

A Message from District Governor Steve Lowe

Hello Lions!

It has been a very quick start to our Lionistic year. We are already two months in and we are right around the corner to our Region Rallies. I know that Second Vice District Governor Rick listed the dates for each rally in his message. I can't encourage you enough to make plans and attend the one for your zone. Among other things, these rallies help to keep our district from collecting dues from our members. We are the only district in PA who does not charge the members dues and instead funds everything via the rallies, among other things. This year, we will be selling the District Fundraiser Lottery tickets at the rallies, so be sure to pick some up!

We have already held the first State Council meeting as well as our first District Cabinet meeting. We learned a lot of good information from these two meetings, the majority of which has been cascaded out to each of you via your Zone Chairs and club leadership. Next up will be the USA/Canada Lions Leadership Forum held in Memphis, Tennessee from September 3-5, 2026. If you will not be joining us in Memphis, please consider attending the one next year, which will held in Huntsville, Alabama. Our very own PID Cindy Gregg from District 14 E will be the event chair, so we need to show up in force to support her. There is preliminary discussion surrounding taking a bus down for the forum, so if there is any interest, please let me know. This will NOT lock you into a seat on the bus. Also on the horizon is the International Convention in Washington DC in July of 2027. This is about as close as it is going to get for the foreseeable future for those of us in Pennsylvania, so again – we need to show up in force. Let's get a large group from 14 D there to support 1st Vice District Governor Pat as she transitions to the District Governor! There has also been discussion about a potential bus for this convention. Please let me know if you are interested in this as well. Registration is open for this event already, so feel free to sign up now!

Official visits have started for myself, 1VDG Pat, and 2VDG Rick. If we have not firmed up a visit date, please reach out to me. Our plan is to visit each club in the district during the first half of the Lionistic year. This will allow us to circle back to see the clubs that need some help during the second half of the year.

Let's keep ourselves Rooted In Service by Serving the Path Less Traveled this year and make this a year to remember.

In Lionism,
DG Steve

Message from the 1st Vice District Governor Pat Benson

Hello Lions

Where has this SUMMER gone! When you read this school has probably started in your town. So, with learning on your minds I thought I would mention some ideas for you and your clubs to explore. A few things to consider, in the Lion Portal Club Officer Training has great information and ideas and online training you can do at your convenience, attend your District Zone meeting and meet other Lions and share ideas and issues and consider attending the Fall Leadership Symposium on Saturday October 3, at the PA State Lions Office in Harrisburg. Just a few suggestions if you are feeling empowered to Learn.

I attended the First State Council meeting for this year and am looking forward to our first District cabinet meeting on August 30th, hope to see you there.

Zone chairs and Club Presidents now is the time to encourage your clubs to attend the Region Rally's coming in October. Why you may ask: our District is one of the only in the State that does not have District dues. Your attendance and support at the rallies help our district to operate dues free. It is also a great time to meet other Lions and have a fun evening, a good meal and see who will be rewarded for their service by IPDG/DG Steve Lowe.

I look forward to meeting you at my upcoming District Governor visits, Zone chair visits, and the Region Rallies.

Thank you for allowing me to serve you this year, I am excited to see what we will achieve together.

Pat Benson
1st Vice-District Governor

Message from the 2nd Vice District Governor Rick Bates

Hello Fellow Lions

Please keep your calendars open for the following Region Rally dates:

October 1 – Region Rally V

October 8 – Region Rally II

October 15 – Region Rally I

October 22 – Region Rally III

October 29 – Region Rally IV

Zone Chairperson Training will be following our District Cabinet Meeting August 30 – Any lion interested in being a Zone Chair is invited to attend.

The district still has open Zone Chair positions available. Contact any of the district cabinet members if interested.

Heard some interesting chatter at a recent lion function for all lions to think about, if your club does give a “*Volunteer of the Year*” award, please consider those that are in the background and may not be as visible the person that drives for Meals on Wheels, volunteers at the local Food Bank or soup kitchen the young people that help clean up or beautify the community.

District Governor’s visits will soon begin, do not be afraid to ask questions, if we don’t have the answers, I am sure there is someone that can help us get the answers. Take a minute of time in the upcoming lions’ year to reflect on why you join lionism.

