

92nd PA Lions State Convention
May 14 - 17, 2015

Lioness/Ladies and Spouses Breakfast

Saturday, May 16, 7 a.m., Host Resort, Lancaster

When you come to the 92nd PA Lions State Convention, the Lions, Lionesses, LEOs, and Host Committee of 14-D invite you to attend the Lioness/Ladies and Spouses Breakfast on Saturday morning, May 16, at the Host Resort, Lancaster. Awards will be presented, and attendees will dine on a full breakfast buffet.

After breakfast, enjoy a presentation by Lisa High, who will entertain us with a dynamic and humorous talk about hats. "Hats through the Ages" will feature some of the 30 hats in her personal collection, as well as historically accurate vintage hats made in each of the decades since the Bollman Hat Company in Adamstown, Lancaster County, has been in business.

Enjoy these beautiful men's *and* women's hats and learn a bit of history as we time-travel back to 1868 when the Bollman Hat Company, America's oldest hat maker, was founded. The release of the film *Lincoln* and the hit miniseries *Downton Abbey* make these hats a timely topic. Put on your thinking caps (pun intended!). U.S. history trivia will keep you on your toes! Get ready for a time of fun. The Convention Host Committee is sure you will enjoy this special event for Lionesses, Ladies, and their spouses during the convention.

Assistant director of the Pequea Valley Public Library in the village of Intercourse, Ms. High loves to wear as well as talk about hats. She was honored by the Lancaster Speakers Bureau in March 2014.

More information will follow in your convention registration packet. Contact person is VDG Kathy Ridder at 717-661-7760.

Lisa High will regale you with "Hats Through the Ages" at the Lioness/Ladies and Spouses Breakfast on Saturday, May 16.

D-lightful Hospitality in Amish Country!
