Past International Director Larry Edwards

And we Continue To Serve, Let's Change the World

Greetings, Lions and Leos,

With the completion of my article, the 101st Multiple District Convention will be in the books. More to report next time. District conventions have ended, District leadership has been elected and now Governor-elects are developing their teams for the next year. That is good news. The not so good news is the number of open DG, 1st VDG and 2nd VDG positions that need to be filled. That goes to follow with club officer positions. Serving in a Lions leadership position should be considered an honor. Does it take some work? Yes, it does. If you consider stepping up, I assure you that you will learn, become a stronger leader, and help your fellow Lions by serving more individually.

So, if you haven't given this much thought, maybe the time is now. Where does your club or district need some help? Ask the questions and step in. You will not be sorry. Too busy? A busy individual is the type of leader that we want. Think about your schedule and see how you can work it in. Don't let your Lion friends down. Serving as a Lion Leader is a wonderful experience.

How has your club done this year? Have you met your membership and service goals? If not, there is still time remaining. Talk it up at your meetings and find those few new members needed and look over the service project list to find a few that can be done within a month plus. The year is not over until June 30, 2024.

Has your club checked on those members who none has seen for a while? Now is a suitable time to call or visit them. Don't let them become a lost statistic as June rolls in and they become a dropped member. Find out why they have not attended a meeting or service project. Can you help to fix the issue? Losing a Lion is a terrible thing. If we all work hard to save those who may need a little push to return to the club, what a great service that will be for our organization.

With summer on the horizon, I wish all our Lions a great season. Take time to enjoy family, friends and Lions. Sometimes a breather on the back porch with a cold drink of your choice gives all of us that opportunity to think, relax and refuel for the next task at hand. Be careful with your time as we have so precious little to use.

Until the next time we meet at a Lions event, I wish you all the best and remember to keep serving and Change the World.

PID Larry

From Council Chair Linda Zaneski

Hello MD-14 Lions. As I make my way into the last month as your State Council Chair, I continue to be so honored for this opportunity to travel the state and meet the wonderful Lions in every District. At the beginning of my year, I set a goal to visit each District at least once and am happy to report that I was able to achieve that goal! I loved attending Cabinet meetings, dinners, events and conventions, but most of all, hearing about all the important service you are providing in your communities. Meeting you was the highlight of my time on the road. Speaking of traveling, I logged over 8,000 miles this year on Council Chair travel!

I am also so proud of the successful Global Action Team (GAT) Summit that I hosted in October of last year. I hope many of the GAT teams will be staying on for the next year and continuing to make strides in Leadership, Membership and Service. Remember, my logo for the year shows what the clubs, districts and Multiple-District need to do to change the world.

Strong leadership will help attract new members who can do more service and that's what we do - SERVE! As those cogs on the gears turn at the club level, they move the District and Multiple District forward at a much faster pace. And thus, help change the world! Your enthusiasm and fellowship are the grease to make them turn even faster.

So, thank you for all your hard work this year on turning those gears!

With deep appreciation, for the last time as your Council Chair,

Linda Zaneski

MD-14 Council Chair

2023-2024

Thank you, CC Linda

For a job well done.

LCIF REPORT

MAY 2024

As we near the end of this Lions year, MD-14 still has a way to go to meet the goal set for us by LCIF; we are at only 47%. We are asking all clubs and Lions to help us to attain our goal!

We are very grateful that PDG Debbie Lillegard for the 2024-25 Lions year will be the MD-14 LCIF Coordinator for the eastern part of the state!

When nominating your officers for the 2024-25 Lions year, please remember that all clubs should have a LCIF coordinator. If you cannot find one, then the immediate past president would fill this role. This is a very important position, so that LCIF can communicate with your club and keep you informed on the latest information from LCIF. The percentage for this current year of clubs not having an LCIF coordinator across MD-14 is low. Please do this as soon as possible!

On Sunday, June 2nd, LCIF will be hosting telethon 4.0 from 11:00 A.M. to 3:00 P.M. This is a great opportunity to donate to LCIF and to hear inspiring stories from families who have benefited from LCIF.