“Serving the Road Less Travelled”

WEEKS OF SERVICE FOR LIONS YEAR 2026-2027

October 8, 2026 to October 18, 2026 - VISION

February 13, 2027 to February 21, 2027 – YOUTH

May 29, 2027 to June 6, 2027 – ENVIRONMENT

SERVICE IN DISTRICT 14-D FOR 2026-2027

As your District GST, your district team would like to encourage clubs to come up with a new service project that not only embraces International President Mark Lyon's motto of "Rooted in Service," but to also embrace the late, DGE Craig's motto of "Serving The Road Less Traveled." How did DGE Craig know that his motto would mesh so well with the International President's Motto for this year?

DG Steve is going to be asking clubs to honor DGE Craig's memory by "planting" a new service project that can take "root" by serving those on the road less traveled. Every service project or fundraiser starts with a seed or idea and then with some "watering" along the way, it continues to grow into a successful and yearly service project. Remember, a service project doesn't need to serve a large group of people, it can be finding those individuals or smaller groups that may be overlooked on the road less traveled. Take some time to look around your community for a new service idea to take root. I can't wait to see what new service projects our clubs come up with.

Don't forget to report your club's service projects. If there are any clubs that need assistance in how to report service in the Lions Portal, please feel free to contact me by email at keepharry110@gmail.com or by phone at 717-572-5051.

LIONS VISION WEEK OF SERVICE

OCTOBER 8-18, 2026

- **October 8th** is World Sight Day
- **October 15th** is International White Cane Day

Vision doesn't just impact one age group; it impacts those of **all** ages.

LCI has the following statistics about Vision on their website:

2.2 billion people with a near or distance vision impairment*

1 billion cases of vision impairment that could have been prevented with proper eye care*

450 million children with a sight condition that needs treatment**

4x higher prevalence of distance vision impairment in low and middle-income regions*

*World Health Organization

**The International Agency for the Prevention of Blindness

Vision service project ideas

Ever since Helen Keller called upon Lions to champion the cause of vision in 1925, Lions and Leos around the world have stepped up to serve — and you can too. See all the different ways you can get involved in serving the blind and visually impaired.

Service Ideas

- Learn about blindness and vision impairment by reviewing the [World Health Organization's fact sheet](#). Consider sharing the information in your community at club meetings, teach-ins or through other outreach.
- Explore the [Lions International Vision webpage](#) which features our vision programs, LCIF grant opportunities, and how to make a donation to empower the service of Lions around the world.
- Collect used eyeglasses and send them to the nearest [Lions Eyeglass Recycling Center](#). Visit the [Eyeglass Recycling](#) webpage for information on collection resources, including ordering the Lions International Collection box.
- Plan a [Lions KidSight](#) children's vision screening event to help identify correctable vision conditions.
- Collaborate with a [Lions Eye Bank](#) in your area or utilize the [Lions Eye Bank Overview](#) resource to promote the importance of corneal donations.
- Organize a [vision screening](#) event in your community. Nearly 80% of all visual impairment can be prevented or cured. The first step to prevention is awareness. The second is early detection through vision screening.
- Contact a local eye care facility or center for the visually impaired to find out how you can support them. For example:
 - Assist with building repairs and renovations.
 - Provide transportation to and from appointments for individuals undergoing treatment.
 - Consider making in-kind donations of supplies or equipment.
- Support individuals and families in your community by providing vouchers for comprehensive eye exams and eyeglasses. Explore partnerships with local vision service providers to provide affordable or free services.
- Plan a service activity on [World Sight Day](#), which is on the second Thursday in October annually.
- Organize a braille, large print and audio book collection to benefit a local school, library or senior center.
- Develop a directory of community resources and services available for people who are blind or visually impaired.
- Organize an inclusive sporting event for children with and without visual impairment.
- Partner with a local hospital or vision provider to hold an educational event about vision conditions such as cataracts, refractive errors, diabetic retinopathy, glaucoma, and macular degeneration. Visit the [Lions International Advocacy webpage](#) to explore ways to raise awareness and create positive change.
- Connect with organizations that provide service animals for the visually impaired and see how your club can engage with them.
- Work with your city, town, or community to ensure all bus stops and public transportation locations have braille signage or audible announcements.
- Celebrate [International White Cane Day](#) on October 15 by learning its history, advocating for accessibility and independence for people who are visually impaired, and exploring ways to make an impact in your community.

