Hearing Aid Donations may be sent in a padded box or envelop to:

Hear Now Program
6700 Washington Ave S.
Eden Prairie, MN 55344

- Label the package or box: Hear Now Donation
- Include your name and address inside the packet or box

Please expect receipt of your acknowledgment letter approximately 7 weeks after the date you sent your donation.

It is the donor's responsibility to determine the value of the donation. To determine the value of the donated aids, use a five-year, straight-line depreciation:

- Divide the original cost by 5 to determine the yearly depreciation
- Multiply the yearly depreciation by the age of the aids
- Subtract that figure from the original cost to determine the remaining value