MD-14 is working on a Lions cookbook being led by PDG Debbie Lillegard and DGE Mike Crossey. If you have a recipe that you would like to share, please send it to PDG Debbie at deblillegard@yahoo.com. We are looking forward to your support to help make this fundraiser a success which in turn will benefit LCIF!

A reminder of the Legacy program that gives us an opportunity to continue our service after we are gone by leaving money to LCIF through wills, IRAs, insurance policies and real estate, to name a few.

Thank you for all your support during this past Lions year and we hope that it will continue into next year!

PDG Evan Punchard, MD-14 LCIF Coordinator

Ways to Support PA Lions Beacon Lodge Camp

Beacon Lodge just celebrated 75 years of service to the citizens of Pennsylvania. Over those many years, we have served blind adults and children, and more recently, we have expanded to serve other special needs individuals. Project New Hope for disabled veterans has been in operation for only a few years but is becoming a huge success.

Unfortunately, over the past few years, we have been presented with significant challenges in funding. Our other challenges are staffing, inflation, and the overall cost to keep this camp operational at the level we expect. What we need from all Districts, Lions Clubs, Lions, and Leos is a challenge to increase our funding efforts to help keep this camp open. If we do not follow through with these efforts, Beacon Lodge will cease to be the camp we have grown to love and of which to be proud. **We need your help more now than ever!**

Below, you will find many ways you and your club can support the camp. Please use this list to ensure the PA Lions commitment to Beacon Lodge goes on for many years.

- District Governor's Projects
- 500 Club - \$5.00 per Lions member each year to help defray maintenance costs at the camp
- Beacon Lodge Challenge: \$100+ per club
- Designated/undesignated Camp Sponsorship \$950
- Counselor Sponsorship \$475
- Wish List: products & dollars
- Duck Race "PA Lions Appreciation Day": \$5.00 per duck
- Golf Tournament: Districts: \$1,000, Clubs \$100/hole or \$50/cart, Lions may contribute, businesses contribute
- Special Fund-Raising Projects: Districts & Clubs
- District Work Weekend
- Project New Hope
- Brick Walkway Memorial: clubs \$100 for deceased members
- Carl Shoemaker Fellowship: \$500
- Sponsor a Wounded Warrior & family campership - \$1,200
- Purchase a banner for \$100 to be hung at the camp during the 2024 camping season
- Facebook Birthday Challenge

Thank you for helping us serve!

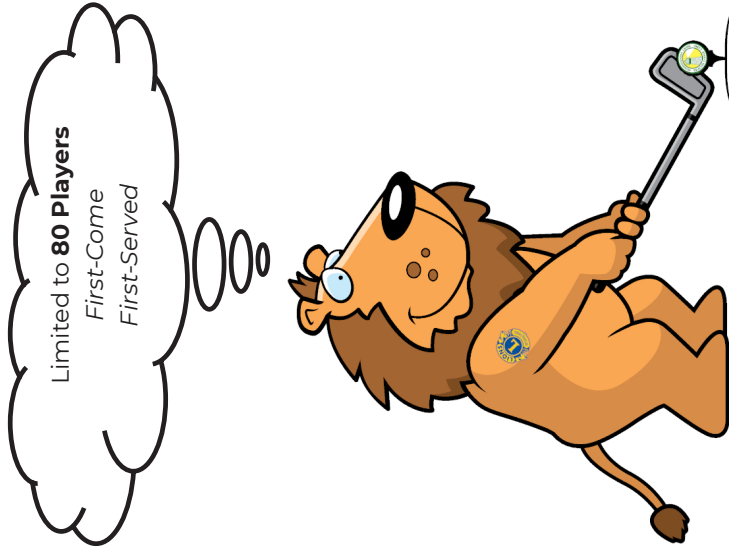

In 1948, Lion Carl Shoemaker helped found Vacations for the Blind, a summer camp designed for adults with vision impairment. Since then, the name was changed to PA Lions Beacon Lodge Camp. The program has also changed to include children and adults with a wide range of disabilities. By providing a sponsorship or joining us at the American Legion Country Club, you will be helping us continue our mission of providing a summer camp experience to our statewide community of Adults and Children living with Special Needs.