Serve Together During the Vision Week of Service

International President Mark Lyon is a champion for the cause of vision. Earlier this year, he visited Leader Dog to celebrate our long-standing partnership and shared mission of service.

"A few years back, I had the joy of serving on the Lions Advisory Committee for Leader Dog and learned so much about this premier organization that shares so many of our Lions values. Founded in 1939, Leader Dog and Lions have been working side by side to serve the blind and visually impaired to gain their independence and mobility. **Lion Lyn and I look forward to partnering with Leader Dog in the days ahead.**"

The first Lions International Week of Service this year is coming up in October, and it is focused on the cause Lions and Leader Dog were founded on: Vision. We hope you will join us and Lions around the world to continue our legacy as Knights of the Blind.

Would your club be interested in a service project with Leader Dog? Partner with us for a social media awareness campaign, dining in the dark community event, or a fundraiser. Read a Leader Dog's story to a local elementary school or share Leader Dog brochures with your local ophthalmologist. Email LionsSupport@leaderdog.org to brainstorm ways your club can partner in service.

A Record-Breaking Year for Leader Dog Applications

During the 2025-26 fiscal year, Leader Dogs for the Blind provided ongoing support to hundreds of former clients, and **351 more people regained their independence through our training programs.**

- ✓ **110 people were matched with a Leader Dog** in Guide Dog training
- ✓ **214 people gained confidence with white cane travel** in Orientation & Mobility, including 4 teens who attended with an adult supporter
- ✓ **21 teens enjoyed a week of adventure with their peers** at Summer Camp

- ✓ **6 people achieved their personal goals** in pilot programs focused on life skills, assistive technology and self-defense

This was a record-breaking year for client applications, with **999 applications received** from people in 49 US states, 5 Canadian provinces, and 3 other countries. Each year, hundreds of applicants find us because a Lion pointed them our way. Thank you for making sure your neighbors across the United States, Canada and beyond know that **Leader Dog's elite guide dog program and industry-leading orientation & mobility program are available to them at no cost!**

District Leaders Arrive on Our Campus

Vice District Governors from more than 110 Lions districts across the United States and Canada are visiting Leader Dog's campus between August and September. **Each year, we invite VDGs to immerse themselves in our mission during Lions Summer Visits.** They meet clients, tour our Residence Center and Canine Development Center, complete a service project, participate in blindfold walks with a guide dog and white cane, and eat dinner under blindfold.

When they return home, **they will bring stories of the impact Lions have had on more than 18,000 clients since we were founded by Lions nearly 90 years ago.** Thank you to the thousands of Lions leaders who have visited our campus in our long history – your outreach and advocacy in your home communities have led countless clients to Leader Dog, and we couldn't do what we do without you.

Mission Moment

"What happens when the life you planned disappears & the life you discover turns out to be even bigger? I know the answer because I've lived it. After progressive vision loss challenged my independence, **partnering with my Leader Dog Rigatoni transformed not only the way I traveled, but also the way I saw my future.**"

On August 18, The Lancaster Lions, family and friends spent an enjoyable evening watching Lancaster Stormers baseball. We brought our own Lion who threw out the first pitch and we staffed a table promoting our club and the "Yellow Dot Program." Fans enjoyed the chance to win a prize at PLINKO.

The Paradise Township Lions held two “Fill the Trailer” events this summer. Publicized in the township sewer bill mailing in July and the “Pennysaver”, they experienced a large turnout to aid two community events held at the Factory. In July, we collected 250 lb of school supplies as well as \$595 for the purchase of additional supplies. The Factory, in turn, held a back-to-school event that served 137 shoppers and their families who were able to choose from among 6000 items. We were told that our contribution alone furnished 62 backpacks that eager learners filled with their choice of school supplies. We also helped to provide a water bottle for each student. The picture shows that “Together We Serve”.

Palmyra Area Lions Club that participated in “National Night Out” at In The Net in Palmyra on August 4, 2026. The Lions were raffling a large Narwhal stuffed animal for the kids. Our members enjoyed sharing information about Lionism with visitors.
