

PA LIONS ALL-STATE BAND

State Convention Application

Dear Former, Present, or Future Pennsylvania Lions All-State Band Member:

Since 1982 the Lions Clubs of Pennsylvania have been organizing an all-state band to perform at the International Lion Conventions held throughout the United States. Additionally, they have also been organizing the all-state band for their annual State Convention. Held in different cities throughout Pennsylvania, the State Convention usually involves one over-night. The performances are usually a parade and a concert. On some occasions a second concert is performed in place of the parade. The Pa Lions pay all the meal and lodging expenses for the State Convention. Students need only to provide transportation to and from the convention site. The lions will provide a bus to the convention site when the number of students from a particular area is large enough to justify chartering one.

If you have been a member in the past, you will recall the fun times you had; and if you are a "first timer", you can look forward to an exciting experience.