This month The Northeast PA Lions Service Foundation enters its eighth year of providing grant money for Lions and Leos of the original eye bank Districts C, D, G, H, K, L, T, U, W. We know our clubs continue to serve their communities, since we have approved over \$73,000.00+ in grants just since January 2024!

We were sorry to lose Lion Jeanne Zieger, 14-K. She had to resign her position on the board due to increased traveling with her job. We're happy to welcome Lion Bruce Browne (on left) to our board. Lion Bruce, a member of 14-K Saucon Valley Lions Club was voted in at the 3/13/24 meeting.

A woman in need of a replacement prosthetic eye finally received a new one through a grant of \$4,150.00 for 14-K, **Mountainville LC**.

2/06/24

A Few Grants

The Breezewood LC, 14-L, grant of \$4,000.00 provided a Lions Community Fair in November 2023. The health fair provided free diabetic education, discounted lab work to residents, such as blood glucose screening, blood pressure readings, eye exams, and foot exams. The project's goal is to improve health and well-being, thereby strengthening the communities served. 9/28/23

Snow Shoe LC, 14-G, endorsed and oversaw the use of their \$5,000.00 grant to replace a sidewalk at the entrance to the area food bank. Because of the poor condition, it was unsafe for its 80+ monthly clients to navigate. It also prevented safe delivery of pallet deliveries, upon which the food bank depended to provide their valuable service to their communities. 1/22/24.

Please Note These Grant Changes:

The NEPALSF.com website contains information and the grant application. The NEPALSF's purpose is to assist in providing medical needs and community improvements. There have been a few questions regarding the grant application. It now asks if the endorsing Lions Club financially supports the Foundation. This is asked because as stewards of the money, we are responsible for ensuring the existence of the Foundation and its future. Club and individual donations help to maintain that goal. The form now asks what the club is contributing to the request, and the club's budget for the previous three years. This will give an idea of the club's activity, because as Lions we understand each club's commitment to their service area. However, no grant approval is based upon how much money a club has. Decisions are based upon the purpose of the grant.

The Centre Hall Lions Club thanks you for the \$10,000 grant for our kitchen upgrade. The PA Dept. of Agriculture food inspector did not pass our kitchen inspection. **LEO OF THE YEAR
2023 – 2024**

*Carlie Corson
Apple City Leo Club*

This year's recipient of the Multiple District Leo Founder's Award is Leo Carlie Corson from the Apple City Leo Club in District 14-C. Leo Carlie has been a member of the Apple City Leo Club for six years, joining the club as a seventh grader. As a sophomore, she was the club treasurer and for the past two years she has served as club president.

Since joining the Apple City Leo Club, Leo Carlie has attended meetings regularly and participated in nearly every one of the club's service activities and fundraisers. She has consistently contributed ideas and volunteered to organize club activities. As club president, she has efficiently led meetings and worked to keep members informed of club activities through school announcements and email blasts. In addition, Leo Carlie has been an active recruiter for the club having sponsored eight new members.

Leo Carlie's leadership abilities have been evident in the work she has done to organize club activities. One of those activities involved preparing gift bags for nursing home residents which the club does every year during the Christmas holiday season. She has also organized the club's annual bake sale by preparing sign-up sheets for baked goods and securing volunteers to sell items. Leo Carlie has also been a regular volunteer at road clean-ups which the Leo Club does in conjunction with their sponsoring club, the Arendtsville Lions Club.

Beyond Leo Club, Leo Carlie is active in a variety of school activities, including Student Council, Yearbook Committee, National Honor Society and National Art Society and she has been Class President for the past four years. She has received Scholastic Silver Keys for both writing and art and she was the recipient of the American Legion Citizenship Award as well as a Financial Literacy Scholarship.

Leo Carlie graduated with honors from Biglerville High School in May. She plans to attend college, majoring in both English and Psychology.

Congratulations Leo Carlie!

