's vision screening event to help identify correctable vision conditions.
- Collaborate with a [Lions Eye Bank](#) in your area or utilize the [Lions Eye Bank Overview](#) resource to promote the importance of corneal donations.
- Organize a [vision screening](#) event in your community. Nearly 80% of all visual impairment can be prevented or cured. The first step to prevention is awareness. The second is early detection through vision screening.
- Contact a local eye care facility or center for the visually impaired to find out how you can support them. For example:
 - Assist with building repairs and renovations.
 - Provide transportation to and from appointments for individuals undergoing treatment.
 - Consider making in-kind donations of supplies or equipment.
- Support individuals and families in your community by providing vouchers for comprehensive eye exams and eyeglasses. Explore partnerships with local vision service providers to provide affordable or free services.
- Plan a service activity on [World Sight Day](#), which is on the second Thursday in October annually.
- Organize a braille, large print and audio book collection to benefit a local school, library or senior center.
- Develop a directory of community resources and services available for people who are blind or visually impaired.
- Organize an inclusive sporting event for children with and without visual impairment.
- Partner with a local hospital or vision provider to hold an educational event about vision conditions such as cataracts, refractive errors, diabetic retinopathy, glaucoma, and macular degeneration. Visit the [Lions International Advocacy webpage](#) to explore ways to raise awareness and create positive change.
- Connect with organizations that provide service animals for the visually impaired and see how your club can engage with them.
- Work with your city, town, or community to ensure all bus stops and public transportation locations have braille signage or audible announcements.
- Celebrate [International White Cane Day](#) on October 15 by learning its history, advocating for accessibility and independence for people who are visually impaired, and exploring ways to make an impact in your community.