Members of **Zone 1A Clubs (New Oxford, Littlestown, East Berlin, West Manheim and Hanover), District 14-C**, teamed together with Lions and Leos from the **Upper Adams Club** as well as a Lion from each of the **Shippensburg** and **York Springs** clubs to participate in the valuable Treelay Project. It was an unusual project involving planting trees between the hours of 2:00 a.m. and 6:00 a.m. on April 6 in a field just outside of Abbottstown, PA. The Project was part of the **Alliance for The Chesapeake Bay** organization's effort to help to restore and improve the watershed that feeds the Chesapeake Bay with clean water solutions.

The local Lions Clubs provided the Alliance with members to help plant, provided water and snacks and assisted in providing a wholesome, hearty breakfast at Rosie's Restaurant in New Oxford afterward for the overnight workers.

Shown above are 17 of the 32 tree planters. **PDG Lisa Griffie** (second from left), Zone Chair **Todd Boller** (fourth from left), **PDG John Griffie** (sixth from left) and **PDG Dennis Cope** (far right) led the charge.

Each year one of the not-for-profit organizations that the **Hanover Lions Club** supports through its ongoing fundraising program is **Hoffman Homes for Youth**. Donations are earmarked for their Creative Therapy Programs. These programs offer hands-on, non-verbal therapy approaches to improving mental health of the children and adolescents who are in care at the residential psychiatric treatment program. Equine therapy, art therapy and pet therapy are several of these programs.

The Cranberry Township, Butler County, charity called **Mission Vision** collects used eyeglasses to distribute to needy people abroad. The glasses are cleaned, machine-read to find their prescription, encased in a plastic bag with the prescription on it and are then sent to needy people in poorer countries. Mission Vision also goes to other Pennsylvania locations to test eyes and order free prescription glasses for needy students and adults.

Lions Gregg and Jeanne Otto of the **Cranberry Township Area Lions Club, 14-N**, recently took three suitcases full of readers, prescription Mission-Vision glasses and a borrowed autorefractor to Honduras to serve on a medical brigade. One thousand, seven hundred and one Hondurans came to five sites to be fitted with the glasses. Lion Gregg used the autorefractor to find which glasses more closely matched the prescription. There were many smiling faces as 87 left with prescription glasses and 290 with reading glasses.

NO LIQUOR IN RAFFLES!

Liquor not permitted in basket raffles

Please be aware: A popular staple in basket raffles is a “no-no.”

After researching the matter with the Executive Director of the PA House of Representatives' Liquor Committee and the PA Liquor Control Board, MD-14 legal counsel Lion Ashley Grimm reported that “liquor is not permitted to be in a basket for purposes of a raffle. This also includes silent auctions.

“This equates to selling liquor without a license,” Lion Grimm said. “A wine and spirits gift card is permitted to be included in a raffle basket, though.”

Lion Grimm’s research supported the opinion expressed by Lawrence County Treasurer Richard Rapone in a recent New Castle News story that had prompted MD-14 State Council Chair Bill Morgan to contact Lion Grimm.

As part of the News story, Capt. Jamie Jones of the LCB Enforcement Bureau said including any type of alcoholic beverage – be it a six pack of beer, a bottle of wine, a bottle of whiskey or the like – is a violation of the Pennsylvania Liquor Code, Title 47, and is an unclassified misdemeanor offense. The fine upon conviction is \$500, levied to the organization sponsoring the fundraiser and not the donor of the basket.

In the News story, Rapone pointed out, under the state’s small games of chance law, it is illegal to host basket raffles at fundraising dinners used to benefit someone who is sick.

Dear Lions, Lioness, Leos, and Friends,

The walkway was installed in 2007, and will be updated each year. The walkway, patio, and wall area was professionally installed, and is a beautiful addition to Governor's Green. This fundraiser has helped with several major improvements; and it continues to be a wonderful way to show your dedication to Beacon Lodge, and to honor or memorialize those we love and respect.

Once again we thank you for your continued support of the PA Lions Beacon Lodge Camp and programs.

Respectfully,
The Board Members
